**MANAGEMENT INFORMATION CIRCULAR**

as at November 14, 2024

**SOLICITATION OF PROXIES**

**This management information circular (“Circular”) is provided in connection with the solicitation of proxies by management of Genesis AI Corp. (the “Company” or “Genesis”) for use at an annual general and special meeting (the “Meeting”) of the holders (“Shareholders”) of common shares (“Common Shares”) in the capital of the Company.** The Meeting will be held on Thursday, December 19, 2024, at 10:00 AM (Vancouver time) at Suite 750 – 1620 Dickson Ave. Kelowna, BC V1Y 9Y2 or at such other time or place to which the Meeting may be adjourned, for the purposes set forth in the notice of Meeting accompanying this Circular (the “Notice”).

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone, facsimile or other means of electronic communication. In accordance with National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the Common Shares held of record by such persons and the Company may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Company.

These securityholder materials are being sent to both registered and non-registered owners of Common Shares. If you are a non-registered owner of Common Shares, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary (“Intermediary”) holding Common Shares on your behalf.

Accompanying this Circular (and filed with applicable securities regulatory authorities) is a form of proxy for use at the Meeting (a “Proxy”). Each Shareholder who is entitled to attend at meetings of Shareholders is encouraged to participate in the Meeting and all Shareholders are urged to vote on matters to be considered in person or by proxy.

All time references in this Circular are references to Vancouver, British Columbia, Canada time.

**APPOINTMENT AND REVOCATION OF PROXIES**

**Appointment of a Proxy**

**Those Shareholders who wish to be represented at the Meeting by proxy must complete and deliver a proper Proxy to Computershare Investor Services Ltd. (the “Transfer Agent”), at Proxy Department, 100 University Avenue, 8th Floor, Toronto, ON, M5J 2Y1.**

**The persons named as proxyholders in the Proxy accompanying this Circular are directors or officers of the Company, or persons designated by management of the Company, and are representatives of the Company’s management for the Meeting. A Shareholder who wishes to appoint some other person (who need not be a Shareholder) to attend and act for him, her or it and on his, her or its behalf at the Meeting other than the management nominee designated in the Proxy may do so by either: (i) crossing out the names of the management nominees AND legibly printing the other person’s name in the blank space provided in the accompanying Proxy; or (ii) completing another valid form of proxy. In either case, the completed form of proxy must be delivered to the Transfer Agent, at the place and within the time specified herein for the deposit of proxies. A Shareholder who appoints a proxy who is someone other than the management representatives named in the Proxy should notify such alternative nominee of the appointment, obtain the nominee’s consent to act as proxy, and provide instructions on how the Common Shares are to be voted. The nominee should bring personal identification to the Meeting. In any case, the Proxy should be dated and executed by the Shareholder or an attorney authorized in writing, with proof of such authorization attached (where an attorney executed the Proxy).**

---

**In order to validly appoint a proxy, Proxies must be received by the Transfer Agent, at 100 University Avenue, 8th Floor, Toronto, ON, M5J 2Y1, at least 48 hours, excluding Saturdays, Sundays and holidays, prior to the Meeting or any adjournment or postponement thereof.** After such time, the chairman of the Meeting may accept or reject a Proxy delivered to him in his discretion but is under no obligation to accept or reject any particular late Proxy.

### **Revoking a Proxy**

A registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. A Shareholder who has validly given a proxy may revoke it for any matter upon which a vote has not already been cast by the proxyholder appointed therein. In addition to revocation in any other manner permitted by law, a proxy may be revoked with an instrument in writing signed and delivered to either the registered office of the Company or the Transfer Agent at 100 University Avenue, 8th Floor, Toronto, ON, M5J 2Y1, at any time up to and including the last business day preceding the date of the Meeting, or any postponement or adjournment thereof at which the proxy is to be used, or deposited with the chairman of such Meeting on the day of the Meeting, or any postponement or adjournment thereof. The document used to revoke a proxy must be in writing and completed and signed by the Shareholder or his or her attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

Also, a Shareholder who has given a proxy may attend the Meeting in person (or where the Shareholder is a corporation, its authorized representative may attend), revoke the proxy (by indicating such intention to the chairman before the proxy is exercised) and vote in person (or withhold from voting).

Only registered shareholders have the right to revoke a proxy. Non-registered shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their Intermediary to revoke the proxy on their behalf. Intermediaries may have different rules and procedures relating to proxy instructions and non-registered shareholders should contact their Intermediary for additional information.

### **Signature on Proxies**

The Proxy must be executed by the Shareholder or his or her duly appointed attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer whose title must be indicated. A Proxy signed by a person acting as attorney or in some other representative capacity should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has been previously filed with the Company).

### **Voting of Proxies**

Each Shareholder may instruct his, her or its proxy how to vote his, her or its Common Shares by completing the blanks on the Proxy. Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting.

**The Common Shares represented by the enclosed Proxy will be voted or withheld from voting on any motion, by ballot or otherwise, in accordance with any indicated instructions. If a Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. In the absence of such direction, such Common Shares will be voted FOR THE RESOLUTIONS DESCRIBED IN THE PROXY AND BELOW.** If any amendment or variation to the matters identified in the Notice is proposed at the Meeting or any adjournment or postponement thereof, or if any other matters properly come before the Meeting or any adjournment or postponement thereof, the accompanying Proxy confers discretionary authority to vote on such amendments or variations or such other matters according to the best judgment of the appointed proxyholder. Unless otherwise stated, the Common Shares represented by a valid Proxy will be voted in favour of the election of nominees set forth in this Circular except where a vacancy among such nominees occurs prior to the Meeting, in which case, such Common Shares may be voted in favour of another nominee in the proxyholder's discretion. As at the date of this Circular, management of the Company knows of no such amendments or variations or other matters to come before the Meeting.

