## **NEWS RELEASE**

### **MEADOW BAY GOLD CORPORATION APPLIES FOR LISTING ON TSXV AND TO DELIST FROM TSX**

**Vancouver, BC** – September 4, 2015 - Meadow Bay Gold Corporation (“Meadow Bay Gold” or the “Company”) (TSX:MAY) announced that it has applied for a listing of its common shares for trading on the TSX Venture Exchange (the “TSXV”) pursuant to the TSXV’s streamlined application process and that it has applied for a voluntary delisting of its common shares from the TSX, all with a view of reducing ongoing fees and expenses and in light of discussions with the TSX regarding the continued listing requirements of the TSX. The Company expects the transition will be completed on or about November 6, 2015.

#### **Forward-looking information**

This release contains “forward-looking information” within the meaning of applicable Canadian securities legislation, including predictions, projections and forecasts. Forward-looking information includes, but are not limited to, statements that address activities, events or developments that the Company expects or anticipates will or may occur in the future, including such things as timing of the listing of the Company’s common shares on the TSXV.

Often, but not always, forward-looking information can be identified by the use of words such as “plans”, “planning”, “planned”, “expects” or “looking forward”, “does not expect”, “continues”, “scheduled”, “estimates”, “forecasts”, “intends”, “potential”, “anticipates”, “does not anticipate” or “belief” or describes a “goal” or variation of such words and phrases or state that certain actions, events or results “may”, “could”, “would”, “might” or “will” be taken, occur or be achieved.

The forward-looking information in this news release is based on a number of material factors and assumptions, including the receipt of TSXV approval of the Company's listing application by the fourth quarter of 2015. Forward-looking information involves known and unknown risks, future events, conditions, uncertainties and other factors which may cause the actual results, performance or achievements to be materially different from any future results, prediction, projection, forecast, performance or achievements expressed or implied by the forward-looking information. Such factors include, among others, the delays in obtaining regulatory approval as well as those factors disclosed in the company's publicly filed documents. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. Except as required under applicable securities legislation, the Company undertakes no obligation to publicly update or revise forward-looking information.
