

New Wave: "The World on Drugs" Documentary Heads to Vancouver

TORONTO, Oct. 29, 2020 /CNW/ - NEW WAVE HOLDINGS CORP. (the "Company" or "New Wave") (CSE: SPOR) (FWB: OXM2) (OTC:TRMND) an investment issuer that provides capital and support services, announced it will bring [Microdose](#) to Vancouver November 1st - 10th to start production for the next phase of "The World on Drugs" documentary.

The team at New Wave is pleased to announce that Microdose is traveling to Vancouver from November 1-10th, to film the next phase of the upcoming documentary "The World on Drugs". The production aims to illuminate a bold commentary on drug policy, psychedelic medicine and mental health comes at a pivotal moment in our collective evolution. The sharp increase in opioid-related overdose deaths in B.C. highlight the urgent need for new treatments and policy, providing the unique opportunity to spotlight psychedelic medicine. We have scheduled interviews with leading experts in their respective fields, and would love to hear your suggestions for interview candidates, key locations, or critical subject matter that should be filmed in Vancouver, [please fill out this open feedback/application form](#).

"We would like to thank New Wave Holdings for being our inaugural sponsor for this next phase of our international effort to document the intersection of mental health, psychedelic medicine and global drug policy around the world. We are committed to building a compelling, objective narrative by listening to the experts, this documentary will truly be a team effort." Microdose CEO - Patrick Moher

Pilot footage for ["The World on Drugs"](#) was captured in Mexico where the Microdose team met with notable thought leaders, clinicians and psychedelic medicine providers. For any general partnership inquiries, please reach out to Connor Haslem at: Connor@microdose.buzz.

"The Microdose team hopes to continue the journey by heading to Portugal, where full drug decriminalization provides fascinating insight into a potential, more progressive way forward. We also intend on going to Jamaica, another iconic location significantly impacted by the War on Drugs that is pioneering new mental health treatments. As our worldwide documentary filmmaking journey progresses, we hope to illuminate the potential of psychedelic medicine to disrupt the mental health crisis across the globe." - Patrick Moher continued

[The data form](#): If you or anyone you know wants to contribute or is interested to collaborate on this project, please fill out this form. We do have a limited filming period that is available, so unfortunately we won't be able to connect directly with all submissions-but, everybody that fills this form out on behalf of somebody or behalf of themselves will get a free copy of the completed film as a thank you gift for your contribution.

If you are interested in getting involved with this dynamic documentary filmmaking project in terms of collaboration, sponsorship or general input, please reach out to Connor Haslem at: Connor@microdose.buzz