## Advice to Beneficial Shareholders

**The information set forth in this section is of significant importance to a substantial number of the Shareholders who do not hold their Common Shares in their own names.** Shareholders who do not hold their Common Shares in their own names (referred to in this Circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those shares will not be registered in the Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depositary for Securities Limited, which acts as nominees for many Canadian brokerage firms). Common Shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. **Without specific instructions, the broker/nominees are prohibited from voting shares for their clients. The Company does not know for whose benefit the Common Shares registered in the name of CDS & Co. or other brokers/agents are held.** Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.

Non-registered holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “non-objecting beneficial owners (“**NOBOs**”). Those non-registered holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “objecting beneficial owners” (“**OBOs**”).

The Company does not intend to pay for Intermediaries to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary to OBOs*. As a result, OBOs will not receive the Meeting materials unless their Intermediary assumes the costs of delivery.

Generally, non-registered shareholders who have not waived the right to receive Meeting materials will receive either a voting instruction form or a form of proxy. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically provides a scannable voting instruction form in lieu of the Instrument of Proxy, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the voting instruction forms to Broadridge. Alternatively, Beneficial Shareholders sometimes are provided with a toll-free telephone number or website information to deliver the Beneficial Shareholder’s voting instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting as the voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have the Common Shares voted. Accordingly, it is strongly suggested that Beneficial Shareholders return their completed voting instruction form as directed by Broadridge well in advance of the Meeting.**

**All references to Shareholders in this Circular, the Instrument of Proxy and the Notice are to Shareholders of record unless specifically stated otherwise. Where documents are stated to be available for review or inspection, such items will be made available upon request to registered Shareholders who produce proof of their identity.**

## NOTICE-AND-ACCESS

The Company is not sending the Meeting materials to Shareholders using “notice-and-access”, as defined under NI 54-101—*Communication with Beneficial Owners of Securities of a Reporting Issuer*.

## STOCK OPTION PLANS AND OTHER INCENTIVE PLANS

### EQUITY INCENTIVE PLAN

The Board approved an Equity Incentive Plan on September 5, 2023, which was subsequently approved by shareholders at the shareholder meeting held November 20, 2023.

A summary of certain provisions of the fixed Equity Incentive Plan is set out below, and a full copy of the Equity Incentive Plan is attached to the Information Circular dated October 16, 2023, and filed on SEDAR+ on October 26, 2023. A copy of the Plan is available from the Company, upon request.

#### *ELIGIBILITY*

The Equity Incentive Plan provides flexibility to the company to grant equity-based incentive awards in the form of restricted share units (“**RSUS**”), performance share units (“**PSUS**”) and deferred share units (“**DSUS**”) (collectively, the “**awards**”) to attract, retain and motivate qualified directors, officers, employees and consultants of the company and its subsidiaries, excluding any persons who perform investor relations activities on behalf of the company or any of its subsidiaries (collectively, the “equity incentive plan participants”).

#### *NUMBER OF SHARES ISSUABLE*

The aggregate number of common shares in the capital of the company (each, a “**share**”) that may be issued to equity incentive plan participants under the equity incentive plan may not exceed **6,171,074** subject to adjustment as provided for in the equity incentive plan and approved by disinterested shareholders at a duly called meeting.

#### *LIMITES ON PARTICIPATION*

The equity incentive plan provides for the following limits on grants, for so long as the company is subject to the requirements of the exchange, unless disinterested shareholder approval is obtained or unless permitted otherwise pursuant to the policies of the exchange:

- (i) the maximum number of shares that may be issued to any one equity incentive plan participant (and where permitted pursuant to the policies of the exchange, any company that is wholly owned by the equity incentive plan participant) under the equity incentive plan, together with any other security-based compensation arrangements, within a twelve (12) month period, may not exceed 5% of the issued shares calculated on the date of grant;
- (ii) the maximum number of shares that may be issued to insiders collectively under the equity incentive plan, together with any other security-based compensation arrangements, within a twelve (12) month period, may not exceed 10% of the issued shares calculated on the date of grant; and
- (iii) the maximum number of shares that may be issued to insiders collectively under the equity incentive plan, together with any other security-based compensation arrangements, may not exceed 10% of the issued shares at any time.

For so long as such limitation is required by the Exchange, the maximum number of Shares that may be granted to any one consultant under the Equity Incentive Plan, together with any other security-based compensation arrangements, within a twelve (12) month period, may not exceed 2% of the issued Shares calculated on the date of grant.

#### *ADMINISTRATION*

The plan administrator of the Equity Incentive Plan (the “**Equity Incentive Plan Administrator**”) will be the Board or a committee of the Board, if delegated. The Equity Incentive Plan Administrator will, among other things, determine which directors, officers, employees or consultants are eligible to receive Awards under the Equity Incentive Plan; determine any vesting provisions or other restrictions on Awards; determine conditions under which Awards may be granted, vested or settled, including establishing performance goals; establish the form of Award agreement (“**Award Agreement**”); interpret the Equity Incentive Plan; and make all other determinations and take all other actions necessary or advisable for the implementation and administration of the Equity Incentive Plan.

---

Subject to any required regulatory or shareholder approvals, the Equity Incentive Plan Administrator may also, from time to time, without notice to or without approval of the Shareholders or the Equity Incentive Plan Participants, amend, modify, change, suspend or terminate the Awards granted pursuant thereto as it, in its discretion, determines appropriate, provided that no such amendment, modification, change, suspension or termination of the Equity Incentive Plan or any Award granted pursuant thereto may materially impair any rights of an Equity Incentive Plan Participant or materially increase any obligations of an Equity Incentive Plan Participant under the Equity Incentive Plan without the consent of such Equity Incentive Plan Participant, unless the Equity Incentive Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements or as otherwise permitted pursuant to the Equity Incentive Plan.

