Santa Monica, California – April 5, 2017, Fandom Sports Media Corp. (CSE: FDM) (OTC: FDMSF) (FRANKFURT: TQ42) (“Fandom Sports” or the “Company”) is pleased to announce the formation of the “Fandom Sports Show” on Dash Radio. This twice a week hour long hosted show will feature both sports fans and athletes as guests on the show, with callers being able to dial in and join in on the argument! Most sports shows the host and the guests argue and the fans listen in and the show takes the occasional caller. This show will be very different, and will show the fans will be able to argue on the radio with other fans as well as the athlete guests. There will be voting online on the App to determine the winners and losers of the arguments. The fans opinions will be heard. Arguments will happen...and the votes will be tabulated. There will be winners and losers. The fans will be the show.

“The extension of the FanDom Sports app to radio is a no-brainer and we could not be more thrilled to team up with DASH Radio to bring its’ listeners the FanDom Sports Show!” states Blair Naughty, CEO, FanDom Sports Media.

“The FanDom Sports Show will be a great addition to Dash. We will now give sports fans a unique interactive show where they will have not just a voice, but forum to battle with other fans.” Says Scott Keeney, CEO of Dash Radio.

About Dash Radio

Dash Radio was created by the world's biggest DJ's who became fed up with the limitations of regular FM radio (and hate internet playlists that pose as radio powered by soulless computers). Together, they formed Dash with one goal: to provide the best radio platform in the world. This means all the variety you ever wanted with zero commercials. All live 24/7, for free.

Dash radio works hard to provide the best radio experience in the world (there are live DJ's in our studio 24/7) but please tell us what you want to hear, add, or change as we are constantly evolving. If you like what you hear and want to help us grow, tell your friends to join the evolution of radio.
