In the absence of any specific instructions, the common shares represented by proxies received by management will be voted «**FOR**» the election of the persons nominated for election as directors, as indicated under «**Election of Directors**», «**FOR**» the appointment of the Auditors and the authorization to the Board of Directors to fix their remuneration, and «**FOR**» the continuation of the Corporation's stock option plan.

The enclosed proxy form confers discretionary authority upon the persons named therein with respect to amendment or variation to matters identified in the Notice of Meeting, and with respect to any other matter which may properly come before the Meeting. At the date of this management information circular, the directors of the Corporation are not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. However, if any such amendment, variation or other matter properly comes before the Meeting, the persons named in the enclosed proxy form will vote on such other business in accordance with their judgment.

C. STATEMENT OF EXECUTIVE COMPENSATION

The following section provides information on the compensation paid or payable to the President, Chief Executive Officer and Chief Financial Officer, being the Corporation's "Named Executive Officers" ("NEO") as this term is defined in *Form 51-102F6 Statement of Executive Compensation* under *National Instrument 51-102 respecting continuous disclosure obligations*. For the years ended December 31, 2010 and 2011, the Corporation had two Named Executive Officers, being Rodrigue Tremblay, President and CEO and Jacques Frigon, CFO. Mrs. Tremblay and Frigon were the only Named Executive Officers for the year ended December 31, 2011.

The Board of directors of the Corporation (the "Board") has no compensation committee. Considering its actual small size, the Board assumes the responsibility to establish the objectives of the Corporation's executive compensation program which are to attract, motivate, engage and retain qualified, high performance individuals and to meet performance objectives designed to increase shareholder returns. The Board: (i) establishes the objectives that will govern the Corporation's compensation program for the NEOs and the directors; (ii) oversees and approves the compensation and benefits to the NEOs; (iii) oversees the Corporation's stock option plan; and (iv) promotes the clear and complete disclosure to shareholders of material information regarding executive compensation.

Compensation Process and Objectives

The Board relies on the knowledge and experience of its members to set appropriate levels of compensation for the NEOs. The Board reviews the NEOs compensation on an annual basis and, in doing such task, it evaluates the NEOs achievements during the preceding year. The Corporation has not retained any third party advisors to conduct compensation reviews of its competitors' pay levels and practices.

The Corporation is an exploratory stage mining company and is not generating, nor expecting to generate revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Board to be appropriate in the evaluation of corporate of NEOs performance. The compensation of the senior officers is based, in substantial part, on industry compensation practices, trends in the mining industry as well as achievement of the Corporation's business plans. An important element of the compensation is the grant of stock options, which does not require cash disbursement from the Corporation.

Currently, the compensation arrangements for the Corporation's NEOs are composed of two components: (i) the payment of an amount in cash to the CEO as consulting fees; and (ii) the grant of stock options. A competitive remuneration is aimed to attract and retain skilled persons necessary to achieve corporate

objectives. The grant of stock options is aimed to motivate and reward senior officers to increase shareholder value by the achievement of long-term corporate strategies and objectives.

The Corporation does not offer benefit programs, such as life insurance and health and dental benefits. Where NEOs receive other perquisites (such as car allowances or company vehicles), they reflect competitive practices, business needs and objectives.

Consulting Fees

The cash amount paid to the CEO on a consulting fee basis is reviewed annually by the Board to ensure it reflects a balance of market conditions, the level of responsibilities, the skill and competencies of the individual, retention considerations as well as the level of demonstrated performance. The basic hourly rate payable for professional services payable to the CEO is set by the Board on the basis of its opinion as to a fair and responsible compensation package, taking into account the contribution of the President and CEO to the Corporation's long-term growth and the Board members' knowledge of remuneration practices in Canada.

Stock Options

The Corporation has implemented a stock option plan (see “**Securities Authorized for Issuance under Equity Compensation Plans**” elsewhere in this Information Circular) to provide its officers, including NEOs, directors, employees and consultants with a long-term incentive for performance and commitment to the Corporation.

The Corporation believes that participation by the NEOs and directors in the stock option plan aligns their interests with those of the Corporation's shareholders, as the NEOs and directors are rewarded for the Corporation's performance as evidenced by share price appreciation. In determining the number of options to be granted, the number and term of options previously granted, individual and team responsibilities and functions, position, individual performance and projected contribution are considered. Management proposes the number of options and names of the optionees and the Board reviews and approves the grant and sets the exercise price (based on the current market price of the Corporation's shares on the TSX Venture Exchange Inc.) and the expiry date.

Summary Compensation Table

The following table sets forth all compensation paid, payable, awarded, granted, given, or otherwise provided, directly or indirectly, by the Corporation, in Canadian dollars, to the Corporation's NEOs for the fiscal years ended December 31, 2009, 2010 and 2011.

D. AUDIT COMMITTEE INFORMATION

National Instrument 52-110 respecting Audit Committees ("NI- 52-110") requires the Corporation, as a venture issuer, to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth in the following:

Audit Committee Mandate and Terms of Reference for Chair

The mandate and responsibilities of the audit committee of the Corporation (the "Audit Committee") is attached hereto as Schedule "A".

