Bluesky Digital Assets Corp., Announces Non-Brokered Private Placement

FOR IMMEDIATE RELEASE

Toronto, Ontario, December 20th, 2021 – Bluesky Digital Assets Corp., (CSE: BTC), (CSE: BTC.PR.A), (OTCQB: BTCWF), ("Bluesky" or the "Corporation") announced today that the Corporation is conducting a non-brokered private placement financing with the purpose of raising up to \$1,500,000 CDN via the issuance of up to 6,000,000 Units at a price of \$0.25 CDN per Unit. Each Unit will consist of one Common Share (a "Share") in the capital of the Corporation and one Common Share Purchase Warrant ("Warrant"), with each Warrant entitling the holder thereof to purchase one additional Common Share of the Corporation at an exercise price of \$0.40 CDN per Common Share for a period of 36 months from the closing of the financing. The Warrants will be subjected to an accelerated expiry date if certain market conditions occur which are outlined in the Corporation's subscription document. All Common Shares issued in connection with this placement will be subject to a four month plus one day hold period under applicable Canadian securities laws.

All proceeds from the financing will be used for purchasing of the additional Mining Equipment with the purpose of expanding the Corporation existing Digital Assets Mining operations and for general working capital purposes.

About Bluesky Digital Assets Corp.

Bluesky Digital Assets Corp, is building a high value digital currency enterprise. Bluesky mines digital currencies, such as Bitcoin and Ether, and is developing value-added technology services for the digital currency market, such as proprietary technology solutions. Offering a complete ecosystem of value-creation, Bluesky is targeting reinvesting appropriate portions of its digital currency mining profits back into its operations. A percentage of the profit will be invested in the development of a proprietary Artificial Intelligence ("AI") based technology. Overall, Bluesky takes an approach that enables the Corporation to scale, and respond to changing conditions, within the still-emerging Blockchain industry. The Corporation is poised to capture value in successive phases as this industry continues to scale.