All of the Awards are subject to the conditions, limitations, restrictions, vesting, settlement and forfeiture provisions determined by the Equity Incentive Plan Administrator, in its sole discretion, subject to such limitations provided in the Equity Incentive Plan and will be evidenced by an Award Agreement. In addition, subject to the limitations provided in the Equity Incentive Plan and in accordance with applicable law, the Equity Incentive Plan Administrator may accelerate the vesting or payment of Awards, cancel or modify outstanding Awards and waive any condition imposed with respect to Awards or Shares issued pursuant to Awards.

Subject to the terms and conditions of the Equity Incentive Plan, the Plan Administrator, may, in its discretion, credit outstanding Share Units and DSUs with dividend equivalents in the form of additional Share Units and DSUs, respectively, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Dividend equivalents credited to an Equity Incentive Plan Participant's accounts shall vest in proportion to the Share Units and DSUs to which they relate, and shall be settled in accordance with terms of the Plan. Where the issuance of Shares pursuant to the settlement of dividend equivalents will result in the Company having insufficient Shares available for issuance or would result in the Company breaching its limits on grants of Awards, as set out above, the Company shall settle such dividend equivalents in cash.

#### *SETTLEMENT OF VESTED SHARE UNITS*

The Equity Incentive Plan provides for the grant of restricted share units (each, a “**RSU**”). A RSU is a unit equivalent in value to a Share which entitles the holder to receive one Share, or cash, or a combination thereof for each vested RSU. RSUs shall, unless otherwise determined by the Equity Incentive Plan Administrator, and as specifically set out in the Award Agreement, vest, if at all, following a period of continuous employment of the Equity Incentive Plan Participant with the Company or a subsidiary of the Company.

The Equity Incentive Plan also provides for the grant of performance share units (each, a “**PSU**”, together with **RSUs**, the “**Share Units**”), which entitles the holder to receive one Share, or cash, or a combination thereof, for each vested PSU. PSUs shall, unless otherwise determined by the Equity Incentive Plan Administrator, and as specifically set out in the Award Agreement, vest, if at all, subject to the attainment of certain performance goals and satisfaction of such other conditions to vesting, if any, as many be determined by the Equity Incentive Plan Administrator.

Except where an Equity Incentive Plan Participant dies or ceases to be an Equity Incentive Plan Participant due to a change in control of the Company, no Share Unit shall vest prior to the first anniversary of its date of grant. Upon settlement of the Share Units, which shall be within sixty (60) days of the date that the applicable vesting criteria are met, deemed to have been met or waived, and in any event no later than three years following the end of the year in respect of which the Share Units are granted, holders of the Share Units will receive any, or a combination of, the following (as determined solely at the discretion of the Equity Incentive Plan Administrator):

- (i) one fully paid and non-assessable Share issued from treasury in respect of each vested Share Unit; or
- (ii) a cash payment, which shall be determined by multiplying the number of Share Units redeemed for cash by the market value of a Share (calculated with reference to the five (5) day volume weighted average trading price, and subject to a minimum price as set out in the Equity Incentive Plan) (the “**Market Price**”) on the date of settlement.

The Company reserves the right to change its allocation of Shares and/or cash payment in respect of a Share Unit settlement at any time up until payment is actually made. If a settlement date for an Share Unit occurs during a trading black-out period imposed by the Company to restrict trades in its securities, then, notwithstanding any other provision of the Equity Incentive Plan, the Share Unit shall be settled no more than ten (10) business days after the trading black-out period is lifted by the Company, subject to certain exceptions.

---

### SETTLEMENT OF VESTED DSUS

The Equity Incentive Plan also provides for the grant of deferred share units (each, a “DSU”). A DSU is a unit equivalent in value to a Share which entitles the holder to receive one Share, or cash, or a combination thereof, for each vested DSU on a future date following the Equity Incentive Plan Participant’s separation of services from the Company or its subsidiaries. Except where an Equity Incentive Plan Participant dies or ceases to be an Equity Incentive Plan Participant due to a change in control of the Company and as set out below, no DSU shall vest prior to the first anniversary of its date of grant. Upon settlement of the DSUs, which shall be no earlier than the date of the Equity Incentive Plan Participant’s termination of services to the Company or its subsidiaries and no later than one (1) year after such date, holders of DSUs will receive any or a combination of the following (as determined solely at the discretion of the Equity Incentive Plan Administrator):

- (i) one (1) fully paid and non-assessable Share issued from treasury in respect of each vested DSU; or
- (ii) a cash payment, determined by multiplying the number of DSUs redeemed for cash by the Market Price of a Share on the date of settlement.

In addition to grants made by the Equity Incentive Plan Administrator to all Equity Incentive Plan Participants, directors of the Company may elect, subject to acceptance by the Company, in whole or in part, of such election, to receive any portion of their director’s fees to be payable in DSUs. The Company reserves the right to change its allocation of Shares and/or cash payment in respect of a DSU settlement at any time up until payment is actually made. If a settlement date for a DSU occurs during a trading black-out period imposed by the Company to restrict trades in its securities, then, notwithstanding any other provision of the Equity Incentive Plan, the DSU shall be settled no more than ten (10) business days after the trading black-out period is lifted by the Company, subject to certain exceptions.

