About Brunswick Resources Inc.

Brunswick has as its flagship property the Abitibi Gold Property located in Munro Township in the famous Timmins mining camp. There are many surface gold showings that require investigation by ground geophysical surveys and followed up by a diamond drilling program. A recent airborne survey has successfully outlined many EM and magnetic structural features. A geophysical feature similar to the Croesus mine has been identified. The Abitibi Gold Property consists of 112 claims located approximately 86 kilometres east northeast of the city of Timmins in the Larder Lake Mining Division, Ontario.

This document may contain forward-looking statements relating to Brunswick's operations or to the environment in which it operates. Such statements are based on operations, estimates, forecasts and projections. They are not guarantees of future performance and involve risks and uncertainties that are difficult to predict and may be beyond Brunswick's control. A number of important factors could cause actual outcomes and results to differ materially from those expressed in forward-looking statements, including those set forth in other public filing. In addition, such statements relate to the date on which they are made. Consequently, undue reliance should not be placed on such forward-looking statements.
