Tosca Resources signs Letter of Intent to acquire Hatch Interactive Technologies Corp.

Tosca Resources Corp. (“Tosca”), (TSQ:CSE, TSMNF:OTCBB, TQ42:FSE) announces that it has signed a Non-Binding Letter of Intent (“LOI”) to acquire 100% of the outstanding shares of Hatch Interactive Technologies Corp. (“Hatch”) of Vancouver, BC, Canada.

The LOI is subject to the execution of a definitive agreement (“the Transaction”) between the two parties by April 30, 2015. The Closing of the Transaction will be subject to a number of other conditions including completing due-diligence to the satisfaction of Tosca management, closing of a private placement financing, completion of non- compete agreements and receipt of all necessary shareholder, regulatory and stock exchange approvals. It is anticipated that a closing of this transaction will represent a Fundamental Change as defined by the policies of the CSE. It is contemplated that upon a successful conclusion of this transaction, the principals of the target company will join the board of Tosca.

In conjunction with the announcement of the transaction, Tosca also announces a non-brokered private placement of up to 6.0 million units at \$0.15 for gross proceeds of \$ 900,000. Each unit will consist of one common share and one non- transferrable share purchase warrant. Each warrant entitles the holder to purchase one common share at a price of \$0.25 in the first calendar year and \$0.35 in the second calendar year. Proceeds from the raise will be used for final due-diligence, anticipated transaction costs, filing and professional fees and general working capital. Finder’s fees may be paid in accordance with exchange policies.

The proposed transaction has a purchase price of \$4,818,709.95 and will be facilitated by the issuance of Tosca treasury stock at a deemed price of \$0.15 per share on a three Hatch shares for two Tosca shares ratio, thereby issuing 32,124,732 shares of Tosca.

Tosca also announces that the Board of Directors has accepted the resignations of Luca Riccio and Sadek El-Alfy as directors and would like to thank them for their past service.
