Re: Interim Financial Statements for the Second Quarter Ended June 30, 2019

Dear Sir/Madame:

It has come to our attention that we uploaded the incorrect version of our Financials and MD&A Statement for the Six Months Ending June 30th, 2019.

It was a clerical error and we will do everything in our power not repeat it going forward. We have amended our filing with the proper and complete versions.

Please call me with questions on (516) 680-0433.

Sincerely,

"John Affeninta"