### TERMINATION OF EMPLOYMENT OR SERVICES AND CHANGE IN CONTROL

The following describes the impact of certain events that may, unless otherwise determined by the Equity Incentive Plan Administrator or as set forth in an Award Agreement, lead to the early expiry of Awards granted under the Equity Incentive Plan. Any Awards granted to an Equity Incentive Plan Participant under the Equity Incentive Plan shall terminate at a date no later than twelve (12) months from the date such Equity Incentive Plan Participant ceases to be an Equity Incentive Plan Participant.

Termination by the Company for cause:	Forfeiture of all unvested Awards. The Plan Administrator may determine that all vested Awards shall be forfeited, failing which all vested Awards shall be settled in accordance with the Equity Incentive Plan.
Voluntary resignation of an Equity Incentive Plan Participant:	Forfeiture of all unvested Awards. Settlement of all vested Awards in accordance with the Equity Incentive Plan.
Termination by the Company other than for cause:	Acceleration of vesting of a portion of unvested Awards in accordance with a prescribed formula as set out in the Equity Incentive Plan. Forfeiture of the remaining unvested Awards. Settlement of all vested Awards in accordance with the Equity Incentive Plan.
Death or disability of an Equity Incentive Plan Participant:	Acceleration of vesting of all unvested Awards. Settlement of all vested Awards in accordance with the Equity Incentive Plan.
Termination or voluntary resignation for good reason within twelve (12) months of a change in control:	Acceleration of vesting of all unvested Awards. Settlement of all vested Awards in accordance with the Equity Incentive Plan.

In the event of a triggering event, which includes a change in control, dissolution or winding-up of the Company, a material alteration of the capital structure of the Company and a disposition of substantially all of the Company’s assets, the Plan Administrator may, without the consent of the Equity Incentive Plan Participant, cause all or a portion of the Awards granted to terminate upon the occurrence of such event, subject to any necessary approvals.

### AMENDMENT OR TERMINATION OF THE EQUITY INCENTIVE PLAN

Subject to the approval of the Exchange, where required, the Equity Plan Administrator may from time to time, without notice to or approval of the Equity Incentive Plan Participants or Shareholders, terminate the Equity Incentive Plan. Amendments made to the Equity Incentive Plan shall require regulatory and Shareholder approval, except for amendments to: (i) fix typographical errors; and (ii) clarify existing provisions of the Equity Incentive Plan and which do not have the effect of altering the scope, nature and intent of such provisions.

## Employment, Consulting and Management Agreements

There are no written employment contracts between the Company and any Named Executive Officer or director. There are no compensatory plans(s) or arrangements(s) with respect to the Named Executive Officers or directors resulting from the resignation, retirement or any other termination of employment of the officer or director's employment or from a change of any Named Executive Officer or director's responsibilities following a change in control.

## Oversight and description of director and named executive officer compensation

---

## MANAGEMENT CONTRACTS

Management functions of the Company are not to any substantial degree performed by anyone other than by the directors or executive officers of the Company.

## STATEMENT OF CORPORATE GOVERNANCE

### Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and charged with the day to day management of the Company. The Canadian Securities Administrators (“CSA”) have adopted National Policy 58-201 Corporate Governance Guidelines, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA have implemented National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”), which prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

### Board of Directors

The composition of the Board currently consists of the following three (3) members: Devinder Randhawa, Jamie Bannerman and Jordan Potts. It is proposed that all three individuals will be nominated at the Meeting.

A director is independent if he or she has no direct or indirect “material relationship” with the Company. A “material relationship” is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director’s independent judgment. Of the proposed nominees, Devinder Randhawa, CEO, is considered to be non-independent.

### Other Directorships

The following table sets forth the directors of the Company who are directors or officers of other reporting issuers as at the date of this Circular:

Name	Name of other reporting issuer
Devinder Randhawa	F3 Uranium Corp.; Shine Minerals Corp.; Strathmore Plus Uranium Corporation; F4 Uranium Corp.
Jamie Bannerman	Shine Minerals Corp.
Jordan Potts	Shine Minerals Corp.; Strathmore Plus Uranium

### Orientation and Continuing Education

Orientation of new members of the Board is conducted informally by Management and members of the Board. The Company has not adopted formal policies respecting continuing education for Board members.

### Ethical Business Conduct

Some of the directors of the Company also serve as directors and officers of other companies engaged in similar business activities. As such, the Board must comply with the conflict of interest provisions of the British Columbia *Business Corporations Act*, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director is required to declare the nature and extent of his interest and is not entitled to vote at meetings of directors which evoke any such conflict.

### Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual general meeting. The Board takes into account the number of directors required to carry out the Board’s duties effectively and to maintain diversity of views and experience. The Board has not established a nominating committee and this function is currently performed by the Board as a whole.

---

## Compensation

To determine compensation payable, the board will review compensation paid for directors and executive officers of companies of similar size and stage of development in the mineral exploration industry and determine an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of the Company. In setting the compensation, the board intends to annually review the performance of the senior officers in light of the Company's objectives and consider other factors that may have impacted the success of the Company in achieving its objectives.

## Board Committees

The Board currently has no standing committees other than the Audit Committee. The Audit Committee is appointed by the Board to assist in monitoring: (i) the integrity of the financial statements of the Company; (ii) the compliance by the Company with the legal and regulatory requirements; and (iii) the qualification, appointment, independence and performance of the Company's external auditors and senior financial executives.

