

MATERIAL CHANGE REPORT

Item 1: Name and Address of Reporting Issuer

Scavo Resource Corp(formerly. Pure Living Media Inc) (the "Company")

509 – 207 West Hastings St

Vancouver, BC V6B 1H7

Item 2: Date of Material Change

August 23, 2012

Item 3: News Release

A news release was issued and disseminated on August 23, 2012 through Stockwatch and Market News Publishing Inc., posted on the CNSX website and filed on SEDAR (www.sedar.com).

Item 4: Summary of Material Changes

The Company announced it has entered into an exploration program with Aurora Geosciences Ltd. ("Aurora") of Yellowknife in NWT, effective immediately. Aurora provides professional geophysical, geological and exploration support services to mineral exploration companies exploring in the North. Aurora will map, measure stratigraphic sections, prospect for mineralization, and collect stream sediment samples, in targeted areas of Scavo Resource Corp's Purple Onion Property in the Northwest Territories.

Rock samples will be handled, documented, sampled, secured, transported and assayed using NI 43-101 compliant procedure and will maintain a secure chain of custody for all samples collected throughout the program.

Aurora will prepare a final assessment quality report, based on all work completed during the program.

The estimated cost for this summer's exploration program is approximately \$100,000.

Item 5: Full Description of Material Change

Please see the news release attached as Schedule "A" hereto for a full description of the material change.

Item 6: Reliance on subsection 7.1(2) or (3) of National Instrument 51-102

Not applicable.

Item 7: Omitted Information

None.

Item 8: Executive Officer

For further information, please contact:

Arndt Roehlig, President

Telephone: (604) 569-1236

Item 9: Date of Report

August 23, 2012

The Canadian National Stock Exchange has neither approved nor disapproved the contents of this news release.

PURPLE ONION EXPLORATION PROGRAM

August 23, 2012

CNSX Symbol: SCV

Mr. Arndt Roehlig reports:

Vancouver, BC: Scavo Resource Corp. (formerly Pure Living Media Inc.) (the "Company") announces it has entered into an exploration program with Aurora Geosciences Ltd. ("Aurora") of Yellowknife in NWT, effective immediately. Aurora provides professional geophysical, geological and exploration support services to mineral exploration companies exploring in the North. Aurora will map, measure stratigraphic sections, prospect for mineralization, and collect stream sediment samples, in targeted areas of Scavo Resource Corp's Purple Onion Property in the Northwest Territories.

Rock samples will be handled, documented, sampled, secured, transported and assayed using NI 43-101 compliant procedure and will maintain a secure chain of custody for all samples collected throughout the program.

Aurora will prepare a final assessment quality report, based on all work completed during the program.

The estimated cost for this summer's exploration program is approximately \$100,000.
