This news release is not an offer of securities of Brookemont for sale in the United States. The above described issuances of securities of Brookemont described herein have not been and will not be registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration. This news release shall not constitute an offer to sell or solicitation of an offer to buy nor shall there be any sale of the above described securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

This news release contains forward-looking statements and forward-looking information, which are based on information currently available to the Company, and the Company provides no assurance that actual results will meet management's expectations. Forward-looking information includes that the parties may complete the Offering, that the Company may obtain TSX Venture Exchange approval of the Offering and that the proceeds of the Offering will be used as stated in this news release. Actual results could differ materially from those currently anticipated for many reasons such as: the failure to obtain the requisite approvals; the failure to raise funds pursuant to the Offering; changes in general economic conditions and conditions in the financial markets; changes in demand and prices for resources; and changes to the proposed uses of funds for any reason whatsoever. These and other factors should be considered carefully and readers should not place undue reliance on the Company's forward looking information. The Company does not undertake to update any forward-looking information that may be made from time to time by the Company or on its behalf, except in accordance with applicable securities laws.

Neither the TSX Venture Exchange Inc. nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange Inc.) accepts responsibility for the adequacy or accuracy of this press release.