## Assessments

Neither the Company nor the Board has determined formal means or methods to regularly assess the Board, its Audit Committee, or the individual directors with respect to their effectiveness and contributions. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of an individual director is informally monitored by the other Board members, having in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

## AUDIT COMMITTEE

### Audit Committee Disclosure

Pursuant to Section 224(1) of the *Business Corporations Act* (British Columbia) and National Instrument 52-110 of the Canadian Securities Administrators ("NI 52-110") the Company is required to have an audit committee (the "Committee") comprised of not less than three directors, a majority of whom are not officers, control persons or employees of the Company or an affiliate of the Company. NI 52-110 requires the Company, as a venture issuer, to disclose annually in its Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth below.

The primary function of the Committee is to assist the Board in fulfilling its financial oversight responsibilities by: (i) reviewing the financial reports and other financial information provided by the Company to regulatory authorities and Shareholders; (ii) reviewing the systems for internal corporate controls which have been established by the Board and management; and (iii) overseeing the Company's financial reporting processes generally. In meeting these responsibilities the Committee monitors the financial reporting process and internal control system; reviews and appraises the work of external auditors and provides an avenue of communication between the external auditors, senior management and the Board. The Committee is also mandated to review and approve all material related party transactions.

### Composition of the Audit Committee

The Committee is comprised of the following members: Jamie Bannerman and Jordan Potts are independent and Devinder Randhawa is considered not to be independent. Each member of the Committee is considered to be financially literate, as defined by NI 52-110, in that they have the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Committee are elected by the Board at its first meeting following the annual Shareholders' meeting. Unless a chair is elected by the full Board, the members of the Committee designate a chair by a majority vote of the full Committee membership.

### Relevant Education and Experience

All three Committee members have the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements and are therefore considered "financially literate".

Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non- audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non- audit services were provided. Sections 6.1.1(4) to 6.1.1(6) relate to the composition of the Committee. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

### **Pre-Approval Policies and Procedures**

The Committee has not adopted specific policies and procedures for the engagement of non-audit services. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by the Board, and where applicable the Committee, on a case-by-case basis.

### **External Auditor Service Fees**

In the following table, “audit fees” are fees billed by the Company’s external auditor for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-related fees” are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements. “Tax fees” are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. “All other fees” are fees billed by the auditor for products and services not included in the foregoing categories.

### **Exemption**

The Company is relying on the exemption provided by section 6.1 of NI 52-110 which provides that the Company, as a venture issuer, is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

  - (i) the closing trading price of the Shares on the day immediately preceding the issuance of the news release announcing the grant of the Option, or
  - (ii) if, in accordance with the policies of the CSE, the Corporation is not required to issue a news release to announce the grant and exercise price of the Option, the closing trading price of the Shares on the day immediately preceding the Date of Grant,

and may be less than this price if it is within the discounts permitted by the applicable Regulatory Authorities;

- (b) if the Shares are listed on more than one organized trading facility, the Market Price shall be the Market Price as determined in accordance with subparagraph (a) above for the primary organized trading facility on which the Shares are listed, as determined by the Plan Administrator, subject to any adjustments as may be required to secure all necessary Regulatory Approvals;
- (c) if the Shares are listed on one or more organized trading facilities but have not traded during the ten trading days immediately preceding the Grant Date, then the Market Price will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Plan Administrator; and
- (d) if the Shares are not listed on any organized trading facility, then the Market Price will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Plan Administrator to be the fair value of the Shares, taking into consideration all factors that the Plan Administrator deems appropriate, including, without limitation, recent sale and offer prices of the Shares in private transactions negotiated at arms' length.

Notwithstanding anything else contained herein, in no case will the Market Price be less than the minimum prescribed by each of the organized trading facilities that would apply to the Corporation on the Date of Grant in question.

#### 4.6 Vesting of Options and Acceleration

Subject to the limitations in Section 3.8 and all applicable Regulatory Rules, the vesting schedule for an Option, if any, shall be determined by the Plan Administrator and shall be set out in the Option Certificate issued in respect of the Option. The Plan Administrator may elect, at any time, to accelerate the vesting schedule of one or more Options including, without limitation, on a Triggering Event, and such acceleration will not be considered an amendment to the Option in question requiring the consent of the Participant under Section 8.2 of the Plan. Notwithstanding the foregoing, if the Corporation is listed on the CSE, no acceleration to the vesting schedule of one or more Options granted to an Investor Relations Service Provider can be made without the prior written acceptance of the CSE.

#### 4.7 Additional Terms

Subject to all applicable Regulatory Rules and all necessary Regulatory Approvals, the Plan Administrator may attach additional terms and conditions to the grant of a particular Option, such terms and conditions to be set out in the Option Certificate. The Option Certificates will be issued for convenience only, and in the case of a dispute with regard to any matter in respect thereof, the provisions of the Plan and the records of the Corporation shall prevail over the terms and conditions in the Option Certificate.

#### 4.8 Exercise of Options

An Option may be exercised only by the Participant or the Personal Representative of any Participant. A Participant or the Personal Representative of any Participant may exercise an Option in whole or in part at any time and from time to time during the Exercise Period up to the Expiry Time on the Expiry Date by delivering to the Plan Administrator the required Exercise Notice, the applicable Option Certificate and one of following forms of consideration, subject to Applicable Laws:

- (a) *Cash Exercise* - Consideration may be paid by a Participant sending a wire transfer, certified cheque or bank draft payable to the Corporation in an amount equal to the aggregate Exercise Price of the Shares then being purchased pursuant to the exercise of the Option.

