MANAGEMENT INFORMATION CIRCULAR

(As at March 31, 2022, except as indicated)

INTRODUCTION

Cruz Battery Metals Corp. (formerly Cruz Cobalt Corp.; the “**Company**” or “**Cruz**”) is providing this management information circular (the “**Circular**”) and a form of proxy in connection with the management’s solicitation of proxies for use at the annual general and special meeting (the “**Meeting**”) of the Company to be held at the offices of Clark Wilson LLP, 900 – 885 West Georgia Street, Vancouver, British Columbia, on Monday, May 16, 2022 at 10:00 a.m. (Pacific Time), or at any adjournment or postponement thereof, for the purposes set forth in the accompanying notice of meeting (the “**Notice**”).

The Record Date and Currency

Only Shareholders of record at the close of business (Pacific Time) on Thursday, March 31, 2022 (the “**Record Date**”) will be entitled to receive Notice of and vote at the Meeting, or any adjournment or postponement thereof. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

Due to the ongoing COVID-19 pandemic and provincial and federal guidance regarding public gatherings, Shareholders and proxyholders are encouraged not to attend the Meeting in person in order to mitigate potential risks to the health and safety of Shareholders, employees, and the community. There may be strict limitations on the number of persons permitted entry to the physical meeting location and guests may not be permitted entry. We strongly recommend that all Shareholders vote by proxy or voting instruction form in advance of the Meeting date.

The solicitation of proxies by the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Notice-and-Access

The Company is sending proxy related materials to its registered and beneficial Shareholders using “notice-and-access”, as defined under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*. Notice-and-access is a set of rules for reducing the volume of materials that must be physically

mailed to Shareholders by allowing issuers to post their information circular and additional materials online. Instead of receiving paper copies of meeting materials, Shareholders receive a “notice-and-access notice” containing prescribed information, as well as a form of proxy or voting information form, as applicable.

Shareholders with existing instructions on their account to receive paper materials will receive a paper copy of the meeting materials.

Appointment of Proxyholder

The purpose of a proxy is to designate persons who will vote the proxy on a Shareholder's behalf in accordance with the instructions given by the Shareholder in the proxy. The persons whose names are printed on the form of proxy are officers or directors of the Company (the "**Management Proxyholders**").

A Shareholder has the right to appoint a person other than a Management Proxyholder, to represent the Shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person's name in the blank space provided or by executing a proxy in a form similar to the form as mailed. A proxyholder need not be a Shareholder.

Voting by Proxy

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.

If a Shareholder does not specify a choice and the Shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

The form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

Completion and Return of Proxy

Completed form of proxy must be deposited at the office of the Company's registrar and transfer agent, Computershare Investor Services Inc. (the "**Transfer Agent**") at 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, Attention: Proxy Department, before 10:00 a.m. (Pacific Time), on May 12, 2022, or no later than 48 hours (excluding Saturdays, Sundays and holidays) before any adjournment or postponement of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

Non-Registered Holders

Only Shareholders whose names appear on the records of the Company as the registered holders of Shares or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders are “non-registered” Shareholders because the Shares they own are not registered in their names but instead registered in the name of a nominee such as brokerage firm through which they purchased the Shares; bank, trust company, trustee or administrator of self-administered RRSPs, RRIFs, RESPs and similar plans; or a clearing agency such as The Canadian Depository for Securities Limited (a “**Nominee**”). If you purchased your Shares through a broker, you are likely a non-registered holder.

In accordance with securities regulatory policy, the Company has distributed copies of the notice-and-access notice and form of proxy to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-

registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by proxy, you should carefully follow the instructions from the Nominee in order that your Shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as “non-objecting beneficial owners” (“**NOBOs**”). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as “objecting beneficial owners” (“**OBOs**”).

The Company is not sending the Meeting materials directly to NOBOs in connection with the Meeting, but rather has distributed copies of the Meeting materials to the Nominees for distribution to NOBOs.

The Company does not intend to pay for Nominees to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting materials unless their Nominee assumes the costs of delivery.

Revocability of Proxy

In addition to revocation in any other manner permitted by law, a Shareholder, his or her attorney authorized in writing or, if the Shareholder is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company at any time up to and including the last Business Day preceding the date of the Meeting, or any adjournment or postponement thereof, or with the chairman of the Meeting on the day of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of common shares without par value (“**Shares**”), of which 112,748,504 Shares were issued and outstanding as of the Record Date. Persons who are registered Shareholders at the close of business on the Record Date will be entitled to receive Notice of and vote at the Meeting and will be entitled to one vote for each Cruz Share held. The Company has only one class of shares issued and outstanding.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, controls or directs, directly or indirectly, Shares carrying 10% or more of the voting rights attached to the outstanding Shares of the Company.

NUMBER OF DIRECTORS

The Articles of the Company provide for a board of directors of no fewer than three directors and no greater than a number as fixed or changed from time to time by majority approval of the shareholders.

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company until the next annual meeting. The number of directors will be approved if the affirmative vote of the majority of Shares present or represented by proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at three.

Management recommends the approval of the resolution to set the number of directors of the Company at four (4).

ELECTION OF DIRECTORS

The directors of the Company are elected at each annual general meeting and generally hold office until the next annual meeting or until their successors are appointed. In the absence of instructions to the contrary, proxies will be voted for the nominees listed herein.

The Company is required by applicable securities laws to have an audit committee. Members of the audit committee (the “**Audit Committee**”) are set out below.

The Company has in effect a 10% rolling stock option plan (the “**10% Rolling Option Plan**”) in order to provide effective incentives to directors, officers, senior management personnel and employees of the Company and to enable the Company to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Company’s Shareholders. As at the Record Date, there are 7,000,000 options outstanding under the 10% Rolling Option Plan.

A copy of the Company’s incentive stock option plan is available under the Company’s profile on SEDAR at www.sedar.com.

Although the Company is not required to seek Shareholder approval of the 2022 Equity Incentive Plan, the Board is asking the Shareholders to ratify the adoption of the 2022 Equity Incentive Plan as a matter of good corporate governance. If the Shareholders vote against such ratification, the 2022 Equity Incentive Plan will cease to have effect after the Meeting.

Employment, Consulting and Management Agreements

The Company does not have any employment, consulting or management agreements or arrangements with any of the Company’s current NEOs or directors.

Oversight and Description of Director and NEO Compensation

The Company’s compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Company’s business objectives of improving overall corporate performance and creating long-term value for the Company’s Shareholders. The compensation program is intended to reward executive officers on the basis of individual performance and achievement of corporate objectives, including the advancement of the exploration and development goals of the Company. The Company’s current compensation program is comprised of base salary or fees, short term incentives such as discretionary bonuses and long term incentives such as stock options.

The Company’s board of directors (the “**Board**”) has not created or appointed a compensation committee given the Company’s current size and stage of development. All tasks related to developing and monitoring the Company’s approach to the compensation of the Company’s NEOs and directors are performed by the members of the Board. The compensation of the NEOs, directors and the Company’s employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Company are involved in discussion relating to compensation, and disclose their interest in and abstain from voting on compensation decisions relating to them, as applicable, in accordance with the applicable corporate legislation.

In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries or fees and discretionary cash bonuses primarily reward recent performance and incentive stock options encourage NEOs and directors to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary or fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time. The NEOs’ performances and salaries or fees are to be reviewed periodically. Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. The amount and award of cash bonuses to key executives and senior management is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant.

Pension Plan Benefits

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans in place.

AUDIT COMMITTEE

National Instrument 52-110 of the Canadian Securities Administrators requires the Company, as a venture issuer, to disclose annually in its Circular certain information concerning the constitution of its Audit Committee and its relationship with its independent auditor.

Audit Committee Charter

The Company has adopted an audit committee charter, a copy of which was filed on SEDAR on October 15, 2008.

Mandate

The primary function of the Audit Committee is to assist the Company's Board in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and Shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Audit Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Audit Committee's primary duties and responsibilities are to:

- serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements;
- review and appraise the performance of the Company's external auditors; and
- provide an open avenue of communication among the Company's auditors, financial and senior management and the Board.

Composition

The Audit Committee shall be comprised of a minimum three directors as determined by the Board. If the Company ceases to be a "venture issuer" (as that term is defined in National Instrument 51-110), then all of the members of the Audit Committee shall be free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Audit Committee.

