NEWS RELEASE
TSX.V: CCW.H

CCT to Acquire Mezzi Canada Inc.

April 25, 2014: CCT Capital Ltd. ("CCT" or the "Company") (TSX-V: CCW.H) announces that it has entered into a letter of intent effective April 23, 2014 (the "LOI"), pursuant to which the Company has agreed to acquire (the "Acquisition") all of the issued and outstanding securities of Mezzi Canada Inc. ("Mezzi"), an arm's-length party (the "Business Combination"). It is presently contemplated that the Business Combination will proceed by way of a three-cornered amalgamation in which Mezzi will amalgamate with a wholly-owned subsidiary of CCT, and the amalgamated company will become a wholly-owned subsidiary of the resulting issuer.

Mezzi is a privately held designer and marketer of luxury luggage products, incorporated under the laws of Canada. Mezzi currently has 6,000,000 common shares and 10,000 preferred shares issued and outstanding. Prior to completion of the Business Combination, no person will hold a controlling interest in Mezzi. Pursuant to the terms of the Business Combination, each common shareholder of Mezzi will be entitled to receive one common share of CCT in exchange for every one common share of Mezzi that they hold. It is also a condition of the proposed transaction that all existing preferred shares of Mezzi be cancelled without additional consideration and that, subject to the approval of the TSX Venture Exchange (the "Exchange"), CCT provide bridge financing to Mezzi in the amount of \$125,000.

In connection with the proposed Business Combination, the Company intends to complete a private placement financing (the "Financing"), through the issuance of up to 14,000,000 subscription receipts, at a price of \$0.20 per receipt, for gross proceeds of \$2,800,000. Each subscription receipt will automatically convert into one common share of the Company, upon completion of the Business Combination.

Mezzi was established in 2012 by David Mezheritsky, who remains a director and is the controlling shareholder of Mezzi. Mezzi is headquartered and conducts its operations in Richmond, British Columbia, and specializes in the innovation, production and marketing of luxury lifestyle products and accessories. For more information, visit: www.mezzi.com. Further information on Mezzi, including current financial statements, will be filed and posted on SEDAR upon the completion of a filing statement that will be prepared in connection with the Business Combination.

In addition to offering luxury lifestyle products such as handbags, duffle bags and rolling luggage, each Mezzi product will be equipped with a cutting edge technology making it the first true smart luxury brand. Each piece will wirelessly connect to your smart phone, providing a completely new customer experience.

The Business Combination will constitute a change of business for the Company under the policies of the Exchange, following which it is anticipated that the resulting issuer will be listed on Tier 2 of the Exchange, in the "industrial" sector. Closing of the Business Combination is subject to a number of conditions including the entering into of definitive agreements, the completion of the Financing, receipt of all required shareholder, regulatory and third party consents, including Exchange approval, and satisfaction of other customary closing conditions. The Business Combination cannot close until the required approvals are obtained. There can be no assurance that the Business Combination will be

completed as proposed or at all. If required pursuant to Exchange Policy 2.2, the Company will retain a sponsor in connection with the business combination.

Following completion of the Business Combination, the Company's Board will be reconstituted to include members to be mutually agreed upon by the parties. Trading in the common shares of the Company will remain halted pending further filings with the Exchange. The Company will provide further disclosure in respect of the Business Combination, in subsequent news releases, as information becomes available.