- (b) *Cashless Exercise* - Subject to approval from the Plan Administrator and further subject to the Shares being traded on the Exchange, consideration may be paid by a Participant as follows: (i) a brokerage firm loans money to the Participant in order for the Participant to exercise Options to acquire the underlying Shares (the “**Loan**”); (ii) the brokerage firm then sells a sufficient number of Shares to cover the Exercise Price of the Options that were exercised by the Participant in order to repay the Loan; and (iii) the brokerage firm receives an equivalent number of Shares from the exercise of the Options and the Participant receives the balance of the Shares or the cash proceeds from the balance of such Shares.
- (c) *Net Settlement* - Subject to approval from the Plan Administrator and further subject to the Shares being traded on the Exchange, a Participant, excluding Investor Relations Service Providers, only receives the number of Shares that is equal to the quotient obtained by dividing: (i) the product of the number of Options being exercised of multiplied by the difference between the VWAP of the underlying Shares and the Exercise Price of the subject Options, by (ii) the VWAP of the underlying Shares.

In the event of a Cashless Exercise or Net Settlement, the number of Options exercised, surrendered or converted of, and not the number of Shares actually issued by the Corporation, must be included in calculating the limits set forth in Sections 3.7, 3.8(a), 3.8(b) and 3.8(c).

#### 4.9 **Issue of Share Certificates or Direct Registration Statements**

As soon as reasonably practicable following the receipt of the Exercise Notice, the Plan Administrator shall cause to be delivered to the Participant a certificate or direct registration statement for the Shares so purchased. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Plan Administrator shall also provide a new Option Certificate for the balance of Shares available under the Option to the Participant concurrent with delivery of the certificate or direct registration statement for the Shares.

#### 4.10 **Termination of Options**

Subject to such other terms or conditions that may be attached to Options granted hereunder, a Participant may exercise an Option in whole or in part at any time and from time to time during the Exercise Period. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of the Expiry Time on the Expiry Date. The Expiry Date of an Option shall be the earlier of the date so fixed by the Plan Administrator at the time the Option is granted as set out in the Option Certificate and the date established, if applicable, pursuant to Article 6.

### **ARTICLE 5 ADDITIONAL OPTION TERMS**

#### 5.1 **Black-Out Period**

If the Expiry Date for an Option occurs during the Black-Out period, then, notwithstanding any other provision of the Plan, the Option shall be extended no more than ten Business Days after the date the Black-Out is lifted by the Corporation, unless the delayed expiration would result in tax penalties or the Participant or the Corporation is subject to a cease trade order in respect of the Corporation’s securities.

#### 5.2 **Withholding Taxes**

The granting, vesting or exercise of each Option under the Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or exercise, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such

circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or a Subsidiary of the Corporation is obliged to remit to the relevant taxing authority in respect of the granting, vesting or exercise of the Option. Any such additional payment is due no later than the date on which such amount with respect to the Option is required to be remitted to the relevant tax authority by the Corporation or a Subsidiary of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (a) withhold such amount from any remuneration or other amount payable by the Corporation or a Subsidiary of the Corporation to the Participant, (b) require the sale of a number of Shares issued upon exercise or settlement of such Option and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy such amount or (c) enter into any other suitable arrangements for the receipt of such amount. For greater certainty, the application of this Section 5.2 to any granting, vesting, exercise or settlement of an Option shall not conflict with the policies of the Exchange that are in effect at the relevant time and the Corporation will obtain prior Exchange acceptance and/or Shareholder Approval of any application of this Section 5.2 if required pursuant to such policies.

Participants (or their beneficiaries) shall be responsible for all taxes with respect to any Options granted under the Plan, whether arising as a result of the grant or payment in respect of the Option or otherwise. The Corporation, the Plan Administrator and the Board make no guarantees to any Person regarding the tax treatment of an Option or issuances of Shares and none of the Corporation, the Board, the Plan Administrator or any of the Executives, Employees, Consultants, agents, advisors or representatives of the Corporation or the Subsidiary of the Corporation shall have any liability to a Participant with respect thereto.

### 5.3 **Recoupment**

Notwithstanding any other terms of the Plan, Options may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or a Subsidiary of the Corporation and in effect at the Date of Grant of the Option, or as otherwise required by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 5.3 to any Participant or category of Participants.

### 5.4 **No Other Benefit**

- (a) No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share or the value of any Option granted, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.
- (b) The Corporation makes no representations or warranties to Participants with respect to the Plan or any Options whatsoever. Participants are expressly advised that the value of any Options issued pursuant to the Plan will fluctuate as the trading price of the Shares fluctuates.
- (c) In seeking the benefits of participation in the Plan, the Participant shall exclusively accept all risks associated with a decline in the trading price of the Shares and all other risks associated with the holding of any Options.

## **ARTICLE 6 TERMINATION OF EMPLOYMENT OR SERVICES**

### 6.1 **Termination of Participant**

Subject to Article 7 and unless otherwise determined by the Plan Administrator or as set forth in an Option Certificate:

- (a) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, then each Option held by the Participant that has not

Vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. The Plan Administrator, in its discretion, shall determine the effect of all matters and questions relating to whether a Participant has been discharged for Cause. In addition, where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, the Plan Administrator may, in its discretion, determine that all Options held by the Participant that have Vested as of the Termination Date shall immediately become forfeited, cancelled, null and void, failing which, all Options held by the Participant that have Vested as of the Termination Date shall be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of:

- (i) the Expiry Date;
  - (ii) a date determined by the Plan Administrator in its discretion; and
  - (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;
- (b) where a Participant ceases to hold office or his or her position, as applicable, by reason of voluntary resignation by the Participant, then each Option held by the Participant that has not Vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. All Options held by the Participant that have Vested as of the Termination Date shall be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;
- (c) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice); then:
- (i) a portion of any Options held by the Participant that are not yet Vested shall immediately vest, with such portion to be equal to the number of unvested Options multiplied by a fraction the numerator of which is the number of days between the Date of Grant and the Termination Date and the denominator of which is the number of days between the Date of Grant and the date the unvested Options were originally scheduled to vest. For clarity and by way of example, if a Participant's employment is terminated 400 days following the Date of Grant and unvested Options were originally scheduled to vest 600 days from the Date of Grant, two-thirds of the unvested Options will immediately vest;
  - (ii) subject to Section 6.1(c)(i), any Options held by the Participant that are not yet Vested at the Termination Date after the application of Section 6.1(c)(i) shall be immediately forfeited to the Corporation; and
  - (iii) any Options held by the Participant that have Vested as of the Termination Date or Vested pursuant to Section 6.1(c)(i) shall be settled in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;

