

NeutriSci and Nutritional High Enter Into Agreement to Develop, Manufacture & Distribute Cannabis Infused Products

VANCOUVER, British Columbia, May 30, 2018 -- NeutriSci International Inc. ("NeutriSci") (TSX-V:NU) (OTCQB:NRXCF) (FRANKFURT:1N9) the innovator and pioneer behind neuenergy[®], and Nutritional High International Inc. ("Nutritional High") (CSE:EAT) (OTCQB:SPLIF) (FRANKFURT:2NU), are pleased to announce the entry into a binding Memorandum of Understanding ("MOU") to develop, manufacture and distribute THC and CBD infused sublingual tablets utilizing NeutriSci's patent pending technology, proprietary ingredients and formulations.

Subject to the negotiation of a definitive agreement, NeutriSci and Nutritional High will develop products which will be manufactured and distributed by Nutritional High in US states which permit the sale of cannabis infused products. The tablets will combine the benefits of NeutriSci and Nutritional High's existing technologies and ingredient mixes. The tablets will be quick dissolving and will offer a measured dose of pure THC or CBD oil, combined with the powerful bio-availability & antioxidant properties of pterostilbene. The tablets will be flavored and optimized for efficacy and taste with zero-sugar. Initial manufacturing will be carried out in Nutritional High's manufacturing facilities in Sacramento, California and Green Therapeutics LLC facilities in Las Vegas, Nevada, with sales and distribution expected to begin in Q3-2018.

As previously announced, NeutriSci has filed a United States provisional patent application (United States Provisional Patent No. 62/628,735; Compositions Comprising Co-crystals of Stilbenoids and Cannabinoids) relating to compositions comprising pterostilbene and other stilbenoids in formulations which improve the dissolution rate and bioavailability of cannabinoid compounds.

NeutriSci's CEO, Glen Rehman stated, "This MOU establishes the first product manufacturing and distribution deal utilizing our patent pending technologies. Together with Nutritional High, we are very excited for the launch of these quick dissolving THC and CBD tablets. This agreement represents a significant milestone in the cannabinoid industry."

Nutritional High CEO, Jim Frazier stated, "We are excited to work with NeutriSci to develop and launch proprietary THC and CBD infused sublingual tablets. NeutriSci's formulations combined with our oil should make for a very effective cannabis energy product."
