#### About Bluesky Digital Assets Corp.

Bluesky Digital Assets Corp. is building a high value digital enterprise. Bluesky in its startup phase, mined digital currencies such as Bitcoin and Ether and developed value-added technology services for the digital currency market, such as proprietary technology solutions. Offering a complete ecosystem of value-creation, Bluesky has invested appropriate portions of its previous digital currency mining profits back into its operations. A percentage of the profit I was invested in the development of a proprietary Artificial Intelligence (“AI”) based Blockchain technology. Overall, Bluesky takes an approach that enables the Corporation to scale, and respond to changing conditions, within the still-emerging Blockchain industry. The Corporation is poised to capture value in successive phases as this industry continues to change, evolve, and scale.