- (d) notwithstanding that such date may be prior to the Termination Date, a Participant's eligibility to receive further grants of Options under the Plan ceases as of the date that: (i) the Corporation or a Subsidiary of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment or services are terminated in the circumstances contemplated by this Section 6.1, or (ii) the Participant provides the Corporation or a Subsidiary of the Corporation, as the case may be, with written notification of the Participant's voluntary resignation;
- (e) unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Options shall not be affected by a change of employment agreement or arrangement, or directorship within or among the Corporation or a Subsidiary of the Corporation for so long as the Participant continues to be an Executive, Employee or Consultant, as applicable, of the Corporation or a Subsidiary of the Corporation.

## 6.2 Leave of Absence

If a Participant is on sick leave or other bona fide leave of absence, such Participant shall continue to be deemed a "Participant" for the purposes of an outstanding Option during the period of such leave, provided that it does not exceed 90 days (or such longer period as may be determined by the Plan Administrator in its discretion). If the period of leave exceeds 90 days (or such longer period as may be determined by the Plan Administrator in its discretion), the relationship shall be deemed to have been terminated by the Participant voluntarily on the 91st day (or the first day immediately following any period of leave in excess of 90 days as approved by the Plan Administrator) of such leave, unless the Participant's right to reemployment or reengagement of services with the Corporation or a Subsidiary of the Corporation, as applicable, is guaranteed by statute or contract.

## 6.3 Death or Disability

Where a Participant's employment or services are terminated by reason of the death of the Participant or the Participant becomes Disabled, then each Option held by the Participant that has not Vested as of the date of the death or Disability, as applicable, of such Participant shall vest on such date, and be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; and (ii) first anniversary of the date of the death or Disability of the Participant. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period. A Participant's eligibility to receive further grants of Options under the Plan ceases as of the date of the death or Disability of the Participant.

## 6.4 Discretion to Permit Acceleration

Notwithstanding the provisions of this Article 6, subject to any necessary Regulatory Approvals and, in the case of Options granted to Investor Relations Service Providers, Section 3.8(d) and Section 4.6, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in Article 6, permit the acceleration of vesting of any or all Options, all in the manner and on the terms as may be authorized by the Plan Administrator, and if such discretion is taken and the vesting of any or all Options occurs, then such Options will be exercised in accordance with Section 4.8.

**ARTICLE 7**  
**EVENTS AFFECTING THE CORPORATION**

**7.1 Change in Control**

Except as may be set forth in an employment agreement or other written agreement between the Corporation or a Subsidiary of the Corporation and the Participant and subject to any necessary Regulatory Approvals:

- (a) Unless determined otherwise by the Plan Administrator, if within 12 months following the completion of a transaction resulting in a Change in Control, (i) a Participant's employment or directorship is terminated by the Corporation or a Subsidiary of the Corporation without Cause or (ii) a Participant resigns for Good Reason, without any action by the Plan Administrator, the vesting of all Options held by such Participant shall immediately accelerate and vest on the date of such Participant's termination or resignation for Good Reason and the Options shall be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period.
  
- (b) Notwithstanding Section 7.1(a), the Plan Administrator may, without the consent of any Participant, and subject to prior CSE acceptance pursuant to Section 8.2(a), as applicable, take such steps as it deems necessary or desirable in connection with a Change in Control, including, without limitation, to cause: (i) the conversion or exchange of any outstanding Options into or for, rights or other securities of substantially equivalent value (or greater value), as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Options to vest and become realizable, or payable; (iii) restrictions applicable to an Option to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control; (iv) the termination of an Option in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the settlement of such Option or realization of the Participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the settlement of such Option or realization of the Participant's rights, then such Option may be terminated by the Corporation without payment); (v) the replacement of such Option with other rights or property selected by the Board in its discretion; or (vi) any combination of the foregoing. In taking any of the actions permitted under this Section 7.1(a), the Plan Administrator will not be required to treat all Options similarly in the transaction.

**7.2 Triggering Events**

Subject to any necessary Regulatory Approvals and notwithstanding any other provisions of the Plan or any Option Certificate, the Plan Administrator may, without the consent of the Participant in question cause all or a portion of any of the Options granted under the Plan to terminate upon the occurrence of a Triggering Event, provided that the Corporation must give written notice to the Participant in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Participant the opportunity to exercise the Vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Corporation proposes to terminate shall become immediately exercisable notwithstanding any contingent vesting provision to which such Options may have otherwise been subject.

### 7.3 **Reorganization of Corporation's Capital**

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control, or in the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control, that would warrant the amendment or replacement of any existing Options in order to adjust the number of Shares that may be acquired on the vesting of outstanding Options and/or the terms of any Option in order to preserve proportionately the rights and obligations of the Participants holding such Options, the Plan Administrator may, subject to the prior approval of the Exchange, if required, authorize such steps to be taken as it may consider to be equitable and appropriate to that end, including, but not limited to, permitting the immediate vesting of any unvested Options and amending the Exercise Price payable per Share.

