Tosca Mining appoints Jonathan George, BSc Geology, as a director.

Tosca Mining Corporation (TSQ.V) announces that Mr. Jonathan George has joined its board. As a consulting geologist and entrepreneur, Jon has been involved in international mineral exploration and development for over 25 years, having raised more than \$60 million for projects throughout the world.

As the President and CEO of Alpha Minerals Inc.(formerly ESO Uranium) he was instrumental in assembling one of the largest land packages in the Athabasca Basin , Saskatchewan. Alpha and partner Fission Energy have recently made one of the most significant uranium discoveries in recent history on their Patterson Lake South joint venture.

He was the President and Co-founder of Creston Moly Corp, which acquired Mexico's largest molybdenum deposit; Creston merged with Mercator Minerals in 2011 in a transaction valued at more than \$176 million.

The Company also wishes to announce the resignation of Mr. David Stone as a director. "We would like to thank Mr. Stone for his efforts, and wish him continued success" states Ron Shenton, President.
