Actively Sourcing New Projects including resources, medical care, energy, biotech, and technology applications

**April 27, 2015** -- (“**TBO**” or the “**Company**”) (TBO—TSX.V) wishes to announce that it has commenced actively searching for additional projects. These new areas may include resources, medical care, energy, biotech, and technology applications. The Company is not and will not be looking into any marijuana related projects referred to above. At this time no new project has been identified or completed.

Jim Nelson, President, states, "With new management in place the board has a fresh and renewed perspective and energy. We are actively sourcing new projects and hope to close on at least one in this quarter."