### 7.4 **Assumptions of Options in Acquisitions**

Notwithstanding any other provision of the Plan, in connection with a Reverse Takeover, a Change of Business, a Reorganization or an acquisition pursuant to Policy 5.3 – *Acquisitions and Dispositions of Non-Cash Assets* of the CSE Policies, subject to prior CSE acceptance, security based compensation of a target Company may be cancelled and replaced with substantially equivalent Options under the Plan without Shareholder Approval, provided that: (a) the number of Shares issuable pursuant to the Options (and their applicable exercise price) is adjusted in accordance with the share exchange ratio applicable to the particular transaction, regardless of whether the adjusted exercise price is below the current Market Price; and (b) any other applicable policies of the CSE have been complied with.

### 7.5 **No Restriction on Action**

The existence of the Plan and of any Options granted hereunder shall not affect, limit or restrict in any way the right or power of the Corporation, the Board or the Corporation's shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Corporation or to create or issue any bonds, debentures, shares or other securities of the Corporation or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise. No Participant or any other Person shall have any claim against any member of the Committee or the Corporation or any Employees, Officers or agents of the Corporation as a result of any such action.

### 7.6 **Issue by Corporation of Additional Shares**

Except as expressly provided in this Article 7, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Options.

### 7.7 **Fractions**

No fractional Shares will be issued pursuant to an Option. Accordingly, if, as a result of any adjustment under this Article 7, a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares (rounded down to the nearest whole number) and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

**ARTICLE 8**  
**AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN**

**8.1 Discretion of the Plan Administrator**

Subject to any Regulatory Approvals, including, where required, the approval of the CSE and to Section 8.2, the Plan Administrator may, from time to time, without notice to or approval of the Participants or of the shareholders of the Corporation, amend, modify, change, suspend or terminate the Plan or any Options granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that, no such amendment, modification, change, suspension or termination of the Plan or any Options granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any Applicable Laws or Exchange requirements or as otherwise set out in the Plan.

**8.2 Amendment of Option or Plan**

Notwithstanding Section 8.1 and subject to any rules of the Exchange, if the Corporation is listed on the CSE, the following limitations shall apply to the Plan and all Options thereunder so long as such limitations are required by the CSE:

- (a) any adjustment to Options, other than in connection with a security consolidation or security split, is subject to the prior acceptance of the CSE;
- (b) any amendment to the Plan is subject to the prior acceptance of the CSE, except for amendments to: (i) reduce the number of Shares that may be issued under the Plan, (ii) increase the Exercise Price of Options, or (iii) cancel Options;
- (c) subject to any rules of the CSE, approval of shareholders of the Corporation shall be required for any amendment to the Plan except for amendments to: (i) fix typographical errors, and (ii) clarify existing provisions of the Plan and which do not have the effect of altering the scope, nature and intent of such provisions; and
- (d) any reduction in the Exercise Price of an Option, or extension to the Expiry Date of an Option, held by an Insider at the time of the proposed amendment is subject to Disinterested Shareholder Approval in accordance with the policies of the CSE.

**ARTICLE 9**  
**MISCELLANEOUS**

**9.1 Legal Requirement**

The Corporation is not obligated to grant any Options, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

**9.2 Rights of Participant**

construed as giving a Participant a right to remain as an Executive, Employee or Consultant of the Corporation or a Subsidiary of the Corporation. Neither the Participant nor such Participant's Personal Representatives shall have any rights whatsoever as a shareholder of the Corporation in respect of Shares issuable pursuant to any Option until the allotment and issuance to such Participant or the liquidator, executor or administrator, as

the case may be, of the estate of such Participant, of certificates representing such Shares (or in the case of Shares issued in uncertificated form, receipt of evidence of a book position on the register of the shareholders of the Corporation maintained by the transfer agent and registrar of the Corporation).

### 9.3 **Conflict**

In the event of any conflict between the provisions of the Plan and the provisions of an Option Certificate, an employment agreement or another written agreement between the Corporation or a Subsidiary of the Corporation and a Participant, the provisions of the Plan shall govern.

### 9.4 **Anti-Hedging Policy**

By accepting the Option, each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Options.

### 9.5 **No Guarantee of Tax Consequences**

Neither the Plan Administrator nor the Corporation makes any commitment or guarantee that any specific tax treatment will apply or be available to the Participants.

### 9.6 **Participant Information**

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such Persons (including Persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

### 9.7 **Participation in the Plan**

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant.

### 9.8 **Successors and Assigns**

The Plan shall be binding on all successors and assigns of the Corporation and its affiliates.

### 9.9 **Severability**

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

### 9.10 Notices

All written notices to be given by the Participant to the Corporation shall be delivered by (a) hand or courier, with all fees and postage prepaid, addressed using the information specified below, or designated otherwise by the Corporation in writing; or (b) email to the email address that the parties regularly use to correspond with one another or to any other email address specified by the Corporation in writing to the Participant:

### 9.11 Effective Date and Replacement

The Plan shall become effective upon the receipt of all required shareholder and regulatory approvals, being the Effective Date, and will replace the Prior Plan. All awards granted under the Prior Plan and which remain outstanding at the Effective Date will remain in full force and effect in accordance with their terms; however, following the Effective Date, no additional grants shall be made under the Prior Plan, and the Prior Plan will terminate on the date upon which no further Outstanding Options remain outstanding.

### 9.12 Governing Law

The Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

### 9.13 Submission to Jurisdiction

The Corporation and each Participant irrevocably submits to the exclusive jurisdiction of the courts of competent jurisdiction in the Province of British Columbia in respect of any action or proceeding relating in any way to the Plan, including with respect to the grant of Options and any issuance of Shares made in accordance with the Plan.
