INFORMATION CIRCULAR

as at February 17, 2022, *except as otherwise indicated*

This Information Circular is furnished in connection with the solicitation of proxies by the management of New Wave Holdings Corp. (the “Company”) for use at the In Person / Teleconference Call Annual General Meeting (the “Meeting”) of its shareholders to be held on March 28, 2022 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to the “Company”, “we” and “our” refer to **New Wave Holdings Corp.** “Common Shares” means common shares without par value in the capital of the Company. “Registered Shareholders” means shareholders whose Common shares are registered in their name. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

All dollar amounts referenced herein are in Canadian Dollars unless specified otherwise.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers and/or directors and legal counsel for the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified in the Proxy and, if applicable, for the nominees of management for directors and auditor as identified in the Proxy.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders may choose one of the following options to submit their proxy:

- (a) complete, date and sign the Proxy and return it to the Company's transfer agent, Olympia Trust Company ("Olympia"), by:
 - (i) mail or by hand delivery to PO Box 128 STN M, Calgary, AB, T2P 2H6, Attn: Proxy Department; or
 - (ii) email to proxy@olympiitrust.com
- (b) use the internet through the website of Olympia at: <https://css.olympiitrust.com/pxlogin> and then entering the 12-digit control number shown on the proxy.

In all cases the Registered Shareholder must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting, or the adjournment thereof, at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of intermediaries. In Canada the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing process and provides its own return instructions to clients.

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

Beneficial Shareholders fall into two categories - those who object to their identity being known to the issuers of securities which they own (“**OBOs**”) and those who do not object to their identity being made known to the issuers of the securities which they own (“**NOBOs**”). Subject to the provisions of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers may request and obtain a list of their NOBOs from intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials directly (not via Broadridge) to such NOBOs. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf.

For this Meeting, Broadridge Financial Solutions, Inc. (“**Broadridge**”) will mail the Meeting proxy materials to the Beneficial Shareholders. This year the Company will not be taking advantage of the provisions of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* that permit the Company to deliver proxy-related materials directly to its NOBOs and OBOs. As a result, Beneficial Shareholders will receive a Voting Instruction Form (“**VIF**”) from Broadridge, which VIF should be completed by the Beneficial Shareholder and returned to Broadridge in the envelope provided or by a delivery option described on the VIF itself, which contains complete instructions. Broadridge will tabulate the results of the VIFs received from Beneficial Shareholders and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs Broadridge receives.

The Company’s OBOs can expect to be contacted by Broadridge or their brokers or their broker’s agents. The Company does not intend to pay for intermediaries to deliver the Notice of Meeting, Circular and VIF to OBOs and accordingly, if the OBO’s intermediary does not assume the costs of delivery of those documents in the event that the OBO wishes to receive them, the OBO may not receive the documentation.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The proxy form supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in Canada and in the United States. Broadridge mails a Voting Instruction Form (“**VIF**”) in lieu of the proxy provided by the Company. The VIF will name the same persons as are named on the Company’s form of Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), who is different from any of the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right, insert the name of the desired representative, which may be you, in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge in accordance with Broadridge’s instructions. Broadridge will then tabulate the results of all instructions received and provide appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder’s representative. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common**

Shares voted or to have an alternate representative duly appointed to attend the Meeting to vote your Common Shares.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare, or at the address of the registered office of the Company at 1500 – 1055 West Georgia Street, Vancouver, BC V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Notice to Shareholders in the United States

The solicitation of proxies involve securities of a company located in Canada and are being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the British Columbia *Business Corporations Act* (the "BCA"), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, the appointment of the auditor and as may be set out herein.

FINANCIAL STATEMENTS

The audited consolidated financial statements of the Company for the years ended March 31, 2021 and 2020, together with the auditor's report thereon and related management discussion and analysis ("MD&A") (the "Financial Statements"), which have been filed under the Company's profile on SEDAR at <https://www.sedar.com> will be tabled at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the "Board") of the Company has fixed February 17, 2022 as the record date (the "Record Date") for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The authorized capital of the Company consists of an unlimited number of Common Shares without par value and without special rights and restrictions. As of February 17, 2022, there were 30,642,090 Common Shares issued and outstanding, each carrying the right to one vote. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares.

