TOSCA MINING APPOINTS DR. DAVID STONE AS A DIRECTOR

Tosca Mining Corporation (TSQ.V; US:TSMNF; FSE:TQ4), announces the appointment of Dr. David Stone as a director of the company.

Dr. David Stone, MBA, P.Eng. has over 30 years of providing engineering and financial consulting experience to underground and surface metal mines worldwide. He has managed and led multidisciplinary project teams through pre-feasibility and feasibility level evaluations of development-stage projects, and has contributed to the engineering, design and construction of several mines.

Dr. Stone's expertise includes scoping and feasibility studies for open pit and underground projects, extensive international knowledge of current mining best practices, environmental permitting, mine planning and production scheduling, capital and operating costs, equipment selection, and financial analyses. He received his BA Sc. in Geological Engineering from the University of British Columbia and went on to complete a PhD in civil engineering at Queen's University in Kingston where he also returned to complete an MBA. He is a licensed professional engineer in numerous Canadian and United States jurisdictions.

The company has accepted the resignation of James Pettit as a director of the Company.

On Behalf of the board of directors,

"Ron Shenton"

Ron Shenton, President
