## NEWS RELEASE

### NASS VALLEY GATEWAY LTD. MOVES ITS OFFICES TO RICHMOND, BRITISH COLUMBIA

Vancouver, BC, Canada – January 28, 2014

**Nass Valley Gateway Ltd. (the “Company” or “Nass Valley”)** is pleased to announce that it has moved its offices to the City of Richmond, B.C., Canada. Nass Valley has signed a lease agreement with Quicker Instruments Inc. (“Quicker”) and Nass Valley’s joint venture partner Vixon Technology Ltd. (“Vixon”) to use the 2<sup>nd</sup> floor of Vixon’s office unit at 12820 Clarke Place in Richmond, B.C. The Company sees this as a great way to strengthen its relationship with its partners and it is looking forward to working more closely with Vixon and Quicker.

As per the lease agreement with Quicker and Vixon, the Company had the option to pre-pay the one-year lease with common shares at a price of \$0.10 per share. In connection with this, the Company has the consent of the Canadian Stock Exchange to issue 131,119 common shares to Quicker Instruments Inc.

#### **ABOUT NASS VALLEY GATEWAY LTD.**

*Since 2011, Nass Valley is focused on developing, marketing and establishing environmentally responsible Energy Converting and Waste Disposal Technology, through its subsidiary, Global Environomic Systems Corp. (“GSC”). The Company progressed in 2012 on specific multiwave technology applications through its subsidiary, M-Wave EnviroTech Inc. and views both of its environmentally responsible technologies as State Of The Art Systems.*

*Nass Valley Gateway and its subsidiaries are devoted to building value for their shareholders and employees, contributing to the improvement of the communities in which they operate through employment creation, and implementing sustainable practices designed to preserve and enhance our environment.*
