INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This Information Circular (the "**Circular**") is furnished in connection with the solicitation of proxies by the management of **SEAHAWK VENTURES INC.** (the "**Corporation**" or the "**Company**") for use at the annual and special meeting of shareholders (and any adjournment thereof) (the "**Meeting**") to be held on Friday, November 17, 2017 at 9:30 a.m. at Suite 1700 - 666 Burrard Street, Vancouver, British Columbia, V6C 2X8, for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the regular employees of the Corporation at nominal cost, or by outside parties. All costs of solicitation by management will be borne by the Corporation.

The contents and the sending of the Circular have been approved by the directors of the Corporation (the "**Board**").

APPOINTMENT AND REVOCATION OF PROXIES

The individuals named in the accompanying form of proxy are officers of the Corporation. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO MUST BE A SHAREHOLDER, AS MORE SPECIFICALLY SET OUT BELOW) TO REPRESENT HIM AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAMES OF THOSE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY AND INSERTING THE DESIRED PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER FORM OF PROXY.** A proxy will not be valid unless the completed form of proxy is received by **COMPUTERSHARE TRUST COMPANY OF CANADA**, Proxy Dept., 100 University Avenue, 9th Floor, Toronto, Ontario M4J 2Y1 **Fax: 1-866-249-7775** not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof or to the Chairman of the Meeting on the day of the Meeting, before the commencement of the Meeting.

A person must not be appointed a proxyholder unless the person is a shareholder of the Corporation, unless: (a) the shareholder is a corporation; (b) the Corporation has only one shareholder at the time of the Meeting; or (c) the remaining shareholders present in person or represented by proxy at the Meeting for which the proxyholder is appointed, by resolution on which the proxyholder is not entitled to vote, permit the proxyholder to attend and vote at the Meeting.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his or her attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered to the registered office of the Corporation at Suite 1700, 666 Burrard Street, Vancouver, British Columbia, V6C 2X8 at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting, prior to the commencement of the Meeting or, if adjourned, any

reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

ADVICE TO BENEFICIAL SHAREHOLDERS

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shareholders who do not hold their shares in their own name (referred to herein as "Beneficial Shareholders") are advised that only proxies from shareholders of record can be recognized and voted at the Meeting. Beneficial Shareholders who complete and return an instrument of proxy must indicate thereon the person (usually a brokerage house) who holds their shares as a registered shareholder. Every intermediary (broker) has its own mailing procedure, and provides its own return instructions, which should be carefully followed. The instrument of proxy supplied to Beneficial Shareholders is identical to that provided to registered shareholders. However, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder.

If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those shares will not be registered in such shareholder's name on the records of the Corporation. Such shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which company acts as nominee and custodian for many Canadian brokerage firms). Common shares held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers/nominees are prohibited from voting shares for their clients. The directors and officers of the Corporation do not know for whose benefit the common shares registered in the name of CDS & Co. are held.

In accordance with National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice of Meeting, the Circular and the proxy to the clearing agencies and intermediaries for onward distribution to non-registered shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings unless the Beneficial Shareholders have waived the right to receive Meeting materials. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Corporation to the registered shareholders. However, its purpose is limited to instructing the registered shareholder how to vote on behalf of the Beneficial Shareholder should a non-registered shareholder receiving such a form wish to vote at the Meeting, the non-registered shareholders should strike out the names of the management proxyholders named in the form and insert the non-registered shareholder's name in the blank provided. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of

common shares to be represented at the Meeting. **A Beneficial Shareholder receiving a proxy with a Broadridge sticker on it cannot use that proxy to vote common shares directly at the Meeting - the proxy must be returned to Broadridge well in advance of the Meeting in order to have the common shares voted.** All references to shareholders in the Circular and the accompanying form of proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise.

VOTING OF PROXIES

IN THE ABSENCE OF ANY DIRECTION IN THE FORM OF PROXY, IT IS INTENDED IF MANAGEMENT'S PROXYHOLDERS ARE SELECTED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THE CIRCULAR.

The shares represented by proxies will, on any vote where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted or withheld from voting in accordance with the specification made.

SUCH SHARES WILL ON A POLL BE VOTED IN FAVOUR OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED OR WHERE BOTH CHOICES HAVE BEEN SPECIFIED BY THE SHAREHOLDER.