If the Company ceases to be a "venture issuer" (as that term is defined in National Instrument 51-110), then all members of the Audit Committee shall have accounting or related financial management expertise. All members of the Audit Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Company's Audit Committee Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Audit Committee shall be elected by the Board at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board, the members of the Audit Committee may designate a Chair by a majority vote of the full Audit Committee membership.

Meetings

The Audit Committee shall meet a least twice annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Audit Committee will meet at least annually with the CFO and the external auditors in separate sessions.

Responsibilities and Duties

To fulfill its responsibilities and duties, the Audit Committee shall:

1. Documents/Reports Review
 - (a) review and update this Audit Committee Charter annually; and
 - (b) review the Company's financial statements, MD&A and any annual and interim earnings press releases before the Company publicly discloses this information and any reports or other financial information (including quarterly financial statements), which are submitted to any governmental body, or to the public, including any certification, report, opinion, or review rendered by the external auditors.

 - (e) recommend to the Company's Board the selection and, where applicable, the replacement of the external auditors nominated annually for shareholder approval;
 - (f) recommend to the Company's Board the compensation to be paid to the external auditors;
 - (g) at each meeting, consult with the external auditors, without the presence of management, about the quality of the Company's accounting principles, internal controls and the completeness and accuracy of the Company's financial statements;
 - (h) review and approve the Company's hiring policies regarding partners, employees and former partners and employees of the present and former external auditors of the Company;
 - (i) review with management and the external auditors the audit plan for the year-end financial statements and intended template for such statements; and
 - (j) review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Company's external auditors. The pre-approval requirement is waived with respect to the provision of non-audit services if:
 - (i) the aggregate amount of all such non-audit services provided to the Company constitutes not more than five percent of the total amount of revenues paid by the Company to its external auditors during the fiscal year in which the non-audit services are provided,
 - (ii) such services were not recognized by the Company at the time of the engagement to be non-audit services, and
 - (iii) such services are promptly brought to the attention of the Audit Committee by the Company and approved prior to the completion of the audit by the Audit

Committee or by one or more members of the Audit Committee who are members of the Board to whom authority to grant such approvals has been delegated by the Audit Committee.

Provided the pre-approval of the non-audit services is presented to the Audit Committee's first scheduled meeting following such approval such authority may be delegated by the Audit Committee to one or more independent members of the Audit Committee.

3. Financial Reporting Processes

- (a) in consultation with the external auditors, review with management the integrity of the Company's financial reporting process, both internal and external;
- (b) consider the external auditors' judgments about the quality and appropriateness of the Company's accounting principles as applied in its financial reporting;

4. Other

- (b) engage independent counsel and other advisors as it determines necessary to carry out its duties; and
- (c) to set and pay compensation for any independent counsel and other advisors employed by the Audit Committee.

As defined in National Instrument 52-110, none of the Audit Committee members are "independent"; however, George Franklin Bain and Seth Kay are considered independent for the purposes of the Exchange Audit Committee composition requirements. All of the Audit Committee members are "financially literate", as defined in National Instrument 52-110, as all have the industry experience necessary to understand and analyze financial statements of the Company, as well as the understanding of internal controls and procedures necessary for financial reporting.

The Audit Committee is responsible for review of both interim and annual financial statements for the Company. For the purposes of performing their duties, the members of the Audit Committee have the right at all times, to inspect all the books and financial records of the Company and any subsidiaries and to discuss with management and the external auditors of the Company any accounts, records and matters relating to the financial statements of the Company. Ethical Business Conduct

The Board has adopted a Code of Business Conduct and Ethics on September 9, 2008, a copy of which was filed on SEDAR on October 15, 2008. In addition, the Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of Shareholders.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the required time, show support for the Company's mission and strategic objectives, and a willingness to serve.

The Board conducts reviews with regard to the compensation of the directors and CEO once a year. The compensation of directors and the CEO is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. The amount and award of cash bonuses to key executives and senior management is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant. At this time, the Board has not established any benchmarks or any performance goals that the directors and CEO must achieve in order to maintain their respective positions with the Company, although they are expected to carry out their duties in an effective and efficient manner and advance the exploration and development goals of the Company.

Other Board Committees

The Board has no other committees other than the Audit Committee.

Assessments

The Board regularly monitors the adequacy of information given to directors, communications between the Board and management and the strategic direction and processes of the Board and its committees.

PARTICULARS OF MATTERS TO BE ACTED UPON

Ratification of 2022 Equity Incentive Plan

Prior to the Meeting, the Board adopted the 2022 Equity Incentive Plan. The full text of the 2022 Equity Incentive Plan is attached hereto as Schedule "A". Although the Company is not required to seek Shareholder approval of the 2022 Equity Incentive Plan, the Board is asking the Shareholders to ratify the adoption of the 2022 Equity Incentive Plan as a matter of good corporate governance. If the Shareholders vote against such ratification, the 2022 Equity Incentive Plan will cease to have effect after the Meeting.

Background & Purpose

On March 31, 2022, the Board passed a resolution to adopt the 2022 Equity Incentive Plan, subject to, and effective upon, the approval of Shareholders. The 2022 Equity Incentive Plan provides flexibility to the Company to grant equity-based incentive awards in the form of RSUs and PSUs, as described in further detail below. Provided that the 2022 Equity Incentive Plan is approved by the Shareholders at the Meeting, all future grants of equity-based awards will be made pursuant to, or as otherwise permitted by, the 2022 Equity Incentive Plan.

The purpose of the 2022 Equity Incentive Plan is to, among other things, provide the Company with a share related mechanism to attract, retain and motivate qualified directors, employees and consultants of the Company and its subsidiaries, to reward such of those directors, employees and consultants as may be granted awards under the 2022 Equity Incentive Plan by the Board from time to time for their contributions toward the long-term goals and success of the Company and to enable and encourage such directors, employees and consultants to acquire Shares as long-term investments and proprietary interests in the Company.

A summary of the key terms of the 2022 Equity Incentive Plan is set out below, which is qualified in its entirety by the full text of the 2022 Equity Incentive Plan. A copy of the 2022 Equity Incentive Plan is attached as Schedule “A” hereto.

Key Terms of the Equity Incentive Plan

Shares Subject to the 2022 Equity Incentive Plan

The 2022 Equity Incentive Plan is a rolling plan which, subject to the adjustment provisions provided for therein (including a subdivision or consolidation of Shares), provides that the aggregate maximum number of Shares that may be issued upon the exercise or settlement of awards granted under the 2022 Equity Incentive Plan, shall not exceed 20% of the Company’s issued and outstanding Shares from time to time, such number being 22,549,700 as at March 31, 2022. The 2022 Equity Incentive Plan is considered an “evergreen” plan, since the Shares covered by awards which have been exercised, settled or terminated shall be available for subsequent grants under the 2022 Equity Incentive Plan and the number of awards available to grant increases as the number of issued and outstanding Shares increases.

Insider Participation Limit

The 2022 Equity Incentive Plan also provides that the aggregate number of Shares (a) issuable to insiders at any time (under all of the Company’s security-based compensation arrangements) cannot exceed 10% of the Company’s issued and outstanding Shares and (b) issued to insiders within any one year period (under all of the Company’s security-based compensation arrangements) cannot exceed 10% of the Company’s issued and outstanding Shares.

Any Shares issued by the Company through the assumption or substitution of outstanding stock options or other equity-based awards from an acquired company shall not reduce the number of Shares available for issuance pursuant to the exercise of awards granted under the 2022 Equity Incentive Plan.

Administration of the 2022 Equity Incentive Plan

The Plan Administrator (as defined in the 2022 Equity Incentive Plan) is determined by the Board, and is initially the Board. The 2022 Equity Incentive Plan may in the future continue to be administered by the Board itself or delegated to a committee of the Board. The Plan Administrator determines which directors, officers, consultants and employees are eligible to receive awards under the 2022 Equity Incentive Plan, the time or times at which awards may be granted, the conditions under which awards may be granted or forfeited to the Company, the number of Shares to be covered by any award, the exercise price of any award, whether restrictions or limitations are to be imposed on the Shares issuable pursuant to grants of any award, and the nature of any such restrictions or limitations, any acceleration of exercisability or vesting, or waiver of termination regarding any award, based on such factors as the Plan Administrator may determine.