Unless otherwise indicated, all amounts in this Circular have been retroactively restated to reflect the share consolidation.

CORPORATE GOVERNANCE

General

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and are accountable to the shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices; as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the opinion of the Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Board facilitates its independent supervision over management by conducting quarterly reviews of the Company’s consolidated financial statements and management discussion and analysis as well as requiring material transactions to be approved by the Board prior to the transaction taking place.

The independent Board members are Ravinder (Robert) Kang, Diego Gianelli and Anthony Zelen. The non-independent Board member is Geoffrey Balderson, as he is the Chief Financial Officer and Corporate Secretary of the Company.

Orientation and Continuing Education

When new directors are appointed, they receive an orientation, commensurate with their previous experience, on the Company's properties and on the responsibilities of directors.

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business.

Ethical Business Conduct

The Board finds that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Corporate Governance and Nominating Committee considers the size of the Board each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

Compensation

The Board has not yet appointed a Compensation Committee. In the absence of a Compensation Committee, the Board, as a whole, determines compensation for the directors and the executive officers, which determination includes evaluating the performance of the CEO and the individual Board members, approving all compensation for executive officers and directors, recommending compensation plans, including equity-based compensation plans, to the plenary Board to consider and implement as the Board deems appropriate, and reviewing annually the Company's benefits programs.

Other Board Committees

The only committee of the Board is the Audit Committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its Audit Committee.

Oversight and Description of Director and NEO Compensation

Due to the small size and level of capitalization of the Company, the Board has not appointed a Compensation Committee, and accordingly, executive compensation is considered and decided upon by the plenary Board.

General Compensation Strategy

The Compensation Committee has not formally considered the implications of the risks associated with the Company’s compensation policies and practices. The executive officers of the Company are compensated in a manner consistent with their respective contributions to the overall benefit of the Company, and in line with the criteria set out below.

Executive compensation is based on a combination of factors, including a comparative review of information provided to the Board by compensation consultants, recruitment agencies and auditors (if any) as well as historical precedent. The Board has not found it necessary to retain any compensation consultants or other compensation advisers in respect of any prior fiscal years.

The Board has not established a formal set of benchmarks or performance criteria to be met by its NEOs, rather, each member of the Board uses their own assessments of the success (or otherwise) of the Company, both absolutely or in relation to companies they consider to be its peers, to determine, collectively, whether or not the executive officers are successfully achieving the Company’s business plan and strategy and whether they have over, or under, performed in that regard.

No Policy against Hedging

Except as prohibited by law, the NEOs and directors are not currently prohibited from purchasing financial instruments, such as prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by a NEO or director. To the Company’s knowledge, no executive officer or director of the Company has entered into or purchased such a financial instrument.

Elements of Executive Compensation

The Company’s executive officer compensation is composed of two parts: base salary and long-term incentives.

Base Salary or Fees

Executives are engaged either directly or through executive services companies and are paid a monthly consulting fee for their services. Base fees of the Company’s executive officers are determined through the annual assessment of each individual’s performance and experience and other factors the Board and Compensation Committee consider to be relevant, including prevailing industry demand for personnel having comparable skills and performing similar duties, the compensation the individual could reasonably expect to receive from a competitor and the Company’s ability to pay.

See “*Director and NEO Compensation, excluding Compensation Securities*” below for details of the payments made to the Directors and NEOs for the financial years ended March 31, 2021 and 2020.

Long-Term Incentives – Share Options

The second component of the executive officers’ compensation is the grant of options to purchase Common Shares pursuant to the terms of the Company’s Stock Option Plan. The Board may grant stock options on an annual basis to directors, executive officers and senior managers.

The Company has a stock option plan in place dated for reference October 24, 2019 (the “**Option Plan**”). The Plan was established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. The Option Plan is administered by the Board, and provides that options will be issued pursuant to option agreements to directors, officers, employees or consultants of the Company or a subsidiary of the Company. All options expire on a date not later than ten years after the issuance of such option.

Previous grants of option-based awards are taken into account when considering new grants of options. Subject to Option Plan requirements, CSE policy requirements and any necessary regulatory approval, the Shareholders must authorize certain amendments to the Plan.

