**MANAGEMENT INFORMATION CIRCULAR
AS AT NOVEMBER 26, 2024**

This management information circular (“Information Circular”) is furnished in connection with the solicitation of proxies by management of Newpath Resources Inc. (the “Company”) for use at the annual general meeting (the “Meeting”) of the shareholders of the Company (the “Shareholders”) to be held on January 10, 2025 at 10:00 a.m. (Vancouver Time) and any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Annual General Meeting (the “Notice of Meeting”). Except where otherwise indicated, the information contained herein is stated as of November 26, 2024.

In this Information Circular, references to the “Company” and “we” refer to Newpath Resources Inc. “Common Shares” means common shares without par value in the capital of the Company. “Registered Shareholders” means Shareholders whose names appear on the records of the Company as the registered holders of Common Shares. “Non-Registered Shareholders” means Shareholders who do not hold Common Shares in their own name. “Intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Non-Registered Shareholders. Unless otherwise indicated, all references to “\$” or “dollars” in this Information Circular means Canadian Dollars.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners) under National Instrument 54-101 Communication with Beneficial Owners of Securities of a Reporting Issuer (“NI 54-101”). As a result, objecting beneficial owners will not receive the Information Circular and associated meeting materials unless their Intermediary assumes the costs of delivery.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy (the “Proxy”) are officers of the Company. **If you are a Registered Shareholder, you have the right to attend the Meeting or vote by proxy and to appoint a person or company other than the person designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.**

If you are a Registered Shareholder you may wish to vote by proxy whether or not you are able to attend the Meeting. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer agent, Odyssey Trust Company (“Odyssey”), in accordance with the instructions on the Proxy. Alternatively, Registered Shareholders may vote their shares via the internet or by telephone as per the instructions provided on the Proxy.

In all cases you should ensure that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment or postponement thereof at which the Proxy is to be used.

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and

- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof,

or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see “Voting by Non-Registered Shareholders” below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

If you vote by Proxy, the persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified;
- (ii) any amendment to or variation of any matter identified therein;
- (iii) any other matter that properly comes before the Meeting; and
- (iv) exercise of discretion of the proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder’s Intermediary or an agent of that Intermediary. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

If you have consented to disclosure of your ownership information, you will receive a request for voting instructions from the Company or Broadridge Financial Solutions, Inc. (“**Broadridge**”). If you have declined to disclose your ownership information, you may receive a request for voting instructions from your Intermediary if they have assumed the cost of delivering the Information Circular and associated meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the voting instruction form received from Broadridge in order to ensure that your Common Shares are voted at the Meeting. The voting instruction form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The voting instruction form sent by Broadridge will name the same persons as the Company’s proxy to represent you at the Meeting. **Although as a Non-Registered Shareholder you may not be recognized directly at the Meeting for the purposes**

of voting Common Shares registered in the name of your Intermediary, you, or a person designated by you (who need not be a Shareholder), may attend at the Meeting as Proxyholder for your Intermediary and vote your Common Shares in that capacity. To exercise this right to attend the Meeting or appoint a Proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the voting instruction form. Alternatively, you may provide other written instructions requesting that you or your desired representative attend the Meeting as Proxyholder for your Intermediary. The completed voting instruction form or other written instructions must then be returned in accordance with the instructions on the form.

If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting – the voting instruction form must be completed as described above and returned in accordance with its instructions well in advance of the Meeting in order to have the Common Shares voted.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors. For the purpose of this paragraph, “person” shall include each of the following persons or companies: (a) if the solicitation is made by or on behalf of management of the Company, each person who has been a director, senior officer or insider of the Company at any time since the beginning of the Company’s last financial year; (b) if the solicitation is made other than by or on behalf of management of the Company, each person or company by whom, or on whose behalf, directly or indirectly, the solicitation is made; (c) each proposed nominee for election as a director of the Company; or (d) each associate or affiliate of any of the persons or companies included in subparagraphs (a) to (c).

RECORD DATE AND QUORUM

The board of directors of the Company (the “**Board**”) has fixed the record date for the Meeting as the close of business on November 26, 2024 (the “**Record Date**”). Shareholders of record as at the Record Date are entitled to receive notice of the Meeting and to vote their Common Shares at the Meeting, except to the extent that any such Shareholder transfers any Common Shares after the Record Date and the transferee of those Common Shares establishes that the transferee owns the Common Shares and demands, not less than ten (10) days before the Meeting, that the transferee’s name be included in the list of Shareholders entitled to vote at the Meeting, in which case, only such transferee shall be entitled to vote such Common Shares at the Meeting.

Under the Articles of the Company, the quorum for the transaction of business at a meeting of Shareholders is one person who is, or who represents by proxy, one or more shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

On the Record Date there were 19,867,748 Common Shares issued and outstanding, with each Common Share carrying the right to one vote. Only Shareholders of record at the close of business on the Record Date will be entitled to vote in person or by proxy at the Meeting or any adjournment or postponement thereof.

To the knowledge of the directors and executive officers of the Company, as of the date of this Information Circular, there are no Shareholders who beneficially own, or exercises control or direction over Common Shares, directly or indirectly, carrying 10% or more of the voting rights attached to Common Shares.

Oversight and Description of Director and NEO Compensation

Compensation payable to directors, officers and employees of the Company is currently determined by the Board of Directors. The Board relies on the experience of its members to ensure that total compensation paid to the Company's management is fair and reasonable and is both in-line with the Company's financial resources and competitive with companies at a similar stage of development.

The Company does not have a compensation committee. All tasks related to developing and monitoring the Company's approach to the compensation of executive officers of the Company are performed by members of the Board. The Board meets to discuss and determine management compensation as required, without reference to formal objectives, criteria, or analysis.