In addition, the Plan Administrator interprets the 2022 Equity Incentive Plan and may adopt guidelines and other rules and regulations relating to the 2022 Equity Incentive Plan, and make all other determinations and take all other actions necessary or advisable for the implementation and administration of the 2022 Equity Incentive Plan.

Eligibility

All directors, employees and consultants are eligible to participate in the 2022 Equity Incentive Plan. The extent to which any such individual is entitled to receive a grant of an award pursuant to the 2022 Equity Incentive Plan will be determined in the sole and absolute discretion of the Plan Administrator.

Types of Awards

Awards of RSUs and PSUs may be made under the 2022 Equity Incentive Plan. All of the awards described below are subject to the conditions, limitations, restrictions, exercise price, vesting, settlement and forfeiture provisions determined by the Plan Administrator, in its sole discretion, subject to such limitations provided in the 2022 Equity Incentive Plan, and will generally be evidenced by an award agreement. In addition, subject to the limitations provided in the 2022 Equity Incentive Plan and in accordance with applicable law, the Plan Administrator may accelerate or defer the vesting or payment of awards, cancel or modify outstanding awards, and waive any condition imposed with respect to awards or Shares issued pursuant to awards.

Restricted Share Units

A RSU is a unit equivalent in value to a Share credited by means of a bookkeeping entry in the books of the Company which entitles the holder to receive one Share (or the value thereof) for each RSU after a specified vesting period. The Plan Administrator may, from time to time, subject to the provisions of the 2022 Equity Incentive Plan and such other terms and conditions as the Plan Administrator may prescribe, grant RSUs to any participant in respect of a bonus or similar payment in respect of services rendered by the applicable participant in a taxation year (the “**RSU Service Year**”).

The number of RSUs (including fractional RSUs) granted at any particular time under the 2022 Equity Incentive Plan will be calculated by dividing (a) the amount of any bonus or similar payment that is to be paid in RSUs, as determined by the Plan Administrator, by (b) the Market Price. The Plan Administrator shall have the authority to determine any vesting terms applicable to the grant of RSUs, provided that the terms comply with Section 409A of the U.S. Internal Revenue Code of 1986, to the extent applicable.

Upon settlement, holders will redeem each vested RSU for the following at the election of such holder but subject to the approval of the Plan Administrator: (a) one fully paid and non-assessable Share in respect of each vested RSU, (b) a cash payment or (c) a combination of Shares and cash. Any such cash payments made by the Company shall be calculated by multiplying the number of RSUs to be redeemed for cash by the Market Price per Share as at the settlement date. Subject to the provisions of the 2022 Equity Incentive Plan and except as otherwise provided in an award agreement, no settlement date for any RSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any RSU any later than the final business day of the third calendar year following the applicable RSU Service Year.

Performance Share Units

A PSU is a unit equivalent in value to a Share credited by means of a bookkeeping entry in the books of the Company which entitles the holder to receive one Share (or the value thereof) for each PSU after specific performance-based vesting criteria determined by the Plan Administrator, in its sole discretion, have been satisfied. The performance goals to be achieved during any performance period, the length of any performance period, the amount of any PSUs granted, the effect of termination of a participant’s service and the amount of any payment or transfer to be made pursuant to any PSU will be determined by the Plan Administrator and by the other terms and conditions of any PSU, all as set forth in the applicable award agreement. The Plan Administrator may, from time to time, subject to the provisions of the 2022 Equity Incentive Plan and such other terms and conditions as the Plan Administrator may prescribe, grant PSUs to any participant in respect of a bonus or similar payment in respect of services rendered by the applicable participant in a taxation year (the “**PSU Service Year**”).

The Plan Administrator shall have the authority to determine any vesting terms applicable to the grant of PSUs. Upon settlement, holders will redeem each vested PSU for the following at the election of such holder but subject to the approval of the Plan Administrator: (a) one fully paid and non-assessable Share in respect of each vested PSU, (b) a cash payment, or (c) a combination of Shares and cash. Any such cash payments made by the Company to a participant shall be calculated by multiplying the number of PSUs to be redeemed for cash by the Market Price per Share as at the settlement date. Subject to the provisions of the 2022 Equity Incentive Plan and except as otherwise provided in an award agreement, no settlement date for any PSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any PSU any later than the final business day of the third calendar year following the applicable PSU Service Year.

Dividend Equivalents

Except as otherwise determined by the Plan Administrator or as set forth in the particular award agreement, RSUs, PSUs and DSUs shall be credited with dividend equivalents in the form of additional RSUs, PSUs and DSUs, as applicable, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Dividend equivalents shall vest in proportion to, and settle in the same manner as, the awards to which they relate. Such dividend equivalents shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of RSUs, PSUs and DSUs, as applicable, held by the participant on the record date for the payment of such dividend, by (b) the Market Price at the close of the first business day immediately following the dividend record date, with fractions computed to three decimal places.

Black-out Periods

In the event an award expires, at a time when a scheduled blackout is in place or an undisclosed material change or material fact in the affairs of the Company exists, the expiry of such award will be the date that is 10 business days after which such scheduled blackout terminates or there is no longer such undisclosed material change or material fact.

Term

While the 2022 Equity Incentive Plan does not stipulate a specific term for awards granted thereunder, as discussed below, awards may not expire beyond 10 years from its date of grant, except where shareholder approval is received or where an expiry date would have fallen within a blackout period of the Company. All awards must vest and settle in accordance with the provisions of the 2022 Equity Incentive Plan and any applicable award agreement, which award agreement may include an expiry date for a specific award.

Termination of Employment or Services

The following table describes the impact of certain events upon the participants under the 2022 Equity Incentive Plan, including termination for cause, resignation, termination without cause, disability, death or retirement, subject, in each case, to the terms of a participant's applicable employment agreement, award agreement or other written agreement:

Any vested award that is described in (i), such award will be settled within 90 days after the participant's retirement. In the case of a vested award that is described in (ii), such award will be settled at the same time the award would otherwise have been settled had the participant remained in active service with the Company or its subsidiary. Notwithstanding the foregoing, if, following his or her retirement, the participant commences (the "Commencement Date") employment, consulting or acting as a director of the Company or any of its subsidiaries (or in an analogous capacity) or otherwise as a service provider to any person that carries on or proposes to carry on a business competitive with the Company or any of its subsidiaries.

Change in Control

Under the 2022 Equity Incentive Plan, except as may be set forth in an employment agreement, award agreement or other written agreement between the Company or a subsidiary of the Company and a participant:

- (a) If within 12 months following the completion of a transaction resulting in a Change in Control (as defined below), a participant's employment, consultancy or directorship is terminated by the Company or a subsidiary of the Company without Cause (as defined in the 2022 Equity Incentive Plan), without any action by the Plan Administrator:
 - (i) any unvested awards held by the participant at Termination Date may vest in the sole discretion of the Plan Administrator; and
 - (ii) any vested awards may be exercised, surrendered to the Company, or settled by the participant at any time during the period that terminates on the earlier of: (A) the expiry date of such award; and (B) the date that is 90 days after the Termination Date. Any award that has not been exercised, surrendered or settled at the end of such period being immediately forfeited and cancelled.
- (b) Unless otherwise determined by the Plan Administrator, if, as a result of a Change in Control, the Shares will cease trading on the CSE, the Company may terminate all of the awards held by a participant that is a resident of Canada for the purposes of the Income Tax Act (Canada), granted under the 2022 Equity Incentive Plan at the time of and subject to the completion of the Change in Control transaction by paying to each holder at or within a reasonable period of time following completion of such Change in Control transaction an amount for each Award equal to the fair market value of the Award held by such participant as determined by the Plan Administrator, acting reasonably, provided that any vested awards granted to U.S. Taxpayers (as defined in the 2022 Equity Incentive Plan) will be settled within 90 days of the Change in Control.

Subject to certain exceptions, a "Change in Control" includes (a) any transaction pursuant to which a person or group acquires more than 50% of the outstanding Shares, (b) the sale of all or substantially all of the Company's assets, (c) the dissolution or liquidation of the Company, (d) the acquisition of the Company via consolidation, merger, exchange of securities, purchase of assets, amalgamation, statutory arrangement or otherwise, (e) individuals who comprise the Board at the last annual meeting of Shareholders (the "Incumbent Board") cease to constitute at least a majority of the Board, unless the election, or nomination for election by the Shareholders, of any new director was approved by a vote of at least a majority of the Incumbent Board, in which case such new director

shall be considered as a member of the Incumbent Board, or (f) any other event which the Board determines to constitute a change in control of the Company.