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgement on such matters or business. At the time of the printing of the Circular, the management of the Corporation knows of no such amendment, variation or other matter which may be presented to the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year-end of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, the appointment of the auditor and as may be set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Board has fixed October 16, 2017 as the record date (the "**Record Date**") for determining persons entitled to receive notice of the Meeting. Only shareholders of record at the close of

business on the Record Date who either attend the Meeting personally or complete, sign and deliver a Proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

As of October 16, 2017, there were 28,874,772 Common Shares issued and outstanding. Of these shares, 25,357,596 Common Shares may be voted, and the balance of 3,517,176 Common Shares are held pursuant to a performance escrow agreement dated August 21, 2015 which provides (among other things) that they may not be voted by their holders until they are released from escrow. Please refer to Note 4 to the Company's interim financial statements for the three month period ended August 31, 2017 for further information regarding these escrowed shares. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares. As of October 16, 2017, the Corporation had no other class of securities.

To the knowledge of the directors and executive officers of the Corporation as at the date hereof, based on information provided on the System for Disclosure by Insiders (SEDI) and on information filed by third parties on the System for Electronic Document Analysis and Retrieval (SEDAR), no person or corporation beneficially owned, directly or indirectly, or exercised control or discretion over, voting securities of the Corporation carrying more than 10% of the voting rights attached to any class of voting securities of the Corporation.

As of October 16, 2017, the directors and executive officers of the Corporation, as a group, beneficially owned, or controlled or directed, directly or indirectly, 5,414,000 common shares, representing approximately 18.75% of the outstanding common shares of the Corporation.

ELECTION OF DIRECTORS

The Board presently consists of five directors. At the Meeting, shareholders will be asked to pass an ordinary resolution to set the number of directors of the Corporation for the ensuing year at five (5). The number of directors will be approved if the affirmative vote of the majority of common shares present or represented by proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at five. Unless the director's office is vacated earlier in accordance with the provisions of the *Business Corporations Act* (British Columbia), each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

Management recommends the approval of the resolution to set the number of directors of the Corporation at five (5).

An Advance Notice Policy was approved by the shareholders of the Corporation at its annual general meeting on December 4, 2013, whereby any additional director nominations for the Meeting must have been received by the Corporation in compliance with the Advance Notice Policy not less than 30 days before the date of the Meeting. A copy of the Advance Notice Policy is available on the Company's profile at www.sedar.com. As no such nominations were received by the Corporation prior to such date, management's nominees for election as directors set forth below are the only nominees eligible to stand for election at the Meeting.

The following table sets out the names of management's nominees for election as directors, all positions with the Corporation and any of its subsidiaries each now holds, each nominee's principal occupation, business or employment for the five preceding years for new director nominees, the period of time during which each has been a director of the Corporation and the number of Common Shares of the Corporation beneficially owned by each, directly or indirectly, or over which each exercised control or direction, as at October 16, 2017.

Cease Trade Orders, Bankruptcies and Penalties or Sanctions

On February 4, 2016 and February 9, 2016 cease trade orders were issued by the British Columbia Securities Commission (the "BCSC") and the Ontario Securities Commission (the "OSC") respectively, due to the Corporation failing to file its interim financial statements and related MD&A for the period ended November 30, 2015 on time. These filings were made on February 26, 2016 and the Corporation was notified on February 29, 2016 by the BCSC and on March 2, 2016 by the OSC, that the cease trade orders issued by the BCSC and the OSC were revoked as they applied to the Corporation to permit trading in the securities of the Corporation. Both Bruno Gasbarro and Giovanni Gasbarro were directors and officers of the Corporation during that period.

To the knowledge of the Company, no proposed director:

- (a) is, as at the date of this Circular, or has been within 10 years before the date of this Circular, a director or officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or

- (b) has, within the 10 years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director; or
- (c) has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or

CORPORATE GOVERNANCE

National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. The Corporation has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Corporation at its current stage of development and therefore these guidelines have not been adopted. National Instrument 58-101 *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices, which disclosure is set out below.

Independence of Members of Board

The operations of the Corporation do not require a large board of directors and the Board has determined that the current constitution of the Board is appropriate for the Company's current stage of development. Independent supervision of management is accomplished through choosing management who demonstrate a high level of integrity and ability and having strong independent Board members.

Participation of Directors in Other Reporting Issuers

There are no directors of the Corporation who presently hold directorships in other reporting issuers.

Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars. Board members have full access to the Company's records.

Ethical Business Conduct

The Board views good corporate governance and ethical business conduct as an integral component to the success of the Corporation and to meet responsibilities to its shareholders. Due to the size of the Corporation and its present level of activity, the Corporation has not adopted a Code of Conduct or taken formal steps to encourage or promote a culture of ethical business conduct.

