News Release

ARMADILLO ARRANGES NON-BROKERED \$150,000 PRIVATE PLACEMENT

June 26, 2013, Vancouver, BC -- (ARO-C) Les Kjosness, President & CEO, is pleased to announce a non-brokered private placement is being arranged for Cdn. \$150,000, subject to regulatory approval. The offering consists of 3,000,000 units at \$0.05 per unit. Each unit consists of one common share and sixty percent of one share purchase warrant. Each full warrant entitles the holder to purchase one additional share at an exercise price of \$0.05 per share for a period of one year. This press release does not constitute an offer to sell, nor does it solicit an offer to buy in any jurisdiction. Proceeds from the private placement will be used for corporate activities.

There will be a ten percent finder's fee applied to this private placement, payable in stock.

Armadillo is a publicly traded company headquartered in Vancouver, British Columbia and is listed on the CNSX with a mandate to acquire, explore and develop base and precious metals properties throughout North & South America. The Company currently has a 100% interest in the LD gold property located southeast of Atlin, BC; recently acquired the historic Flagstaff Gold Mine near Baker City, Oregon and the Amazon Basin Projects in northern Brazil which encompasses 154 concessions in the states of Amazonas, Mato Grosso and Rondonia and is being explored for gold, diamonds, tin and copper

On behalf of the Board,

'Les Kjosness'
President and Director
