Vancouver, British Columbia – April 16, 2018, FANDOM SPORTS Media (CSE: FDM) (OTC: FDMSF) (FRANKFURT: TQ42) (“FANDOM SPORTS” or the “Company” or “Patron Saint of Sports Culture,” any of those are fine) is pleased to flex on every other app in your phone with the commercial release of our flagship Android product. Obsession management programs to follow shortly after.

FANDOM SPORTS lets you not just keep up with the biggest stories in sports, but interact with them. Pick a fight (see what I did there?) from our curated list, or create your own. No holes barred here. Talk all the trash your little heart desires, then get rewarded while you do it. Earn FanCoins and trade them for swag and exclusive experiences.

You're welcome, and Raptors over the Wizards in 6.