The Option Plan is an important part of the Company’s long-term incentive strategy for its officers and directors, permitting them to participate in appreciation of the market value of the Common Shares over a stated period of time. The Option Plan is intended to help attract and retain employees by providing them with an opportunity to participate in the future success of the Company and to reinforce commitment to long-term growth in profitability and shareholder value. The Option Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and employees. The Board believes that the Option Plan aligns the interests of the executive officers and the Board with shareholders by linking a component of executive compensation to the longer term performance of the Common Shares.

In determining the number of stock options to be granted to the executive officers and directors, the Board, or an appointed committee of the Board, as the case may be, takes into account the number of stock options, if any, previously granted to each executive officer and director and the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the CSE.

The number of stock options granted to officers and directors is also dependent on each officer’s and director’s level of responsibility, authority and importance to the Company and to the degree to which such officer’s or director’s long term contribution to the Company is, or will be, key to its long term success.

In monitoring or adjusting the option allotments, the Board, or an appointed committee of the Board, as the case may be, takes into account its own observations on individual performance (where possible), its assessment of individual contribution to shareholder value and previous option grants. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility. The Board or an appointed committee of the Board, as the case may be, will make these determinations subject to and in accordance with the provisions of the Option Plan.

The Company did grant options to certain of its NEOs and directors in the financial year ended March 31, 2021: Please see the table of *Compensation Securities* below.

See Particulars of Matters to be Acted Upon below for more information on the Company’s Stock Option Plan and the Restricted Share Unit Plan.

Share-based Awards - Restricted Share Unit Plan

The Company has a Restricted Share Unit Plan dated effective October 24, 2019 (the “**RSU Plan**”). The RSU Plan was established as a method by which equity-based incentives may be awarded to the directors, officers and employees of, and consultants to, the Company to recognize and reward their significant contributions to the long-term success of the Company and to align their interests more closely with the Shareholders of the Company.

Nature and Administration of the RSU Plan

The Board, in its sole and absolute discretion, but subject to applicable corporate, securities and tax law requirements: (i) interprets and administers the RSU Plan; (ii) establishes, amends and rescinds any rules and regulations relating to the RSU Plan; and (iii) makes any other determinations that the Board deems necessary or desirable for the administration and operation of the RSU Plan.

The RSU Plan applies to those Directors, Officers, Employees or Consultants (each as defined in the RSU Plan) who the Board, or any Board Committee, or such other committee or person designated by the Board, designate as eligible persons (the “**Eligible Persons**”) for a grant of Restricted Share Units (“**RSUs**”). The RSU Plan defines “**Restricted Share Unit**” to mean one notional Common Share (without any of the attendant rights of a shareholder of such Common Share, including, without limitation, the right to vote such Common Share and the right to receive dividends thereon, except to the extent provided in the RSU

Plan) credited by bookkeeping entry to a notional account maintained by the Company in respect of an Eligible Person in accordance with the RSU Plan.

The Board, in its sole direction and based on the recommendations of the Board, or any Board Committee delegated for such purpose, or such other committee or person designated by the Board, shall designate Eligible Persons and determine the number and vesting of Restricted Share Units to be granted to each Eligible Person. Such grants may have one or more Redemption Dates (as defined in the RSU Plan) in order to allow for different vesting dates of the Restricted Share Units. However, no Redemption Date shall be after the end of the calendar year which is three years following the end of the year in which services to which the grant of such Restricted Share Unit relates were performed by the Eligible Person to whom such Restricted Share Unit was granted. A grant of Restricted Share Units represents a bonus or similar payment in respect of services rendered by the Eligible Person.

As at February 17, 2021, there were 30,642,090 Common Shares issued and outstanding. Accordingly, pursuant to the RSU Plan, the Company has the authority to award RSUs for conversion to an aggregate total of 3,064,209 Common Shares. At the date of this Information Circular, RSUs for conversion to an aggregate 28,459 Common Shares are awarded and outstanding under the RSU Plan, representing approximately 0.9% of the outstanding Common Shares in the capital of the Company. As of the Record Date, there were 3,035,750 RSUs available for award for conversion to Common Shares pursuant to the RSU Plan, being approximately 9.9% of the outstanding Common Shares.

