(the "Company")

INFORMATION CIRCULAR

This information is given as of October 13, 2015

This information circular is furnished in connection with the solicitation of proxies by the management of **BIG WIND CAPITAL INC.** (the "Company") for use at the annual meeting of the Company to be held on November 17, 2015 and at any adjournments thereof (the "Meeting"). Unless the context otherwise requires, references to the Company include the Company and its subsidiaries. The solicitation will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by officers and employees of the Company. The cost of solicitation will be borne by the Company.

The Company is not relying on the "notice-and-access" provisions set out in National Instrument 54-101 "*Communication with Beneficial Owners of Securities of a Reporting Issuer*" ("NI 54 -101") to distribute copies of the proxy-related materials in connection with the Meeting.

APPOINTMENT OF PROXYHOLDER

A duly completed form of proxy will constitute the person(s) named in the enclosed form of proxy as the shareholder's proxyholder. The persons whose names are printed in the enclosed form of proxy for the Meeting are officers or directors of the Company (the "Management Proxyholders").

A shareholder has the right to appoint a person other than a Management Proxyholder, to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

VOTING BY PROXY

Common shares of the Company (the "Shares") represented by properly executed proxies in the accompanying form will be voted or withheld from voting on each respective matter in accordance with the instructions of the shareholder on any ballot that may be called for.

If no choice is specified and one of the Management Proxyholders is appointed by a shareholder as proxyholder, such person will vote in favour of the matters proposed at the Meeting and for all other matters proposed by management at the Meeting.

The enclosed form of proxy also confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be received by mail or fax by the Company's registrar and transfer agent, Computershare Trust Company, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, fax number 1-866-249-7775, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently. Alternatively, registered shareholders may vote their shares online at www.voteproxyonline.com in accordance with the instructions on the form of proxy.

NON-REGISTERED HOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are “non-registered” shareholders because the Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Shares. More particularly, a person is not a registered shareholder in respect of Shares which are held on behalf of that person (the “Non-Registered Holder”) but which are registered either: in the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP's, RRIFs, RESPs and similar plans); or in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (collectively, the “Meeting Materials”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Management of the Company does not intend to pay for intermediaries to forward to objecting beneficial owners (“OBOs”) under NI 54-101, the Meeting Materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*, and that in the case of an OBO, the OBO will not receive the Meeting Materials and Form 54-101F7 unless the OBO's intermediary assumes the cost of delivery.

Intermediaries are responsible for forwarding the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will receive either a voting instruction form or a form of proxy.

The voting instruction form (“VIF”) is instead of a proxy. By returning the VIF in accordance with the instructions noted on it a Non-Registered Holder is able to instruct the Registered Shareholder how to vote on behalf of the Non-Registered Shareholder. VIF's, whether or not provided by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder or his/her nominee the right to attend and vote at the Meeting. **Non-Registered Holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.**

In accordance with the requirements of NI 54-101, the Company has distributed copies of the Meeting Materials to the clearing agencies and Intermediaries for onward distribution to objecting beneficial owners (“OBOs”). Management of the Company does not intend to pay for intermediaries to deliver to OBOs under NI 54-101 the Meeting Materials and Form 54-101F7 *Request for Voting Instructions Made by Intermediary*. OBOs will not receive the Meeting Materials and Form 54-101F7 unless the intermediary holding shares on behalf of the OBO assumes the cost of delivery.

REVOCABILITY OF PROXY

Any registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing, including a proxy bearing a later date, executed by the registered shareholder or by his attorney authorized in writing or, if the registered shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding

the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting. **Only registered shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must, at least 7 days before the Meeting, arrange for their respective Intermediaries to revoke the proxy on their behalf.**

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value, of which **4,839,727** common shares are issued and outstanding. Only the holders of common shares are entitled to vote at the Meeting and the holders of common shares are entitled to one vote for each common share held. Holders of common shares of record on **October 13, 2015**, the Record Date, will be entitled to vote at the Meeting.

To the knowledge of the directors and senior officers of the Company, no shareholder beneficially owns shares carrying more than 10% of the voting rights attached to all shares of the Company.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Information Circular, none of the Directors or Senior Officers of the Company, no proposed nominee for election as a Director of the Company, none of the persons who have been Directors or Senior Officers of the Company since the commencement of the Company's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

ELECTION OF DIRECTORS

The directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting or until their successors are appointed. In the absence of instructions to the contrary, the enclosed proxy will be voted for the nominees herein listed.

The Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company at four (4). In performing its duties, the committee will maintain effective working relationships with the Board of Directors, management, and the external auditors and monitor the independence of those auditors. To perform his or her role effectively, each committee member will obtain an understanding of the responsibilities of committee membership as well as the Company's business, operations and risks.

3.2 The chairman of the Audit Committee (if any) will be nominated by the Audit Committee from the members of the Audit Committee who are not officers or employees of the Company, or a company associated or affiliated with the Company, from time to time.

AUDIT COMMITTEE OVERSIGHT

Since the commencement of the Company's most recently completed financial year, the Company's Board of Directors has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

Since the effective date of MI 52-110, the Company has not relied on the exemptions contained in sections 2.4 or 8 of MI 52-110. Section 2.4 provides an exemption from the requirements that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of MI 52-110, in whole or in part.

The audit committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of MI 52-110, the engagement of non-audit services is considered by the Company's Board of Directors, and where applicable the audit committee, on a case-by-case basis.

