

**DON SHAXON REJOINS SILVER SHIELD RESOURCES CORP
MANAGEMENT TEAM AS HEAD OF CORPORATE DEVELOPMENT**

Burlington, Ontario, April 8, 2013 – Silver Shield Resources Corp. (TSXV – SSR) (“Silver Shield” or “the Company”) is pleased to announce that Donald Shaxon of Burlington, Ontario has rejoined the Company. Mr. Shaxon has recently been involved in various other successful ventures in Canada and the US and has decided to return in aiding the market awareness of Silver Shield to investors and the investment community in both Canada and Internationally. Mr. Shaxon has been actively involved in public resource companies for over 15 years and has aided in raising over 100 million dollars for various projects worldwide. Mr. Shaxon’s belief in the quality of Silver Shield’s near production properties in Mexico was a key factor in his return. Once initial funding is acquired the company plans to move forward on its Temixco and LaCumbre projects with metallurgical testing and economic feasibility studies.

Tim D. Towers President and CEO commented “We are pleased to have Don with the company as his innovative thinking and belief in our properties will be of great help in these difficult times. Don realized that SSR is beyond a grassroots company and needs more market presence to achieve its goal of production in Mexico in the near term. With Don’s impressive network of contacts in North America, Europe and Asia and his advocacy of open dialogue between management, directors and shareholders we look forward to the future.”
