Liberty Leaf Holdings Retains Leading California Cannabis Law Firm

Vancouver, BC – November 3, 2016: Liberty Leaf Holdings Ltd. (formerly Weststar Resources Corp.) (CSE: LIB) has retained the services of a San Francisco based, cannabis-focused law firm. The law firm will help Liberty Leaf conduct due-diligence on its recently announced Memorandum of Understanding with California-based Cannabis Botanical Group (“CBG”).

CBG is an industry first mover in the licensed production, cultivation and distribution of “high-grade” medicinal and/or recreational cannabis.

Will Rascan, CEO & President of Liberty Leaf stated: “We are pleased to be working with one of California’s go-to cannabis law firms. We are confident that by engaging the appropriate legal counsel, Liberty Leaf can compress the timeline in its due-diligence process, with the goal of securing terms and a definitive agreement well within its 90 day period.”

California Cannabis Market

California became the first medical cannabis state in 1996 when voters passed Proposition 215 and now has a well-established medical cannabis market.
