Bluesky Digital Assets Corp., Announces Debt Settlement

FOR IMMEDIATE RELEASE

Toronto, Ontario, August 11, 2023 – Bluesky Digital Assets Corp., (CSE: BTC), (OTCQB: BTCWF), (“Bluesky” or the “Corporation”) announced today that it had entered into, and that it had completed, several debt settlement agreements. The Corporation settled an aggregate of \$296,625.00 CAD of secured debt owed to creditors via the issuance of an aggregate 5,932,500 Common Shares. The debt settlement will assist the Corporation in preserving its cash for working capital and to further advance its AI endeavors. With the completion of this debt settlement, the Corporation has a very minimal amount of debt on its balance sheet.

About Bluesky Digital Assets Corp.

Bluesky Digital Assets Corp. is building a high value digital enterprise. Bluesky in its startup phase, mined digital currencies such as Bitcoin and Ether and developed value-added technology services for the digital currency market, such as proprietary technology solutions. Offering a complete ecosystem of value-creation, Bluesky has invested appropriate portions of its previous digital currency mining profits back into its operations. A percentage of the profit was invested in the development of a proprietary Artificial Intelligence (“AI”) based Blockchain technology. Overall, Bluesky takes an approach that enables the Corporation to scale, and respond to changing conditions, within the still-emerging Blockchain industry. The Corporation is poised to capture value in successive phases as this industry continues to change, evolve, and scale.
