NEWS RELEASE

Seahawk Ventures Inc. Files Annual Financial Statements and MD&A, Will File Amended and Restated Interim Financials and MD&A

VANCOUVER, BC, Canada (September 28, 2016) – Seahawk Ventures Inc. (CSE: SHV) (the "**Company**") has filed its annual financial statements and related management discussion and analysis ("**M&DA**") for the year ended May 31, 2016. The financial statements and M&DA are available under the Company's profile at www.sedar.com.

The Company is in the process of finalizing certain amendments and restatements to its interim financial statements and MD&A for the three, six and nine month periods ended August 31, 2015, November 30, 2015 and February 29, 2016. The amendments and restatements will ensure the consistency of accounting policy application and note disclosures with the audited financial statements filed today, and will reflect the Company's treatment of its share exchange with Brabeia Inc. in August, 2015 as a failed transaction.

Management anticipates filing the amended and restated interim financial statements and MD&A for these quarters within the next two weeks, and will issue a further news release when this has happened.
