Certifications of Disclosure regarding the interim filings for the period ended May 31, 2012

Dear Sir/Madam,

RE: Sedar Project Filings Numbers: 1932734 and 19327355

On July 20, 2012, the Company filed amended Certifications of Disclosure regarding our interim filings for the period ended May 31, 2012. Upon review of the Company's amended certifications of disclosure by the British Columbia Securities Commission, they have advised us that the amended certifications still do not comply with the requirements of NI 52-109.

The Company is filing amended Certifications of Disclosure which we believe now comply with the requirements of NI 52-109.

.

Sincerely,

Brian Roberts
