Cruz Capital Corp. Now Fully Quoted on the USA market under the symbol BKTPF

Cruz Capital Corp (CUZ—TSX.v, BKTPF—USA, A2AG5M--Germany) is pleased to announce that Cruz Capital Corp has now been cleared by FINRA and now fully quoted on the OTC Markets under the symbol BKTPF.

James Nelson, President of Cruz stated "We are pleased to be fully quoted on the USA market. We have institutional and individual shareholders based in the USA that have taken part in our financings already and we have had an extremely strong interest from additional individuals and institutions based in the USA. Now showing a full quote will help facilitate an easier entry for those prospective shareholders. We are very optimistic about the short and long term prospects for cobalt and want all our current and future shareholders of Cruz to have access to a liquid market on their local exchange."

Cobalt prices have continued to show strength and once again closed at 6 month highs.

Cruz is actively engaged in acquiring and developing Cobalt assets globally. Cruz has currently acquired numerous high grade cobalt assets located in North America. Seven cobalt projects are in Canada and one in Idaho. The goal of the company is to make Cruz the foremost cobalt project generator and developer on the TSX Venture Exchange. Management feels that cobalt is at the early stages of a significant bull market and we are pleased to be positioning Cruz at the forefront of this cycle.
