Private Placement Amendment

Vancouver, British Columbia (April 26, 2012) – Silver Sun Resource Corp. (“Silver Sun” or “the Company”) announces that the Company has amend its non-brokered private placement, previously announced on April 3, 2012. The Company will raise up to \$1,072,500 through the issuance of up to 6,500,000 Units at a price of \$0.165 per Unit (the "Amended Offering").

Under the terms of the Amended Offering each unit will consist of one common share in the capital of the Company (each, a "Share") and one non-transferable common share purchase warrant (each, a "Warrant"). Each Warrant shall entitle the holder to purchase one additional common share of the Company (each, a "Warrant Share") for a period of five years from the date of issue, at a price of \$0.25 per Warrant Share during the first year, at a price of \$0.40 per Warrant Share during the second year, at a price of \$0.50 per Warrant Share during the third year, at a price of \$0.75 per Warrant Share during the fourth year and at a price of \$1.00 per Warrant Share during the fifth year.

Silver Sun intends to use the proceeds of the private placement for expansion of the Cherry Hill Gold mine in Siskiyou County, California, general working capital and corporate purposes. The Amended Offering will be conducted on a non-brokered basis and Silver Sun may pay a finder's fee in cash and/or warrants in connection with the Amended Offering.

Closing of the Amended Offering is subject to customary conditions including TSX Venture Exchange approval. Any securities issued pursuant to the Amended Offering will be subject to a hold period of four months and one day after closing of the offering under applicable Canadian securities laws. The Warrants will also be restricted securities subject to these restrictions.

About Silver Sun Resource Corp.

Silver Sun Resource Corp. is a Canadian-based resource company focused on the acquisition, exploration and development of precious metal deposits in North America. The Company is in the production stage with its gold project in Yreka, California and engaged in an on-going work program on the Zacatecas, Salvador, and Mina San Jose properties located within the prolific Zacatecas Silver District in Mexico, as well as its Yoreme Silver Project in the mining district of Alamos, Sonora State, Mexico. The Company has an experienced management team with a growth strategy to develop a diversified portfolio of mining projects that can be taken to production in the near-term. The company's design is to add shareholder value through efficient exploration, strategic acquisitions and effective marketing while maintaining a low risk profile through project diversification and sound financial management.

ON BEHALF OF THE BOARD OF DIRECTORS

“Mark A. McLeary”
President

Forward Looking Statements

This news release contains statements that constitute "forward-looking statements" within the meaning of Section 21E of the United States Securities Exchange Act of 1934 and "forward looking information" within the meaning of applicable Canadian provincial securities legislation (collectively, "forward-looking statements"). Forward-looking statements often, but not always, are identified by the use of words such as "seek", "anticipate", "believe", "plan", "estimate", "expect", "targeting" and "intend" and statements that an event or result "may", "will", "would", "should", "could", or "might" occur or be achieved and other similar expressions. Forward-looking statements in this news release include statements regarding the timing and nature of permitting approvals, the timing and nature of infrastructure developments and construction, completion of project milestones, projections of future optimization, the timing of negotiations with third parties, and the timing and nature of production timeline targets which are dependent on projections which may change as testing and processing continues.

The forward-looking statements that are contained in this news release are based on various assumptions and estimates by Silver Sun and involve a number of risks and uncertainties. As a consequence, actual results might differ materially from results forecast or suggested in these forward-looking statements. Forward-looking statements involve known and unknown risks, uncertainties, assumptions and other factors that may cause the actual results, performance or achievements of Silver Sun to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Factors that could cause the actual results to differ include; risks relating to fluctuations in the price of gold; the inherently hazardous nature of mining-related activities; uncertainties concerning resource estimates; results of exploration, availability of capital and financing on acceptable terms, inability to obtain required regulatory approvals, unanticipated difficulties or costs in any rehabilitation which may be necessary, market conditions and general business, economic, competitive, political and social conditions. These statements are based on a number of assumptions, including assumptions regarding general market conditions, timing and receipt of regulatory approvals, the ability of Silver Sun and other relevant parties to satisfy regulatory requirements, the availability of financing for proposed transactions and programs on reasonable terms and the ability of third-party service providers to deliver services in a timely manner. Although Silver Sun has attempted to identify important factors that could cause actual results to differ materially from those expressed or implied in forward-looking statements, there may be other factors which cause actual results to differ. Forward-looking statements contained herein are made as of the date of this news release and Silver Sun disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events or results or otherwise, except as required by applicable securities laws. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
