The accompanying Information Circular provides additional information relating to the matters to be dealt with at the Meeting and is supplemental to, and expressly made a part of, this Notice of Meeting.

This year, the Company has decided to take advantage of the notice-and-access model provided for under amendments to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("Notice and Access") for the delivery of its Information Circular, the Company's audited financial statements and the Management's Discussion & Analysis for the financial years ended July 31, 2015 and July 31, 2014 (collectively, the "Meeting Materials"), to its shareholders in respect of the Meeting.

Under Notice and Access, instead of receiving paper copies of the Information Circular, shareholders will be receiving a notice with information on how they may access the Meeting Materials electronically. However, shareholders will receive a proxy or voting instruction form, as applicable, enabling them to vote at the Meeting. The use of this alternative means of delivery is more environmentally friendly, as it will help reduce paper use and it will also reduce the Company's printing and mailing costs.

The Meeting Materials will be available on the Company's website at <http://www.turbocapitalinc.com/2016-agm-materials.html> as of January 12, 2016 and will remain on the website for one full year thereafter. Meeting materials are also available upon request, **without charge**, by e-mail at [negar@cococapital.ca](mailto:negar@cococapital.ca) or by calling toll-free at 1-855-599-9150 (in North America) or at +1-604-899-9150 (outside North America), or can be accessed online on SEDAR at [www.sedar.com](http://www.sedar.com) as of January 12, 2016.

The Company will mail paper copies of the Meeting Materials to those registered and beneficial shareholders who have previously elected to receive paper copies of the Company's Meeting Materials. All other shareholders will receive a Notice and Access notification, which will contain information on how they may access the Meeting Materials electronically in advance of the Meeting.

The Company's board of directors has fixed January 5, 2016 as the record date for the determination of shareholders entitled to notice of and to vote at the Meeting or at any adjournment thereof. Each registered shareholder at the close of business on that date is entitled to such notice and to vote at the Meeting in the circumstances set out in the accompanying Information Circular.

Registered shareholders are entitled to vote at the Meeting in person or by proxy. Registered shareholders who are unable to attend the Meeting, or any adjournment thereof, in person, are requested to read, complete, sign and return the form of proxy accompanying this Notice of Meeting in accordance with the instructions set out in the form of proxy and in the Information Circular accompanying this Notice of Meeting. Unregistered shareholders who received the form of proxy accompanying this Notice of Meeting through an intermediary must deliver the proxy in accordance with the instructions given by such intermediary.

DATED at Vancouver, this 6<sup>th</sup> day of January, 2016.

By Order of the Board of
