GREEN RIVER GOLD CORP. CORRECTS TYPOGRAPHIC MISTAKE IN SEPTEMBER 30, 2021 PRESS RELEASE

EDMONTON, ALBERTA – Green River Gold Corp. (CSX.CN:CCR) (OTC:CCRRF) (the “**Company**”) issued a press release on September 30, 2021 announcing that it plans to undertake a non-brokered private placement of up to 6,200,000 Flow-Through Common Shares and up to 2,500,000 Units (the “**Offering**”). Due to a typographic mistake, the press release indicated that the common share purchase warrants (“**Warrants**”) to be issued pursuant to the Offering would be subject to acceleration if the closing price of the Company’s Common Shares on the Canadian Securities Exchange (the “**CSE**”) is equal to or greater than \$0.09 for a period of ten (10) consecutive trading days.

Please note that if the closing price of the Company’s Common Shares on the CSE (or such other principal exchange on which the Common Shares may be traded at such time) is equal to or greater than \$0.20 for a period of ten (10) consecutive trading days, the Company may, at its sole option, accelerate the expiry date of Warrants to the date which is thirty (30) days following the date upon which notice of the accelerated expiry date is provided by the Company (given by way of news release).