During the financial year ended April 30, 2024, cash compensation in the aggregate amount of \$51,000 was awarded to certain directors of the Company for their services as a director. The compensation of directors is reviewed by the Board and the independent members of the Board, together with recommendations by the CEO and CFO of the Company, approve the annual compensation levels, if any, for the directors. Currently, the Company has no standard arrangement pursuant to which directors are compensated for their services in their capacity as directors.

The Company does not have any arrangements, standard or otherwise, pursuant to which directors are compensated by the Company for their services in their capacity as directors, or for committee participation, involvement in special assignments or for services as consultants or experts. The Board intends to compensate directors primarily through the grant of stock options and reimbursement of expenses incurred by such persons acting as directors of the Company.

Compensation Philosophy

The Company has taken a forward-looking approach for the compensation of its directors, officers, employees, and consultants to ensure that the Company can continue to build and retain a successful and motivated discovery and development team and, importantly, align the Company's future success with that of the Company's shareholders.

The Company's compensation strategy is to attract and retain talent and experience with focused leadership in the operations, financing and asset management of the Company with the objective of maximizing the value of the Company. The Company compensates its NEOs based on their skill and experience levels and the existing stage of development of the Company. NEOs are rewarded on the basis of the skill and level of responsibility involved in their position, the individual's experience and qualifications, the Company's resources, industry practice, and regulatory guidelines regarding executive compensation levels.

Under the Company's compensation policies and practices, NEOs and directors are not prevented from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

The Company has not currently identified specific performance goals or benchmarks as such relating to executive compensation. The stage of the Company's development and the size of its specialized management team allow frequent communication and constant management decisions with the interest of developing shareholder value as a primary goal.

The Board believes that the compensation policies and practices of the Company do not encourage executive officers to take unnecessary or excessive risk; however, the Board intends to review from time to time and, at least once annually, the risks, if any, associated with the Company's compensation policies and practices at such time.

Compensation Components

The Board has implemented three levels of compensation to align the interests of the NEOs with those of the Company's shareholders. First, NEOs may be paid a monthly salary or consulting fee. Second, the Board may award NEOs long-term incentives in the form of stock options. Finally, and only in special circumstances, the Board may award cash or share bonuses for exceptional performance that results in a significant increase in shareholder value. The Company does not provide medical, dental, pension or other benefits to NEOs. To date, no specific formulas have been developed to assign a specific weighting to each of these components.

Base Salary

The base compensation of the NEOs is reviewed and set annually by the Board. The salary review for each NEO is based on an assessment of factors, such as:

- current competitive market conditions;
- level of responsibility and importance of the position within the Company; and
- particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual.

Using this information, together with budgetary guidelines and other internally generated planning and forecasting tools, the Board intends to perform an annual assessment of all executive officer compensation levels and then set the base salaries or consulting fees of the NEOs, in accordance with such assessment.

Annual Incentive Plan

The Company has no formal annual incentive plan.

Long-term Compensation

Long-term compensation is paid to NEOs in the form of grants of Awards pursuant to the Plan.

Pension Plan Benefits

The Company has no pension, defined benefit or defined contribution plans in place.

MANAGEMENT CONTRACTS

Management functions of the Company or any of its subsidiaries are not to any substantial degree performed by anyone other than by the directors or the executive officers of the Company or subsidiary.

CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and charged with the day to day management of the Company. The Canadian Securities Administrators ("CSA") have adopted National Policy 58-201 Corporate Governance Guidelines, which provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, the CSA has implemented National Instrument 58-101 Disclosure of Corporate Governance Practices ("NI 58-101"), which prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment.

All members of the Board are considered to be independent, except for Alex McAulay (Chief Executive Officer).

The Board facilitates its independent supervision over Management by having regular Board meetings and by establishing and implementing prudent corporate governance policies and procedures.

Other Directorships

The following table sets forth the directors of the Company who are directors of other reporting issuers:

Name	Name of other reporting issuer
Alex McAulay	Lite Access Technologies Inc. BluSky Carbon Inc.
Darren Collins	US Critical Metals Corp. (formerly Holly Street Capital Ltd.) Harmony Acquisitions Corp.
Gerhard Merkel	Galleon Gold Corp.

Orientation and Continuing Education

The Board does not have a formal policy relating to the orientation of new directors and continuing education for directors. The appointment of a new director is a relatively infrequent event in the Company's affairs, and each situation is addressed on its merits on a case-by-case basis. The Board, with the assistance of counsel, keeps itself appraised of changes in the duties and responsibilities of directors and deals with material changes of those duties and responsibilities as and when the circumstances warrant. The Board will implement an informal orientation program for new directors that suits their relative experiences. The Board will evaluate these positions, and if changes appear to be justified, formal policies will be developed and followed.

Board meetings are generally held virtually and, from time to time, are combined with presentations by management to give the directors additional insight into the Company's business. In addition, management makes itself available for discussion with the Board members.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committees.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of Management and in the best interests of the Company.

Nomination of Directors

The Board will consider its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

Management will conduct an annual review of the compensation of the Company's directors and executive officers and make recommendations to the Board. The Board determines compensation for the directors and executive officers.

Other Board Committees

The Board has no committees other than the Audit Committee.

Board Assessments

The Company does not conduct formal assessments of the Board or its committees as it is at an early stage of development and believes that it can assess Board and committee performance informally through discussions at Board meetings, with input from management. The Board monitors the adequacy of information given to directors, communication between the Board and Management and the strategic direction and processes of the Board and its committees. The Company may consider adopting formal assessment procedures if required.