Non-Transferability of Awards

Except as permitted by the Plan Administrator and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a participant, by will or as required by law, no assignment or transfer of awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such awards whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such awards will terminate and be of no further force or effect. To the extent that certain rights to exercise any portion of an outstanding award pass to a beneficiary or legal representative upon the death of a participant, the period in which such award can be exercised by such beneficiary or legal representative shall not exceed one year from the participant's death.

Amendments to the 2022 Equity Incentive Plan

The Plan Administrator may also from time to time, without notice and without approval of the holders of voting Shares, amend, modify, change, suspend or terminate the 2022 Equity Incentive Plan or any awards granted pursuant thereto as it, in its discretion, determines appropriate, provided that (a) no such amendment, modification, change, suspension or termination of the 2022 Equity Incentive Plan or any award granted pursuant thereto may materially impair any rights of a participant or materially increase any obligations of a participant under the 2022 Equity Incentive Plan without the consent of such participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements, and (b) any amendment that would cause an award held by a U.S. Taxpayer to be subject to the income inclusion under Section 409A of the United States Internal Revenue Code of 1986, as amended, shall be null and void ab initio.

Notwithstanding the above, and subject to the rules of the CSE, the approval of Shareholders is required to effect any of the following amendments to the 2022 Equity Incentive Plan:

- (a) increasing the number of Shares reserved for issuance under the 2022 Equity Incentive Plan, except pursuant to the provisions in the 2022 Equity Incentive Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Company or its capital;
- (b) increasing or removing the 10% limits on Shares issuable or issued to insiders;
- (c) reducing the exercise price of an option award (for this purpose, a cancellation or termination of an award of a participant prior to its expiry date for the purpose of reissuing an award to the same participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an award) except pursuant to the provisions in the 2022 Equity Incentive Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Company or its capital;
- (d) increasing or removing the limits on the participation of non-employee directors;
- (e) permitting awards to be transferred to a person;
- (f) changing the eligible participants; and
- (g) deleting or otherwise limiting the amendments which require approval of the Shareholders.

Except for the items listed above, amendments to the 2022 Equity Incentive Plan will not require shareholder approval. Such amendments include (but are not limited to): (a) amending the general vesting provisions of an award, (b) amending the provisions for early termination of awards in connection with a termination of employment or service, (c) adding covenants of the Company for the protection of the participants, (d) amendments that are desirable as a result of changes in law in any jurisdiction where a participant resides, and (e) curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error.

ARTICLE 3 ADMINISTRATION

3.1 Administration

This Plan will be administered by the Plan Administrator and the Plan Administrator has sole and complete authority, in its discretion, to:

- (a) determine the individuals to whom grants under the Plan may be made;

- (b) make grants of Awards under the Plan relating to the issuance of Shares (including any combination of Options, Restricted Share Units, Performance Share Units or Deferred Share Units) in such amounts, to such Persons and, subject to the provisions of this Plan, on such terms and conditions as it determines including without limitation:
 - (i) the time or times at which Awards may be granted;
 - (ii) the conditions under which:
 - (A) Awards may be granted to Participants; or
 - (B) Awards may be forfeited to the Corporation,

including any conditions relating to the attainment of specified Performance Goals;
 - (iii) the number of Shares to be covered by any Award;
 - (iv) the price, if any, to be paid by a Participant in connection with the purchase of Shares covered by any Awards;
 - (v) whether restrictions or limitations are to be imposed on the Shares issuable pursuant to grants of any Award, and the nature of such restrictions or limitations, if any; and
 - (vi) any acceleration of exercisability or vesting, or waiver of termination regarding any Award, based on such factors as the Plan Administrator may determine;
- (c) establish the form or forms of Award Agreements;
- (d) cancel, amend, adjust or otherwise change any Award under such circumstances as the Plan Administrator may consider appropriate in accordance with the provisions of this Plan;
- (e) construe and interpret this Plan and all Award Agreements;
- (f) adopt, amend, prescribe and rescind administrative guidelines and other rules and regulations relating to this Plan, including rules and regulations relating to sub-plans established for the purpose of satisfying applicable foreign laws or for qualifying for favorable tax treatment under applicable foreign laws; and
- (g) make all other determinations and take all other actions necessary or advisable for the implementation and administration of this Plan.

3.2 Delegation to Committee

- (a) The initial Plan Administrator shall be the Board.
- (b) To the extent permitted by applicable law, the Board may, from time to time, delegate to a committee of the Board (the “**Committee**”) all or any of the powers conferred on

the Plan Administrator pursuant to this Plan, including the power to sub-delegate to any member(s) of the Committee or any specified officer(s) of the Corporation or its subsidiaries all or any of the powers delegated by the Board. In such event, the Committee or any sub-delegate will exercise the powers delegated to it in the manner and on the terms authorized by the delegating party. Any decision made or action taken by the Committee or any sub-delegate arising out of or in connection with the administration or interpretation of this Plan in this context is final and conclusive and binding on the Corporation and all subsidiaries of the Corporation, all Participants and all other Persons.

3.3 Determinations Binding

Any decision made or action taken by the Board, the Committee or any sub-delegate to whom authority has been delegated pursuant to Section 3.2 arising out of or in connection with the administration or interpretation of this Plan is final, conclusive and binding on the Corporation, the affected Participant(s), their legal and personal representatives and all other Persons.

3.4 Eligibility

All Directors, Employees and Consultants are eligible to participate in the Plan, subject to Section 9.1(f). Participation in the Plan is voluntary and eligibility to participate does not confer upon any Director, Employee or Consultant any right to receive any grant of an Award pursuant to the Plan. The extent to which any Director, Employee or Consultant is entitled to receive a grant of an Award pursuant to the Plan will be determined in the sole and absolute discretion of the Plan Administrator.

3.5 Plan Administrator Requirements

Any Award granted under this Plan shall be subject to the requirement that, if at any time the Plan Administrator shall determine that the listing, registration or qualification of the Shares issuable pursuant to such Award upon any securities exchange or under any Securities Laws of any jurisdiction, or the consent or approval of the Exchange, if applicable, and any securities commissions or similar securities regulatory bodies having jurisdiction over the Corporation is necessary as a condition of, or in connection with, the grant or exercise of such Award or the issuance or purchase of Shares thereunder, such Award may not be accepted or exercised, as applicable, in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Plan Administrator. Without limiting the generality of the foregoing, all Awards shall be issued pursuant to the registration requirements of the U.S. Securities Act, or pursuant an exemption or exclusion from such registration requirements. Nothing herein shall be deemed to require the Corporation to apply for or to obtain such listing, registration, qualification, consent or approval. Participants shall, to the extent applicable, cooperate with the Corporation in complying with such legislation, rules, regulations and policies.

3.6 Total Shares Subject to Awards

- (a) Subject to adjustment as provided for in Article 10 and any subsequent amendment to this Plan, the aggregate number of Shares reserved for issuance pursuant to Awards granted under this Plan shall not exceed 20% of the Corporation's total issued and outstanding Shares from time to time. This Plan is considered an "evergreen" plan, since the shares covered by Awards which have been settled, exercised or terminated shall be

available for subsequent grants under the Plan and the number of Awards available to grant increases as the number of issued and outstanding Shares increases.

- (b) To the extent any Awards (or portion(s) thereof) under this Plan terminate or are cancelled for any reason prior to exercise in full, or are surrendered or settled by the Participant, any Shares subject to such Awards (or portion(s) thereof) shall be added back to the number of Shares reserved for issuance under this Plan and will again become available for issuance pursuant to the exercise of Awards granted under this Plan.
- (c) Any Shares issued by the Corporation through the assumption or substitution of outstanding stock options or other equity-based awards from an acquired company shall not reduce the number of Shares available for issuance pursuant to the exercise of Awards granted under this Plan.