Limitations

The RSU Plan is a rolling plan pursuant to which the number of Common Shares issuable under the RSU Plan:

- (a) in settlement of Restricted Share Units issued under the RSU Plan shall not exceed 10% of the issued and outstanding Common Shares as at the most recent grant of Restricted Share Units; and
- (b) in combination with the aggregate number of Common Shares which may be issuable under any and all of the Company's equity incentive plans in existence from time to time, including the Option Plan, shall not exceed 20% of the issued and outstanding Common Shares, or such greater number as shall have been duly approved by the Board.

The number of Common Shares, which may be issuable under the RSU Plan within any one-year period:

- (a) to any one Eligible Person, shall not exceed 5% of the total number of issued and outstanding Common Shares on the date of the grant on a non-diluted basis; and
- (b) to Insiders as defined in the RSU Plan as a group within a 12 month period shall not exceed 5% of the total number of issued and outstanding Common Shares on the date of the grant on a non-diluted basis.

Additionally, the RSU Plan has the following limitations on rights:

- (a) Nothing in the RSU Plan shall confer on any person a right to be designated as an Eligible Person or to be granted any Restricted Share Units;
- (b) There is no obligation for uniformity of treatment of Eligible Persons or any group of Eligible Persons, whether based on salary or compensation, grade or level or organizational position or otherwise; and

- (c) A grant of Restricted Share Units to an Eligible Person on one or more grant dates shall not be construed to create a right to a grant of Restricted Share Units on a subsequent grant date.

Grant Agreements

Each grant of Restricted Share Units shall be evidenced by a written agreement executed by the Eligible Person. An Eligible Person will not be entitled to any grants of Restricted Share Units or any benefit of the RSU Plan unless the Eligible Person agrees to be bound by the provisions of the RSU Plan.

Redemption of Restricted Share Units

Unless redeemed earlier in accordance with the RSU Plan, the Restricted Share Units of each Eligible Person will be redeemed within 10 business days after each applicable Redemption Date for Common Shares. The Eligible Person will be entitled to receive and the Company will issue to the Eligible Person an equal number of Common Shares (net of any applicable statutory withholdings) that have vested on the Redemption Date.

Payment of Dividend Equivalents

When dividends are paid on Common Shares, an Eligible Person shall be credited with dividend equivalents in respect of the Restricted Share Units credited to the Eligible Person's account as of the record date for the payment of dividends. Such dividend equivalents shall be converted into additional Restricted Share Units based on the fair market value per Common Share on the date credited.

Transferability

Rights with respect to Restricted Share Units shall not be transferrable or assignable other than by will or the laws of descent and distribution.

Termination of Employment or Election as a Director or Death

If an Eligible Person ceases to be a Director, Officer, Consultant or Employee of the Company for any reason (excluding death), all of the Eligible Person's Restricted Share Units which have vested at the time of such cessation shall be redeemed for an equal number of Common Shares (net any applicable statutory withholdings) on the Redemption Date (which shall be the date on which the employment or retainer of the Eligible Person, other than a Director, is terminated) and the remainder shall be cancelled. No amount shall be paid by the Company to the Eligible Person in respect of the Restricted Share Units so cancelled.

The Restricted Share Units of a Director who is not re-elected at an annual general or special meeting of Shareholders shall be redeemed for an equal number of Common Shares (net of any applicable statutory withholdings) on the Redemption Date (which shall be the date on which the annual or special meeting is held).

All of the Restricted Share Units, whether vested or not, of an Eligible Person who dies shall immediately vest and be redeemed within 10 business days after the Redemption Date (which shall be the date of the Eligible Person's death).

Change of Control

Notwithstanding anything in the RSU Plan to the contrary but subject to prior approval of the CSE, if required, the Company shall redeem, in the event of a Change of Control (as defined in the RSU Plan), 100% of the Restricted Share Units granted and outstanding under the RSU Plan for an equal number of Common Shares no later than 10 business days following the date on which the Change of Control occurs.

The foregoing summary of the RSU Plan is not complete and is qualified in its entirety by reference to the RSU Plan, a copy of which will be available for inspection at the Meeting and is available on SEDAR under the Company's profile at www.sedar.com.
