## **Hilltop Cybersecurity Announces Board Resignation**

Mar 1, 2019 – Hilltop Cybersecurity Inc. (“Hilltop” or the “Company”). (CSE: CYBX)(OTC: BGGWF) announces that Roger Bodamer, hi-tech visionary and innovator will resign from Hilltop’s Board of Directors. Mr. Bodamer indicated that his departure is due to a potential change in the company’s focus which has diminished his ability to contribute effectively.

Neil Wright, CEO of Hilltop Cybersecurity, said, “We thank Roger for his service to Hilltop and wish him continued success in his future endeavors. Roger has been an appreciated and committed supporter and has helped set a foundation for our technical vision and maturity.”

The Company has developed a unique, patented, cybersecurity platform, designed to protect businesses from external and internal cyber attack, and has also patented its biometric security solution for cryptocurrencies.

### **Cautionary Note Regarding Forward-Looking Information**

This news release contains forward-looking information based on current expectations. Statements about the Company’s plans and intentions, potential transactions, courses of action, and the potential of the technologies, among others, are all forward-looking information. Forward-looking statements consist of statements that are not purely historical, including any statements regarding beliefs, plans, expectations or intentions regarding the future. Such information can generally be identified by the use of forwarding looking wording such as “may”, “expect”, “estimate”, “anticipate”, “intend”, “believe” and “continue” or the negative thereof or similar variations. The reader is cautioned that assumptions used in the preparation of any forward-looking information may prove to be incorrect. Events or circumstances may cause actual results to differ materially from those predicted, as a result of numerous known and unknown risks, uncertainties, and other factors, many of which are beyond the control of the Company, including but not limited to, business, economic and capital market conditions; the ability to manage operating expenses, which may adversely affect the Company’s financial condition; the ability to remain competitive as other better financed competitors develop and release competitive products; regulatory uncertainties; access to equipment; market conditions and the demand and pricing for products; the demand and pricing of products and services; security threats; Hilltop’s ability to successfully define, design and release new products in a timely manner that meet customers’ needs; the ability to attract, retain and motivate qualified personnel; competition in the industry; the impact of technology changes on the products and industry; failure to develop new and innovative products; the ability to successfully maintain and enforce our intellectual property rights and defend third-party claims of infringement of their intellectual property rights; the impact of intellectual property litigation that could materially and adversely affect

the business; the ability to manage working capital; and the dependence on key personnel. Hilltop may not actually achieve its plans, projections, or expectations. Such statements and information are based on numerous assumptions regarding present and future business strategies and the environment in which the Company will operate in the future, including the demand for its products, the ability to successfully develop software, that there will be no regulation or law that will prevent the Company from operating its business, anticipated costs, the ability to achieve goals and the price of bitcoin. Given these risks, uncertainties and assumptions, you should not place undue reliance on these forward-looking statements. The securities of Hilltop are considered highly speculative due to the nature of Hilltop's business. Factors that could cause the actual results to differ materially from those in forward-looking statements include, failure to obtain regulatory approval, the continued availability of capital and financing, failure to obtain any permits required to operate the business, the impact of technology changes on the industry, competition, security threats, consumer sentiment towards Hilltop's products, services and blockchain technology and cryptocurrency generally, failure to develop new and innovative products, litigation, increase in operating costs, increase in labor costs, failure of counterparties to perform their contractual obligations, government regulations, loss of key employees and consultants, and general economic, market or business conditions. Forward-looking statements contained in this news release are expressly qualified by this cautionary statement. The reader is cautioned not to place undue reliance on any forward-looking information. The forward-looking statements contained in this news release are made as of the date of this news release. Except as required by law, the Company disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Additionally, the Company undertakes no obligation to comment on the expectations of, or statements made by, third parties in respect of the matters discussed above.

The CSE has not reviewed and does not accept responsibility for the adequacy or accuracy of this news release.