3.7 Limits on Grants of Awards

Notwithstanding anything in this Plan:

- (a) the aggregate number of Shares:
 - (i) issuable to Insiders at any time, under all of the Corporation's Security- Based Compensation Arrangements, shall not exceed ten percent (10%) of the Corporation's issued and outstanding Shares; and
 - (ii) issued to Insiders within any one (1) year period, under all of the Corporation's Security Based Compensation Arrangements, shall not exceed ten percent (10%) of the Corporation's issued and outstanding Shares,

provided that the acquisition of Shares by the Corporation for cancellation shall be disregarded for the purposes of determining non-compliance with this Section 3.7 for any Awards outstanding prior to such purchase of Shares for cancellation; and

- (b) (i) if the Corporation ceases to be a "venture issuer" as defined in National Instrument 52-110, the Plan Administrator shall not make grants of Awards to Directors if, after giving effect to such grants of Awards, the aggregate number of Shares issuable to Directors, at the time of such grant, under all of the Corporation's Security Based Compensation Arrangements would exceed 1% of the issued and outstanding Shares on a non-diluted basis, and (ii) within any one financial year of the Corporation, (A) the aggregate fair value on the Date of Grant of all Options granted to any one Director shall not exceed \$100,000, and (B) the aggregate fair market value on the Date of Grant of all Awards (including, for greater certainty, the fair market value of the Options) granted to any one Director under all of the Corporation's Security Based Compensation Arrangements shall not exceed \$150,000; provided that such limits shall not apply to (i) Awards taken in lieu of any cash retainer or meeting director fees, and (ii) a one-time initial grant to a Director upon such Director joining the Board.

3.8 Award Agreements

Each Award under this Plan will be evidenced by an Award Agreement. Each Award Agreement will be subject to the applicable provisions of this Plan and will contain such provisions as are required by this Plan and any other provisions that the Plan Administrator may direct. Any one officer of the Corporation is authorized and empowered to execute and deliver, for and on behalf of the Corporation, an Award Agreement to a Participant granted an Award pursuant to this Plan.

3.9 Non-transferability of Awards

Except as permitted by the Plan Administrator and to the extent that certain rights may pass to a beneficiary or legal representative upon death of a Participant, by will or as required by law, no assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Awards whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such Awards will terminate and be of no further force or effect. To the extent that certain rights to exercise any portion of an outstanding Award pass to a beneficiary or legal representative upon death of a Participant, the period in which such Award can be exercised by such beneficiary or legal representative shall not exceed one year from the Participant's death.

ARTICLE 4 OPTIONS

4.1 Granting of Options

The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant Options to any Participant. The terms and conditions of each Option grant shall be evidenced by an Award Agreement.

4.2 Exercise Price

The Plan Administrator will establish the Exercise Price at the time each Option is granted, which Exercise Price must in all cases be not less than the Market Price on the Date of Grant.

4.3 Term of Options

Subject to any accelerated termination as set forth in this Plan, each Option expires on its Expiry Date.

4.4 Vesting and Exercisability

- (a) The Plan Administrator shall have the authority to determine the vesting terms applicable to grants of Options.
- (b) Once an Option becomes vested, it shall remain vested and shall be exercisable until expiration or termination of the Option, unless otherwise specified by the Plan Administrator, or as may be otherwise set forth in any written employment agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant. Each vested Option may be exercised at any time or from time to time, in whole or in part, for up to the total number of Option Shares

with respect to which it is then exercisable. The Plan Administrator has the right to accelerate the date upon which any Option becomes exercisable.

- (c) Subject to the provisions of this Plan and any Award Agreement, Options shall be exercised by means of a fully completed Exercise Notice delivered to the Corporation.
- (d) The Plan Administrator may provide at the time of granting an Option that the exercise of that Option is subject to restrictions, in addition to those specified in this Section 4.4, such as vesting conditions relating to the attainment of specified Performance Goals.

4.5 Payment of Exercise Price

- (a) Unless otherwise specified by the Plan Administrator at the time of granting an Option and set forth in the particular Award Agreement, the Exercise Notice must be accompanied by payment of the Exercise Price. The Exercise Price must be fully paid by certified cheque, wire transfer, bank draft or money order payable to the Corporation or by such other means as might be specified from time to time by the Plan Administrator, which may include (i) through an arrangement with a broker approved by the Corporation (or through an arrangement directly with the Corporation) whereby payment of the Exercise Price is accomplished with the proceeds of the sale of Shares deliverable upon the exercise of the Option, (ii) through the cashless exercise process set out in Section 4.5(b), or (iii) such other consideration and method of payment for the issuance of Shares to the extent permitted by Securities Laws, or any combination of the foregoing methods of payment.
- (b) Unless otherwise specified by the Plan Administrator and set forth in the particular Award Agreement, if permitted by the Plan Administrator, and subject to compliance with the policies of the Exchange, if applicable, a Participant may, in lieu of exercising an Option pursuant to an Exercise Notice, elect to surrender such Option to the Corporation (a "**Cashless Exercise**") in consideration for an amount from the Corporation equal to (i) the Market Price of the Shares issuable on the exercise of such Option (or portion thereof) as of the date such Option (or portion thereof) is exercised, less (ii) the aggregate Exercise Price of the Option (or portion thereof) surrendered relating to such Shares (the "**In-the-Money Amount**"), by written notice to the Corporation indicating the number of Options such Participant wishes to exercise using the Cashless Exercise, and such other information that the Corporation may require. Subject to Section 8.3, the Corporation shall satisfy payment of the In-the-Money Amount by delivering to the Participant such number of Shares (rounded down to the nearest whole number) having a fair market value equal to the In-the-Money Amount.
- (c) No Shares will be issued or transferred until full payment therefor has been received by the Corporation, or arrangements for such payment have been made to the satisfaction of the Plan Administrator.
- (d) If a Participant surrenders Options through a Cashless Exercise pursuant to Section 4.5(b), to the extent that such Participant would be entitled to a deduction under paragraph 110(1)(d) of the *Income Tax Act* (Canada) (the "**Tax Act**") in respect of such surrender if the election described in subsection 110(1.1) of the Tax Act were made and filed (and the other procedures described therein were undertaken) on a timely

basis after such surrender, the Corporation will cause such election to be so made and filed (and such other procedures to be so undertaken).

ARTICLE 5 RESTRICTED SHARE UNITS

5.1 Granting of RSUs

- (a) The Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant RSUs to any Participant in respect of a bonus or similar payment in respect of services rendered by the applicable Participant in a taxation year (the “**RSU Service Year**”). The terms and conditions of each RSU grant may be evidenced by an Award Agreement. Each RSU will consist of a right to receive a Share, cash payment, or a combination thereof (as provided in Section 5.4(a)), upon the settlement of such RSU.
- (b) The number of RSUs (including fractional RSUs) granted at any particular time pursuant to this Article 5 will be calculated by dividing (i) the amount of any bonus or similar payment that is to be paid in RSUs, as determined by the Plan Administrator, by (ii) the greater of (A) the Market Price of a Share on the Date of Grant; and (B) such amount as determined by the Plan Administrator in its sole discretion.

5.2 RSU Account

All RSUs received by a Participant shall be credited to an account maintained for the Participant on the books of the Corporation, as of the Date of Grant.

Subject to Section 11.6(d) below and except as otherwise provided in an Award Agreement, on the settlement date for any RSU, the Participant shall redeem each vested RSU for the following at the election of the Participant but subject to the approval of the Plan Administrator:
 - (i) one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct,
 - (ii) a cash payment, or
 - (iii) a combination of Shares and cash as contemplated by paragraphs (i) and (ii) above.

- (c) Payment of cash to Participants on the redemption of vested RSUs may be made through the Corporation's payroll in the pay period that the settlement date falls within.
- (d) Notwithstanding any other terms of this Plan but subject to Section 11.6(d) below and except as otherwise provided in an Award Agreement, no settlement date for any RSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any RSU, under this Section 5.4 any later than the final Business Day of the third calendar year following the applicable RSU Service Year.

6.2 Terms of PSUs

The Performance Goals to be achieved during any performance period, the length of any performance period, the amount of any PSUs granted, the effect of termination of a Participant's service and the amount of any payment or transfer to be made pursuant to any PSU will be determined by the Plan Administrator and by the other terms and conditions of any PSU, all as set forth in the applicable Award Agreement.

6.3 Performance Goals

The Plan Administrator will issue Performance Goals prior to the Date of Grant to which such Performance Goals pertain. The Performance Goals may be based upon the achievement of corporate, divisional or individual goals, and may be applied to performance relative to an index or comparator group, or on any other basis determined by the Plan Administrator. Following the Date of Grant, the Plan Administrator may modify the Performance Goals as necessary to align them with the Corporation's corporate objectives, subject to any limitations set forth in an Award Agreement or an employment or other agreement with a Participant. The Performance Goals may include a threshold level of performance below which no payment will be made (or no vesting will occur), levels of performance at which specified payments will be made (or specified vesting will occur), and a maximum level of performance above which no additional payment will be made (or at which full vesting will occur), all as set forth in the applicable Award Agreement.

