Hilltop Cybersecurity Appoints Award-winning Fund Manager and Cybersecurity Pioneer as Advisor

March 20, 2018 – Vancouver, B.C., Canada – Hilltop Cybersecurity Inc. (“Hilltop” or the “Company”). (CSE: CYBX)(OTC: BGGWF), is pleased to announce that it has appointed Bradley Rotter to the Advisory Board. Mr. Rotter has founded and sold several prominent cybersecurity companies, including AirPatrol Corporation, which developed cognitive mobility security technology and was acquired by a defense contractor. He also founded Cyberdeadbolt, which developed and patented a portfolio of security technologies based on human authentication, and was acquired by Rivetz in 2017. In addition, he co-founded Halo Maritime Defense Systems and WatershipBlue Inc. and served on the Board of Sequella Inc. He is the Vice Chairman of Rivetz which is a blockchain focused cyber security company.

Prior to entering the cybersecurity industry, Mr. Rotter was a pioneer in financial futures and was a member of the Chicago Board of Trade. He began investing in hedge funds in 1982. He received industry recognitions and was awarded the Investors Dealer’s Digest private deal of the year. After undergraduate studies at West Point Rotter studied at NYU Graduate School of Business and received his MBA at the University of Chicago.

Corby Marshall, CEO of Hilltop Cybersecurity, said, “We are delighted that Bradley has agreed to join us at such a key time for the industry and the company. As we continue to innovate and expand our suite of cybersecurity and cryptocurrency security products and technology, we are attracting like-minded pioneers in this fast-moving industry and we look forward to the advantages that Bradley’s experience will bring the team.”

Bradley Rotter, commented, “With several patents and industry-firsts, Hilltop Cybersecurity is rapidly emerging as a leader in the cyber and crypto security space. Businesses and consumers, and particularly cryptocurrency users, are only just beginning to wake up to the threat posed by cybercriminals and I will endeavor to help Hilltop catalyze market opportunities while fighting what I call Web War One.”