The fees paid by the Company to its auditor in each of the last two fiscal years, by category, are as follows:

FINANCIAL YEAR ENDING	AUDIT FEES	AUDIT RELATED FEES	TAX FEES	ALL OTHER FEES
June 30, 2014	8,000	Nil	Nil	Nil
June 30, 2013	13,500	Nil	Nil	Nil

The Company is relying on the exemption provided by section 6.1 of MI 52-110 which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of MI 52-110.

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board of Directors, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of The Company. The Board of Directors is committed to sound corporate governance practices, which are both in the interest of its Shareholders and contribute to effective and efficient decision making.

Pursuant to National Instrument 58-101 Disclosure of Corporate Governance Practices (“**NI 58-101**”), The Company has reviewed existing guidelines in terms of NI 58-101 and hereby discloses its corporate governance practices in compliance with NI 58-101, as summarized below.

BOARD OF DIRECTORS

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Company’s Board of Directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Board of Directors facilitates its independent supervision over management by reviewing all significant transactions of the Company.

The non-independent directors are Devinder Randhawa and Greg Downey.

DIRECTORSHIP

Certain of the directors are presently directors in one or more other reporting issuers, as follows:

DIRECTORS	OTHER ISSUERS
Devinder Randhawa	Crazy Horse Resources Inc., Fission Uranium Corp., Fission 3.0 Corp., Ironside Resources Inc., Pioneer Pacific Finance Corp., Wolfpack Capital Corp.
Richard Matthews	Ironside Resources Inc., Pioneer Pacific Finance Corp.
Jeremy Ross	Fission 3.0 Corp.

ORIENTATION AND CONTINUING EDUCATION

When new directors are appointed, they receive orientation, commensurate with their previous experience and on the responsibilities of directors. Board meetings may also include presentations by the Company’s management and employees to give the directors additional insight into the Company’s business.

ETHICAL BUSINESS CONDUCT

The Board of Directors has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the

director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

NOMINATING COMMITTEE

The Nominating Committee makes recommendations to the Board of Directors and considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

COMPENSATION COMMITTEE

The Compensation Committee determines compensation for the directors and executive officers and will be comprised of three directors.

The Company's compensation philosophy for executives continues to follow three underlying principles: namely, (i) to provide a compensation package that encourages and motivates performance; (ii) to be competitive with other companies of similar size and scope of operations so as to attract and retain talented executives; and (iii) to align the interests of its executive officers with the long-term interests of the Company and its Securityholders through stock-related programs.

When determining compensation policies and individual compensation levels for executive officers, the Compensation Committee takes into consideration a variety of factors. These factors include overall financial and operating performance of The Company, the Compensation Committee and the Board's overall assessment of each executive's individual performance and contribution towards meeting corporate objectives, levels of responsibility, length of service and industry comparables.

Executive compensation is comprised primarily of a base salary and participation in the Company's Stock Option Plan and employment benefit plans, and may also consist of bonuses and other perquisites which are awarded on an occasional basis.

The salary for each executive officer's position is primarily determined having regard for the incumbent's responsibilities, individual performance factors, overall corporate performance, and the assessment of such individual as presented by management to the Board and the Compensation Committee. The salary is intended to provide the executive officer with a compensation level competitive with base salaries within the industry. Executive officers benefit from improved performance of the Company almost entirely through their participation in the Company Stock Option Plan and from time to time by the receipt of bonuses.

BOARD REVIEW PROCESS

The Board has adopted a policy on Board review process. The Board review process: (a) provides directors with an opportunity once each year to evaluate the Board's and each Board committee's performance and to make suggestions for its improvement; (b) provides an opportunity for the Board to comment on the Chairman's leadership; (c) provides an opportunity for the Chairman to evaluate each director's individual performance and to make suggestions for improvement. The Board review process is overseen by the Board as a whole.

OTHER BOARD COMMITTEES

The Board has no committees other than the audit committee, the compensation committee and the nomination committee.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

APPROVAL OF STOCK OPTION PLAN

The Company has adopted a stock option plan pursuant to which stock options may be granted (the "Plan") and the Plan must be approved by shareholders. The Plan is limited to not more than 10% of the issued shares of the Company (subject to certain other limitations as set out in the Plan) at the time of any granting of options (on a non-diluted basis). This is constituted as a "rolling" as opposed to a "fixed number" plan.

Management of the Company believes that incentive stock options serve an important function in furnishing directors, officers, employees and consultants (collectively the "Eligible Parties") of the Company an opportunity to invest in the Company in a simple and effective manner and better aligning the interests of the Eligible Parties with those of the Company and its shareholders through ownership of shares in the Company.

Vesting and Exercise

The board will generally set vesting provisions it deems appropriate to encourage Eligible Parties to remain aligned with the Company and may grant options conditionally upon the occurrence of certain corporate events. Options must be issued only on terms in accordance with the plan and subject to regulatory approval if required.

A copy of the Plan is available for review at the offices of the Company or the registered offices of the Company, at Suite 700 – 595 Howe Street, Vancouver, BC, V6C 2T5 during normal business hours up to and including the date of the Meeting.

“BE IT RESOLVED THAT, subject to regulatory approval if so required:

1. the Company’s incentive stock option plan (the “Plan”) be and it is hereby approved;
2. the board of directors be authorized to grant options under and subject to the terms and conditions of the Plan to a maximum number of options that may be exercised under the Plan of 10% of the issued common shares of the Company at the date hereof, and
3. the directors and officers of the Company be authorized and directed to perform such acts and deeds and things and execute all such documents, agreements and other writings as may be required to give effect to the true intent of these resolutions.”

OTHER MATTERS

The management of the Company is not aware of any other matter to come before the Meeting other than as set forth in the Notice of the Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed Form of Proxy to vote the shares represented thereby in accordance with their best judgment on such matter.