6.4 PSU Account

All PSUs received by a Participant shall be credited to an account maintained for the Participant on the books of the Corporation, as of the Date of Grant.

- (d) Notwithstanding any other terms of this Plan but subject to Section 11.6(d) below and except as otherwise provided in an Award Agreement, no settlement date for any PSU shall occur, and no Share shall be issued or cash payment shall be made in respect of any PSU, under this Section 6.6 any later than the final Business Day of the third calendar year following the applicable PSU Service Year.

ARTICLE 7 DEFERRED SHARE UNITS

7.1 Granting of DSUs

- (a) The Board may fix from time to time a portion of the Director Fees that is to be payable in the form of DSUs. In addition, each Electing Person is given, subject to the conditions stated herein, the right to elect in accordance with Section 7.1(b) to participate in the

grant of additional DSUs pursuant to this Article 7. An Electing Person who elects to participate in the grant of additional DSUs pursuant to this Article 7 shall receive their Elected Amount (as that term is defined below) in the form of DSUs. The “**Elected Amount**” shall be an amount, as elected by the Director, in accordance with applicable tax law, between 0% and 100% of any Director Fees that would otherwise be paid in cash (the “**Cash Fees**”).

- (b) Each Electing Person who elects to receive their Elected Amount in the form of DSUs will be required to file a notice of election in the form of Schedule A hereto (the “**Election Notice**”) with the Chief Financial Officer of the Corporation: (i) in the case of an existing Electing Person, by December 31st in the year prior to the year to which such election is to apply (other than for Director Fees payable for the 2022 financial year, in which case any Electing Person who is not a U.S. Taxpayer as of the date of this Plan shall file the Election Notice by the date that is 30 days from the Effective Date with respect to compensation paid for services to be performed after such date); and (ii) in the case of a newly appointed Electing Person who is not a U.S. Taxpayer, within 30 days of such appointment with respect to compensation paid for services to be performed after such date. In the case of the first year in which an Electing Person who is a U.S. Taxpayer first becomes an Electing Person under the Plan (or any plan required to be aggregated with the Plan under Section 409A), an initial Election Notice may be filed within 30 days of such appointment only with respect to compensation paid for services to be performed after the end of the 30-day election period. If no election is made within the foregoing time frames, the Electing Person shall be deemed to have elected to be paid the entire amount of his or her Cash Fees in cash.
- (c) Subject to Subsection 7.1(d), the election of an Electing Person under Subsection 7.1(b) shall be deemed to apply to all Cash Fees paid subsequent to the filing of the Election Notice. In the case of an Electing Person who is a U.S. Taxpayer, his or her election under Section 7.1(b) shall be deemed to apply to all Cash Fees that are earned after the Election Date. An Electing Person is not required to file another Election Notice for subsequent calendar years.
- (d) Each Electing Person who is not a U.S. Taxpayer is entitled once per calendar year to terminate his or her election to receive DSUs by filing with the Chief Financial Officer of the Corporation a termination notice in the form of Schedule B. Such termination shall be effective immediately upon receipt of such notice, provided that the Corporation has not imposed a “black-out” on trading. Thereafter, any portion of such Electing Person’s Cash Fees payable or paid in the same calendar year and, subject to complying with Subsection 7.1(b), all subsequent calendar years shall be paid in cash. For greater certainty, to the extent an Electing Person terminates his or her participation in the grant of DSUs pursuant to this Article 7, he or she shall not be entitled to elect to receive the Elected Amount, or any other amount of his or her Cash Fees in DSUs again until the calendar year following the year in which the termination notice is delivered. An election by a U.S. Taxpayer to receive the Elected Amount in DSUs for any calendar year (or portion thereof) is irrevocable for that calendar year after the expiration of the election period for that year and any termination of the election will not take effect until the first day of the calendar year following the calendar year in which the termination notice in the form of Schedule C is delivered.

- (e) Any DSUs granted pursuant to this Article 7 prior to the delivery of a termination notice pursuant to Section 7.1(d) shall remain in the Plan following such termination and will be redeemable only in accordance with the terms of the Plan.
- (f) The number of DSUs (including fractional DSUs) granted at any particular time pursuant to this Article 7 will be calculated by dividing (i) the amount of Director Fees that are to be paid as DSUs, as determined by the Plan Administrator or Director Fees that are to be paid in DSUs (including any Elected Amount), by (ii) the Market Price of a Share on the Date of Grant.
- (g) In addition to the foregoing, the Plan Administrator may, from time to time, subject to the provisions of this Plan and such other terms and conditions as the Plan Administrator may prescribe, grant DSUs to any Participant.

7.2 DSU Account

All DSUs received by a Participant (which, for greater certainty includes Electing Persons) shall be credited to an account maintained for the Participant on the books of the Corporation, as of the Date of Grant. The terms and conditions of each DSU grant shall be evidenced by an Award Agreement.

7.3 Vesting of DSUs

Except as otherwise determined by the Plan Administrator or as set forth in the particular Award Agreement, DSUs shall vest immediately upon grant.

7.4 Settlement of DSUs

- (a) DSUs shall be settled on the date established in the Award Agreement; provided, however that if there is no Award Agreement or the Award Agreement does not establish a date for the settlement of the DSUs, then, for a Participant who is not a U.S. Taxpayer the settlement date shall be the date determined by the Participant (which date shall not be earlier than the Termination Date), and for a Participant who is a U.S. taxpayer, the settlement date shall be the date determined by the Participant in accordance with the Election Notice (which date shall not be earlier than the "separation from service" (within the meaning of Section 409A)). On the settlement date for any DSU, the Participant shall redeem each vested DSU for:
 - (i) one fully paid and non-assessable Share issued from treasury to the Participant or as the Participant may direct; or
 - (ii) at the election of the Participant and subject to the approval of the Plan Administrator, a cash payment.
- (b) Any cash payments made under this Section 7.4 by the Corporation to a Participant in respect of DSUs to be redeemed for cash shall be calculated by multiplying the number of DSUs to be redeemed for cash by the Market Price per Share as at the settlement date.

- (c) Payment of cash to Participants on the redemption of vested DSUs may be made through the Corporation's payroll or in such other manner as determined by the Corporation.

7.5 No Additional Amount or Benefit

For greater certainty, neither a Participant to whom DSUs are granted nor any person with whom such Participant does not deal at arm's length (for purposes of the Tax Act) shall be entitled, either immediately or in the future, either absolutely or contingently, to receive or obtain any amount or benefit granted or to be granted for the purpose of reducing the impact, in whole or in part, of any reduction in the Market Price of the Shares to which the DSUs relate.

ARTICLE 8 ADDITIONAL AWARD TERMS

8.1 Dividend Equivalents

- (a) Unless otherwise determined by the Plan Administrator or as set forth in the particular Award Agreement, an Award of RSUs, PSUs and DSUs shall include the right for such RSUs, PSUs and DSUs be credited with dividend equivalents in the form of additional RSUs, PSUs and DSUs, respectively, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Such dividend equivalents shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of RSUs, PSUs and DSUs, as applicable, held by the Participant on the record date for the payment of such dividend, by (b) the Market Price at the close of the first Business Day immediately following the dividend record date, with fractions computed to three decimal places. Dividend equivalents credited to a Participant's account shall vest in proportion to the RSUs, PSUs and DSUs to which they relate, and shall be settled in accordance with Subsections 5.4, 6.6, and 7.4 respectively.
- (b) The foregoing does not obligate the Corporation to declare or pay dividends on Shares and nothing in this Plan shall be interpreted as creating such an obligation.

8.2 Restricted Period

In the event that an Award expires, at a time when a scheduled restricted period is in place or an undisclosed material change or material fact in the affairs of the Corporation exists, the expiry of such Award will be the date that is 10 Business Days after which such scheduled restricted period terminates or there is no longer such undisclosed material change or material fact.