Composition and Relevant Education

The Audit Committee is presently composed of Rodrigue Tremblay, CEO, Jean Roy and Laurent Hallé. The Board of Directors has determined that Jean Roy and Laurent Hallé are independent members of the Audit Committee and Rodrigue Tremblay is a non-independent member due to his role as Chief Executive Officer of the Corporation. A director is "independent" if he has no direct or indirect material relationship with the issuer, that is, a relationship which could, in the view of the Board of Directors, reasonably be expected to interfere with the exercise of the member's independent judgment.

The Board of Directors has determined that each of the three members of the Audit Committee is "financially literate" within the meaning of NI-52-110, that is, each member has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation's financial statements.

Rodrigue Tremblay obtained a bachelor degree in administration in May 1972 from the University of Ottawa as well as a master's degree in management of corporations in June 1996 from the Université du Québec de Chicoutimi. He has been active in the business community for more than 30 years. Mr. Tremblay is Chief Financial Officer and a director of Lounor Exploration Inc., an exploration company.

Laurent Hallé has been a consulting geologist and project manager with Yorbeau Resources Inc., an exploration company, since January 2009 and he has served in the same capacity with Aurora Platinum Corp., Lake Shore Gold Corp., Superior Diamonds Inc. and Fieldex Exploration Inc. Mr. Hallé acted as President for X-Terra Resources Corporation Inc. from June 2007 to August 2008 and as director for Fieldex Exploration Inc. from March 2004 to June 2007, both being exploration companies. He received his bachelor degree in geology in May 1982 from the Université du Québec à Montréal (UQAM) and postgraduate studies at McGill University in 1982.

Jean Roy is an investor and businessman with a long standing interest in construction and for the mining industry in the famous Timmins mining camp. Mr. Roy has a degree in Architectural Technology from the Ryerson Polytechnical Institute of Toronto, Ontario and is President of JCML Resources Inc., a private junior exploration company and of Val-d'Or Royalties Inc., a holding company.

Audit Committee Oversight

At no any time since the commencement of the Corporation's financial years ended December 31, 2011, a recommendation of the Audit Committee to nominate or compensate an external auditor was not adopted by the Board of Directors of the Corporation.

Pre-Approval of Policies and Procedures

The Audit Committee shall review and pre-approve all non-audit services to be provided to the Corporation by its external auditors.

Reliance on Certain Exemptions

As a venture issuer, the Corporation is relying upon the exemption in section 6.1 of NI-52-110 in respect of the composition of its Audit Committee and in respect of some of its reporting obligations under this Instrument.

E. CORPORATE GOVERNANCE PRACTICES

The following table describes the Corporation's approach to corporate governance with reference to *National Instrument 58-101 respecting Disclosure of Corporate Governance Practices* ("NI-58-101") for venture issuers. The Corporation believes that its practices are adequate and efficient for its organization as well as for its "junior" exploration Corporation status. The matters pertaining to the corporate governance practices are studied by the Board of Directors.

Composition of the Board	The Board of Directors (the "Board") consists of four members, of which two are independent directors as this term is defined in NI-58-101. Rodrigue Tremblay and Jacques Frigon are not considered independent due to their respective positions as President and CEO and CFO

The current size and composition of the Board allow the entire Board to take the responsibility for finding and nominating new directors, taking into consideration the competencies, skills, experiences and ability to devote the required time.
Compensation Committee	The Board does not have a compensation committee. The current size of the Board allows the entire Board to take responsibility for considering compensation for the Corporation's executive officers and directors. The Corporation compensates its directors by the grant of stock options and only the President and Chief Executive Officer is paid management and consultant fees for services rendered to the Corporation.
Other Board Committees	The Corporation does not have any standing committees other than the Audit Committee.
Board Assessments	The Board is responsible for assessing its effectiveness as well as that of individual directors. The Board considers the mix of skills and experience that directors bring to the Corporation to assess whether they have the necessary skills to perform their function effectively.

- recommends to the Board the appointment of the external auditors and their remuneration.

The Committee has the authority to examine and make recommendations on any question brought to its attention. The Committee, in carrying out this mandate, has access, upon request, to all relevant information concerning the Corporation's operations, whether this information is in the hands of the Corporation, a subsidiary or a related person.

The Committee may, at his own discretion, use the services of outside consultants.

2. Committee Responsibilities - Audit

In general, the Committee's mandate is to supervise the reporting and disclosure processes of the Corporation and to report on its activities to the Board.

The Committee must ascertain that adequate procedures are in place to review the public disclosure by the Corporation of financial information extracted or derived from its financial statements and must periodically assess the adequacy of these procedures.

The Committee must establish procedures for the receipt, retention and treatment of complaints received by the Corporation regarding accounting, internal accounting controls, or auditing matters; and the confidential, anonymous submission by employees of the Corporation, if any, of concerns regarding questionable accounting or auditing matters.

