

NUTRITIONAL HIGH TO UPSIZE PREVIOUSLY ANNOUNCED BROKERED PRIVATE PLACEMENT FINANCING

Toronto, Ontario – May 2, 2019 – Nutritional High International Inc. ("**Nutritional High**" or the "**Company**") (CSE: **EAT**, OTCQB: **SPLIF**, FRANKFURT: **2NU**) is pleased to announce that it plans to increase the size of its previously announced brokered private placement financing (the "**Offering**") due to significant demand in the market. The Company has received indications exceeding the \$3,000,000 in gross proceeds it was seeking to raise (see press release dated May 1, 2019), including sizeable institutional support, and as such will increase the size of the Offering to an amount to be determined by the Company in its sole discretion and which will be announced prior to the closing of the Offering. The Company is further pleased to announce that management, insiders and their families represent approximately \$1,000,000 of the indications to date.

Nutritional High CEO Jim Frazier commented, "We're very pleased to be able to share the positive response we have received to the previously announced private placement financing. The proceeds from this financing will provide us with the capital we need to drive our growth plan forward and continue to execute on our corporate strategy."

The Offering is subject to receipt of all necessary regulatory approvals, including the approval of the Canadian Securities Exchange. All securities issued pursuant to the Offering will be subject to a four month and one day hold period, from the date of closing, in accordance with applicable Canadian securities laws.

About Nutritional High International Inc.

Nutritional High is focused on developing, manufacturing and distributing products under recognized brands in the cannabis products industry, with a specific focus on edibles and oil extracts for medical and adult recreational use. The Company works exclusively with licensed facilities in jurisdictions where such activity is permitted and regulated by state law.

The Company follows a vertically integrated model with a fully developed strategy for acquisitions in extraction, production, sales, and distribution sectors of the cannabis industry. Nutritional High has brought its flagship FLI™ edibles and extracts product line from production to market through its wholly owned subsidiaries in California and Oregon, as well as Colorado where its FLI™ products are manufactured by a third-party licensed producer. In California, the Company distributes its products and products manufactured by other leading producers through its wholly owned distributor Calyx Brands Inc. and is entering the Nevada, Washington State and Canadian markets in the near future.