8.3 Withholding Taxes

Notwithstanding any other terms of this Plan, the granting, vesting or settlement of each Award under this Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or settlement, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the

Corporation or a subsidiary of the Corporation is obliged to withhold or remit to the relevant taxing authority in respect of the granting, vesting or settlement of the Award. Any such additional payment is due no later than the date on which such amount with respect to the Award is required to be remitted to the relevant tax authority by the Corporation or a subsidiary of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation or any Affiliate may (a) withhold such amount from any remuneration or other amount payable by the Corporation or any Affiliate to the Participant, (b) require the sale, on behalf of the applicable Participant, of a number of Shares issued upon exercise, vesting, or settlement of such Award and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy such amount, or (c) enter into any other suitable arrangements for the receipt of such amount.

8.4 Recoupment

Notwithstanding any other terms of this Plan, Awards may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or the relevant subsidiary of the Corporation, or as set out in the Participant's employment agreement, Award Agreement or other written agreement, or as otherwise required by law or the rules of the Exchange, if applicable. The Plan Administrator may at any time waive the application of this Section 8.4 to any Participant or category of Participants.

ARTICLE 9 TERMINATION OF EMPLOYMENT OR SERVICES

9.1 Termination of Employee, Consultant or Director

Subject to Section 9.2, unless otherwise determined by the Plan Administrator or as set forth in an employment agreement, Award Agreement or other written agreement:

- (a) where a Participant's employment, consulting agreement or arrangement is terminated or the Participant ceases to hold office or his or her position, as applicable, by reason of voluntary resignation by the Participant or termination by the Corporation or a subsidiary of the Corporation for Cause, then any Option or other Award held by the Participant that has not been exercised, surrendered or settled as of the Termination Date shall be immediately forfeited and cancelled as of the Termination Date;
- (b) where a Participant's employment, consulting agreement or arrangement is terminated by the Corporation or a subsidiary of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice) then a portion of any unvested Options or other Awards shall immediately vest, such portion to be equal to the number of unvested Options or other Awards held by the Participant as of the Termination Date multiplied by a fraction the numerator of which is the number of days between the Date of Grant and the Termination Date and the denominator of which is the number of days between the Date of Grant and the date any unvested Options or other Awards were originally scheduled to vest. Any vested Options may be exercised by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Option; and (B) the date that is 90 days after the Termination Date. If an Option remains unexercised upon the earlier of (A) or (B), the

Option shall be immediately forfeited and cancelled for no consideration upon the termination of such period. In the case of a vested Award other than an Option, such Award will be settled within 90 days after the Termination Date;

- (c) where a Participant's employment, consulting agreement or arrangement terminates on account of his or her becoming Disabled, then any Award held by the Participant that has not vested as of the date of the Participant's Termination Date shall vest on such date. Any vested Option may be exercised by the Participant at any time until the Expiry Date of such Option. Any vested Award other than an Option will be settled within 90 days after the Termination Date;
- (d) where a Participant's employment, consulting agreement or arrangement is terminated by reason of the death of the Participant, then any Award that is held by the Participant that has not vested as of the date of the death of such Participant shall vest on such date. Any vested Option may be exercised by the Participant's beneficiary or legal representative (as applicable) at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Option; and (B) the first anniversary of the date of the death of such Participant. If an Option remains unexercised upon the earlier of (A) or (B), the Option shall be immediately forfeited and cancelled for no consideration upon the termination of such period. In the case of a vested Award other than an Option, such Award will be settled with the Participant's beneficiary or legal representative (as applicable) within 90 days after the date of the Participant's death;
- (e) where a Participant's employment, consulting agreement or arrangement is terminated due to the Participant's Retirement, then (i) any outstanding Award that vests or becomes exercisable based solely on the Participant remaining in the service of the Corporation or its subsidiary will become 100% vested, and (ii) any outstanding Award that vests based on the achievement of Performance Goals and that has not previously become vested shall continue to be eligible to vest based upon the actual achievement of such Performance Goals. Any vested Option may be exercised by the Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Option; and (B) the third anniversary of the Participant's date of Retirement. If an Option remains unexercised upon the earlier of (A) or (B), the Option shall be immediately forfeited and cancelled for no consideration upon the termination of such period. In the case of a vested Award other than an Option that is described in (i), such Award will be settled within 90 days after the Participant's Retirement. In the case of a vested Award other than an Option that is described in (ii), such Award will be settled at the same time the Award would otherwise have been settled had the Participant remained in active service with the Corporation or its subsidiary. Notwithstanding the foregoing, if, following his or her Retirement, the Participant commences (the "**Commencement Date**") employment, consulting or acting as a director of the Corporation or any of its subsidiaries (or in an analogous capacity) or otherwise as a service provider to any Person that carries on or proposes to carry on a business competitive with the Corporation or any of its subsidiaries, any Option or other Award held by the Participant that has not been exercised or settled as of the Commencement Date shall be immediately forfeited and cancelled as of the Commencement Date;

- (f) a Participant's eligibility to receive further grants of Options or other Awards under this Plan ceases as of:
 - (i) the date that the Corporation or a subsidiary of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment, consulting agreement or arrangement is terminated, notwithstanding that such date may be prior to the Termination Date; or
 - (ii) the date of the death, Disability or Retirement of the Participant;
- (g) notwithstanding Subsection 9.1(b), unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, but with due regard for Section 409A, Options or other Awards are not affected by a change of employment or consulting agreement or arrangement, or directorship within or among the Corporation or a subsidiary of the Corporation for so long as the Participant continues to be a Director, Employee or Consultant, as applicable, of the Corporation or a subsidiary of the Corporation; and
- (h) notwithstanding any other provision of this Section 9.1, in the case of an Award (other than an Option) granted to a U.S. Taxpayer that is vested or that immediately vests (in whole or in part) as a result of a Participant's termination of service, then such Award will, subject to Section 11.6(d), be settled as soon as administratively practicable following the Participant's termination of service, but in no event later than 90 days following the Participant's termination of service. In the case of an Award (other than an Option) granted to a U.S. Taxpayer that remains eligible to vest (in whole or in part) following a Participant's termination of service based upon the achievement of one or more Performance Goals, such Award will be settled at the originally scheduled settlement date for such Award.

9.2 Discretion to Permit Acceleration

Notwithstanding the provisions of Section 9.1, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in such Section, or in an employment agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant, permit the acceleration of vesting of any or all Awards or waive termination of any or all Awards, all in the manner and on the terms as may be authorized by the Plan Administrator.

ARTICLE 10 EVENTS AFFECTING THE CORPORATION

10.1 General

The existence of any Awards does not affect in any way the right or power of the Corporation or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization or any other change in the Corporation's capital structure or its business, or any amalgamation, combination, arrangement, merger or consolidation involving the Corporation, to create or issue any bonds, debentures, Shares or other securities of the Corporation or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a

similar character or otherwise, whether or not any such action referred to in this Article 10 would have an adverse effect on this Plan or on any Award granted hereunder.

10.2 Change in Control

Except as may be set forth in an employment agreement, Award Agreement or other written agreement between the Corporation or a subsidiary of the Corporation and the Participant:

- (a) Subject to this Section 10.2, but notwithstanding anything else in this Plan or any Award Agreement, the Plan Administrator may, without the consent of any Participant, take such steps as it deems necessary or desirable, including to cause (i) the conversion or exchange of any outstanding Awards into or for, rights or other securities of substantially equivalent value, as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Awards to vest and become exercisable, realizable, or payable, or restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such merger or Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such merger or Change in Control; (iii) the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the exercise or settlement of such Award or realization of the Participant's rights, then such Award may be terminated by the Corporation without payment); (iv) the replacement of such Award with other rights or property selected by the Board of Directors in its sole discretion where such replacement would not adversely affect the holder; or (v) any combination of the foregoing. In taking any of the actions permitted under this Section 10.2(a), the Plan Administrator will not be required to treat all Awards similarly in the transaction. Notwithstanding the foregoing, in the case of Options held by a Canadian Taxpayer, the Plan Administrator may not cause the Canadian Taxpayer to receive (pursuant to this Subsection 10.2(a)) any property in connection with a Change in Control other than rights to acquire shares of a corporation or units of a "mutual fund trust" (as defined in the Tax Act), of the Corporation or a "qualifying person" (as defined in the Tax Act) that does not deal at arm's length (for purposes of the Tax Act) with the Corporation, as applicable, at the time such rights are issued or granted.

