**TRUECLAIM EXPLORATION INC. ANNOUNCES JOINT VENTURE
ON ARIZONA PROPERTY**

Trueclaim Exploration Inc. (TRM) is pleased to announce it has entered into a joint venture agreement with Northern Sphere Mining Corp. (CSE: NSM) on its Arizona Property.

NSM shall have the right to earn up to a 90% interest in the property by bringing the silver mine into production.

NSM has paid to date a total of \$170,000 and will take over all commitments. This has earned NSM an 80% interest in the project.

Upon commencement of silver production NSM will be deemed to have earned an additional 10% interest. NSM shall have the right to purchase the remaining 10% for \$2,000,000.00.

Mr. Byron Coulthard Trueclaim CEO quotes “This is an exceptional opportunity for Trueclaim to advance the project and keep moving forward at no cost to the company. In light of current market conditions to find a well-funded company that can achieve production is very fortunate for TRM and its shareholders.”

NSM is currently working with the optionor’s and developing its mine plan. It anticipates to commence preliminary detailed mine planning starting with the Buckeye claims this month.

NSM’s mandate is to acquire near term production assets and feels this property fits well into its business model.

This agreement is not a non-arm’s length agreement.
