Narrows focus to Lithium in Nevada and Uranium in Saskatchewan

**August 28, 2015** -- (“**TBO**” or the “**Company**”) (TBO—TSX.V) wishes to announce that the Company has narrowed its focus in respect to searching for additional projects to Lithium prospects in Nevada and Uranium prospects in Saskatchewan. At this time no new project has been finalized nor is there any guarantee that one will be in the future.

Seth Kay, a director of Turbo, states, “Management has narrowed its search to Lithium prospects in Nevada and Uranium prospects in Saskatchewan. We feel these two areas have the best potential for significant project discoveries and we anticipate being able to close on at least one new project within the coming weeks.”
