Toronto, Ontario--(Newsfile Corp. - November 16, 2021) - Nutritional High International Inc. (CSE: FUZN) (OTCQB: SPLIF) (the "Company") is pleased to announce that following approval by the shareholders at the last annual and special meeting of shareholders held on September 29, 2021, it has completed its name change from "Nutritional High International Inc." to "High Fusion Inc." (the "**Name Change**"), reclassified its common shares to "subordinate voting shares" (the "**Share Reclassification**") and created a new class of shares called "multiple voting shares".

The multiple voting shares are nearly identical to the subordinate voting shares but for the fact that each multiple voting share carries the right to ten votes per share and has the economic equivalent of ten subordinate voting shares. The multiple voting shares were created in connection with the Company's acquisition of substantially all the assets of OutCo Labs Inc. Pursuant to the acquisition, the multiple voting shares were created in order to minimize the proportion of the outstanding voting securities of the Company that are held by "U.S. persons" for purposes of determining whether the Company is a "foreign private issuer" pursuant to United States securities laws. Further information about the Share Reclassification is available in the Company's information circular dated August 17, 2021, which is available under the Company's SEDAR profile at www.sedar.com.

The CUSIP number assigned to the subordinate voting shares following the Name Change and Share Reclassification is: CUSIP 42967W102 (ISIN CA42967W1023).

In connection with the Name Change and Share Reclassification, the trading symbol for the subordinate voting shares trading on the Canadian Securities Exchange has been changed from "EAT" to "**FUZN**".
