

Mainstream Minerals Corporation announces update to previous press release dated February 6th, 2012 regarding a Non-Brokered Private Placement Financing to close on or about March 9th, 2012

Winnipeg, MB – March 13th, 2012

Mainstream Minerals Corporation (TSX.V: MJO) (the "Issuer") is announcing that the non-brokered private placement previously announced on February 6th, 2012 and originally scheduled to close on March 9th, 2012, will now be closing in one or more tranches. The first tranche is anticipated to close on March 27th, 2012. The final closing date of this offering will be extended to April 28th, 2012. All other terms and conditions of the offering previously announced on February 6th, 2012 will remain the same.

The closing of this offering remains subject to the approval of the TSX Venture Exchange Inc.

About Mainstream Minerals

Mainstream Minerals Corporation is a mineral exploration and development company focused on precious metal mining properties with economic potential, with the aim of possibly bringing such properties to commercial production. With a portfolio of six projects located in the Birch-Uchi Greenstone Belt, Red Lake Mining District, the company is well positioned to take advantage of the resurgence of exploration and development activities in this prospective belt located 80 kilometres due east of the main Red Lake Greenstone Belt. These six projects cover an area of approximately 28,600 acres and host several known gold occurrences and past producing mines. Other projects include the Rowan Lake Project on the Cameron Lake-Pipestone Fault in the Kenora Mining District, the West Keefer Claims located in the West Timmins area in north-central Ontario and the Casa Berardi Claims in northern Québec.