Nomination of Directors

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors.

Employment, consulting and management agreements

The Corporation has no employment, consulting or management agreements with any of its Named Executive Officers or Directors.

There are no compensation plan(s) or arrangement(s) with respect to the Named Executive Officers resulting from the resignation, retirement or any other termination of the Named Executive Officer's employment with the Corporation or from a change of control of the

Corporation or a change in the Named Executive Officer's responsibilities following a change in control.

Oversight and description of director and named executive officer compensation

The Corporation does not have in place a Compensation Committee or a Nominating Committee. All tasks related to developing and monitoring the Company's approach to the compensation of NEOs of the Corporation and to developing and monitoring the Company's approach to the nomination of directors to the Board are performed by the members of the Board. The compensation of the NEOs and the Company's employees is reviewed, recommended and approved by the Board without reference to any specific formula or criteria on an ongoing basis and is reviewed annually.

The Company's compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Company's business objectives of improving overall corporate performance and creating long-term value for the Company's shareholders.

The Company's current compensation program for all NEOs is comprised of three elements: base salary, performance bonuses and long term incentives (stock options). The compensation program is intended to reward executive officers on the basis of individual performance and achievement of corporate objectives. At this time, the Board has not established any benchmark or performance goals that are tied to the compensation of NEOs. However, the NEOs are expected to carry out their duties in an effective and efficient manner and to advance the exploration goals of the Company. If the Board determines that these duties are not being met, the Board has the ability to replace such NEOs in its discretion.

In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries allow the Corporation to attract and retain NEOs, performance bonuses reward short term performance and incentive stock options encourage NEOs to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary for each NEO is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time. The NEOs' performances and salaries are to be reviewed periodically on the anniversary of their employment with the Company. Increases in salary are to be evaluated on an individual basis and are performance based. Compensation is not determined based on any particular peer group.

The Corporation has no pension plans that provide for payments or benefits at, following, or in connection with retirement.

A member of the Audit Committee is considered financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

Relevant Education and Experience

Each member of the Audit Committee has served as an officer and/or a director of numerous public companies. In the Board's opinion, this involvement has provided each member with the relevant experience required to serve on the Audit Committee. Please refer to page 5 of this Circular, which includes each member's public company experience for the preceding five years.

Audit Committee Oversight

At no time since the commencement of the Company's most recently completed financial year was a recommendation of the Committee to nominate or compensate an external auditor (currently, Davidson & Company, Chartered Accountants, of Vancouver, British Columbia) not adopted by the Board.

Reliance on Certain Exemptions

During the most recently completed financial year, the Corporation has not relied on the exemptions contained in sections 2.4 or 8 of National Instrument 52-110 *Audit Committees*

["NI 52-110"]. Section 2.4 provides an exemption from the requirement that the Audit Committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of all the non-audit services not pre-approved is reasonably expected to be no more than 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided, the Corporation did not recognize the services as non-audit services at the time of engagement, and the services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

Pre-Approval Policies and Procedures

Formal policies and procedures for the engagement of non-audit services have yet to be formulated and adopted. Subject to the requirements of NI 52-110, the engagement of non-audit services is considered by, as applicable, the Board and the Audit Committee, on a case-by-case basis.

External Auditor Service Fees

The Audit Committee has reviewed the nature and amount of the non-audited services provided by Davidson & Company, Chartered Accountants, of Vancouver, British Columbia to the Corporation to ensure auditor independence. Fees incurred with Davidson & Company, Chartered Accountants, of Vancouver, British Columbia for audit and non-audit services in the last two fiscal years are outlined in the following table:

Financial Year Ending	Audit Fees	Audit Related Fees ⁽¹⁾	Tax Fees ⁽²⁾	All Other Fees ⁽³⁾
May 31, 2017	\$15,529.50	Nil	Nil	Nil
May 31, 2016	\$27,578.25	Nil	Nil	Nil

- (1) Fees charged for assurance and related services reasonably related to the performance of an audit, and not included under "Audit Fees".
- (2) Fees charged for tax compliance, tax advice and tax planning services.
- (3) Fees for services other than disclosed in any other column.

Exemption

The Corporation is relying upon the exemption in section 6.1 of NI 52-110 in respect of the composition of the Audit Committee and in respect of its reporting obligations under NI 52-110.

Consistent with this function, the Audit Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. - (c) Provide an open avenue of communication among the Company's auditors, financial and senior management and the Board.

2. Composition