And, more particularly,

2.1 Financial Statements, Notes, Management Reports and Press Releases

2.1.1 The Committee examines the interim financial statements and the audited financial statements at year-end before making them public, as well as the documents prepared for electronic deposit with regulatory authorities. The Committee may make whatever changes it deems necessary to the financial statements. Otherwise, the Committee recommends the approval of these financial statements by the Board.

2.1.2 The Committee examines the notes to the financial statements and all management reports accompanying the financial statements distributed to the shareholders and/or to the regulatory authorities, as well as press releases issued along with the financial statements, notes and related comments. The Committee makes all the modifications deemed necessary to these documents. Otherwise, it recommends the approval of these documents by the Board.

2.2 External Auditors

2.2.1 The Committee makes recommendations to the Board with regard to the selection of external auditors, their remuneration and their reappointment, as the case may be. It reviews the audit plan with the external auditors and defines the specific needs of the Committee. The Committee receives the auditors' report with the accompanying notes.

2.2.2 The Committee meets with the external auditors before the beginning of their mandate and, at this meeting, examines and approves the scope of the audit plan as well as the audit fees allocated to the work to be done.

2.2.3 At that time, the Committee analyzes the external auditors' independence, reviews services other than audit services to be performed by the external auditors and determines if the nature and extent of these services may or may not be prejudicial to their independence. The Committee reviews and approves the hiring policies regarding partners, employees and former partners and employees of the present and former external auditors of the Corporation.

2.2.4 The Committee also meets with the external auditors at the meeting planned for the examination of the year-end audited financial statements and, on this occasion, receives the post-audit report that will mainly deal with:- The acceptability and quality of the Corporation's accounting principles;

- The quality of the accounting systems and internal controls put in place by Management to ensure the integrity of the accounting and financial information;
- The recommendations made by the auditors to Management with respect to the accounting systems and internal controls, and Management's response thereto;
- The assessment of the measures put in place to deal with the risks faced by the Corporation when, in the auditors' opinion, certain factors could have a material impact on the results of the Corporation; and
- The difficulties encountered by the external auditors in the course of their mandate, in particular any restrictions imposed by Management or serious accounting questions over which they disagreed with Management.

2.2.5 At these meetings, the Audit Committee may meet with the auditors, out of the presence of the Corporation's Management and the internal directors. In fact, the Committee has direct access to the external auditors and Management and may hold private and informal discussions with each of the parties, whenever deemed opportune in carrying out their mandate.

- 2.2.6 Also, the Management of the Corporation and the external auditors may, if necessary, ask to meet the members of the Committee to review with them all transactions, procedures or other questions which, in their opinion, are relevant to the mandate of the Committee.
- 2.2.7 The Audit Committee must approve, in advance, all the services that are not related to the audit that the external auditors do for the Corporation and its subsidiaries.
- 2.2.8 The Committee examines the conditions of the mandate of the external auditors and verifies that the fees are appropriate and reasonable for the audit and approves unpaid fees.
- 2.2.9 The Committee is in charge of resolving disagreements between the management of the Corporation and the external auditors concerning the financial reporting.

3. Responsibilities of the Committee - Conflicts of Interest

Every year or more often, as required, the Committee examines:

- 3.1 Any situation that has been brought to its attention that may cause a conflict of interest and, more particularly, the approval of the financial conditions applicable within the framework of contracts with persons or companies related to or affiliated with the Corporation, to ensure that these contracts are as advantageous to the Corporation as if they had been negotiated with other parties.
- 3.2 Any eventual violation of a contract that is brought to its attention and which could have an impact on the financial statements.

4. Appointment of Auditors - Other Resources

In performing its duties, the Committee may hire all necessary resources.

Each year, after having verified the qualifications of the incumbent or potential auditors, the Committee must recommend to the Board the appointment of external auditors. At its first meeting of the year in March, the Committee must consider whether it is appropriate, for the next fiscal year, to proceed with a call for tenders from various auditing firms or to renew the mandate of the auditors in place.

If Management proposes a change of external auditors, the Committee must be informed of the reasons for such a change and, in all cases, approve the information to be made public in accordance with the regulations.

5. Composition

The Audit Committee consists of a minimum of three directors appointed by the Board at the first meeting following the annual general meeting of the shareholders.

The members of the Committee are in majority independent directors, as defined in Rule 52-110. All members of the Committee are financially literate.

At least one (1) member of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices.

6. Chairman of the Committee

The Chairman of the Committee is selected by the members of the Committee unless he is appointed by the Board; in the case of absence, unavailability or if he vacates his post, the chairmanship will be assumed by a member chosen by the Committee.

7. Number of Meetings

A member of the Committee may convene a special meeting.

9. Quorum and Decisions

A majority of Committee members shall constitute a quorum.

Provided there is a quorum, decisions are made by a vote of the majority of the members present.

10. Report

The Committee reports to the Board of Directors. The minutes of a Committee meeting constitute a report in itself.