- (b) Notwithstanding Section 9.1, and except as otherwise provided in a written employment or other agreement between the Corporation or a subsidiary of the Corporation and a Participant, if within 12 months following the completion of a transaction resulting in a Change in Control, a Participant's employment, consultancy or directorship is terminated by the Corporation or a subsidiary of the Corporation without Cause:
 - (i) any unvested Awards held by the Participant at the Termination Date shall immediately vest; and

- (ii) any vested Awards of Participants may, subject to Sections 5.4(d) and 6.6(d) (where applicable), be exercised, surrendered or settled by such Participant at any time during the period that terminates on the earlier of: (A) the Expiry Date of such Award; and (B) the date that is 90 days after the Termination Date, provided that any vested Awards (other than Options) granted to U.S. Taxpayers will be settled within 90 days of the Participant's "separation from service". Any Award that has not been exercised, surrendered or settled at the end of such period will be immediately forfeited and cancelled.
- (c) Notwithstanding Subsection 10.2(a) and unless otherwise determined by the Plan Administrator, if, as a result of a Change in Control, the Shares will cease trading on an Exchange, then the Corporation may terminate all of the Awards, other than an Option held by a Canadian Taxpayer for the purposes of the Tax Act, granted under this Plan at the time of and subject to the completion of the Change in Control transaction by paying to each holder at or within a reasonable period of time following completion of such Change in Control transaction an amount for each Award equal to the fair market value of the Award held by such Participant as determined by the Plan Administrator, acting reasonably, provided that any vested Awards granted to U.S. Taxpayers will be settled within 90 days of the Change in Control.
- (d) It is intended that any actions taken under this Section 10.2 will comply with the requirements of Section 409A of the Code with respect to Awards granted to U.S. Taxpayers.

10.3 Reorganization of Corporation's Capital

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control and that would warrant the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange, if applicable, authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

10.4 Other Events Affecting the Corporation

In the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control and that warrants the amendment or replacement of any existing Awards in order to adjust the number and/or type of Shares that may be acquired, or by reference to which such Awards may be settled, on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator will, subject to the prior approval of the Exchange, if applicable, authorize such steps to be taken as it may consider to be equitable and appropriate to that end.

10.5 Immediate Acceleration of Awards

In taking any of the steps provided in Sections 10.3 and 10.4, the Plan Administrator will not be required to treat all Awards similarly and where the Plan Administrator determines that the steps provided in Sections 10.3 and 10.4 would not preserve proportionately the rights, value and obligations of the Participants holding such Awards in the circumstances or otherwise determines that it is appropriate, the Plan Administrator may, but is not required to, permit the immediate vesting of any unvested Awards.

10.6 Issue by Corporation of Additional Shares

Except as expressly provided in this Article 10, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Awards.

10.7 Fractions

No fractional Shares will be issued pursuant to an Award. Accordingly, if, as a result of any adjustment under this Article 10 or a dividend equivalent, a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 11 U.S. TAXPAYERS

11.1 Provisions for U.S. Taxpayers

Options granted under this Plan to U.S. Taxpayers may be non-qualified stock options or incentive stock options qualifying under Section 422 of the Code (“**ISOs**”). Each Option shall be designated in the Award Agreement as either an ISO or a non-qualified stock option. If an Award Agreement fails to designate an Option as either an ISO or non-qualified stock option, the Option will be a non-qualified stock option. The Corporation shall not be liable to any Participant or to any other Person if it is determined that an Option intended to be an ISO does not qualify as an ISO. Non-qualified stock options will be granted to a U.S. Taxpayer only if (i) such U.S. Taxpayer performs services for the Corporation or any corporation or other entity in which the Corporation has a direct or indirect controlling interest or otherwise has a significant ownership interest, as determined under Section 409A, such that the Option will constitute an option to acquire “service recipient stock” within the meaning of Section 409A, or (ii) such option otherwise is exempt from Section 409A.

11.2 ISOs

Subject to any limitations in Section 3.6, the aggregate number of Shares reserved for issuance in respect of granted ISOs shall not exceed 10,000,000 Shares, and the terms and conditions of any ISOs granted to a U.S. Taxpayer on the Date of Grant hereunder, including the eligible recipients of ISOs, shall be subject to the provisions of Section 422 of the Code, and the terms, conditions, limitations and administrative procedures established by the Plan Administrator from time to time in accordance with this Plan. At the discretion of the Plan Administrator, ISOs may only be granted to an individual who is

an employee of the Corporation, or of a “parent corporation” or “subsidiary corporation” of the Corporation, as such terms are defined in Sections 424(e) and (f) of the Code.

11.3 ISO Grants to 10% Shareholders

Notwithstanding anything to the contrary in this Plan, if an ISO is granted to a person who owns shares representing more than 10% of the voting power of all classes of shares of the Corporation or of a “parent corporation” or “subsidiary corporation”, as such terms are defined in Section 424(e) and (f) of the Code, on the Date of Grant, the term of the Option shall not exceed five years from the time of grant of such Option and the Exercise Price shall be at least 110% of the Market Price of the Shares subject to the Option.

11.4 \$100,000 Per Year Limitation for ISOs

To the extent the aggregate Market Price as at the Date of Grant of the Shares for which ISOs are exercisable for the first time by any person during any calendar year (under all plans of the Corporation and any “parent corporation” or “subsidiary corporation”, as such terms are defined in Section 424(e) and (f) of the Code) exceeds US\$100,000, such excess ISOs shall be treated as non-qualified stock options.

11.5 Disqualifying Dispositions

Each person awarded an ISO under this Plan shall notify the Corporation in writing immediately after the date he or she makes a disposition or transfer of any Shares acquired pursuant to the exercise of such ISO if such disposition or transfer is made (a) within two years from the Date of Grant or (b) within one year after the date such person acquired the Shares. Such notice shall specify the date of such disposition or other transfer and the amount realized, in cash, other property, assumption of indebtedness or other consideration, by the person in such disposition or other transfer. The Corporation may, if determined by the Plan Administrator and in accordance with procedures established by it, retain possession of any Shares acquired pursuant to the exercise of an ISO as agent for the applicable person until the end of the later of the periods described in (a) or (b) above, subject to complying with any instructions from such person as to the sale of such Shares.

11.6 Section 409A of the Code

- (a) This Plan will be construed and interpreted to be exempt from, or where not so exempt, to comply with Section 409A of the Code to the extent required to preserve the intended tax consequences of this Plan. Any reference in this Plan to Section 409A of the Code shall also include any regulation promulgated thereunder or any other formal guidance issued by the Internal Revenue Service with respect to Section 409A of the Code. Each Award shall be construed and administered such that the Award either (A) qualifies for an exemption from the requirements of Section 409A of the Code or (B) satisfies the requirements of Section 409A of the Code. If an Award is subject to Section 409A of the Code, (I) distributions shall only be made in a manner and upon an event permitted under section 409A of the Code, (II) payments to be made upon a termination of employment or service shall only be made upon a “separation from service” under Section 409A of the Code, (III) unless the Award specifies otherwise, each installment payment shall be treated as a separate payment for purposes of Section 409A of the Code, and (IV) in no event shall a Participant, directly or indirectly, designate the

calendar year in which a distribution is made except in accordance with Section 409A of the Code. To the extent that an Award or payment, or the settlement or deferral thereof, is subject to Section 409A of the Code, the Award will be granted, paid, settled or deferred in a manner that will meet the requirements of Section 409A of the Code, such that the grant, payment, settlement or deferral will not be subject to the additional tax or interest applicable under Section 409A of the Code. The Corporation reserves the right to amend this Plan to the extent it reasonably determines is necessary in order to preserve the intended tax consequences of this Plan in light of Section 409A of the Code. In no event will the Corporation or any of its subsidiaries or Affiliates be liable for any tax, interest or penalties that may be imposed on a Participant under Section 409A of the Code or any damages for failing to comply with Section 409A of the Code.

- (b) All terms of the Plan that are undefined or ambiguous must be interpreted in a manner that complies with Section 409A of the Code if necessary to comply with Section 409A of the Code.
- (c) The Plan Administrator, in its sole discretion, may permit the acceleration of the time or schedule of payment of a U.S. Taxpayer's vested Awards in the Plan under circumstances that constitute permissible acceleration events under Section 409A of the Code.
- (d) Notwithstanding any provisions of the Plan to the contrary, in the case of any "specified employee" within the meaning of Section 409A of the Code who is a U.S. Taxpayer, distributions of non-qualified deferred compensation under Section 409A of the Code made in connection with a "separation from service" within the meaning set forth in Section 409A of the Code may not be made prior to the date which is six months after the date of separation from service (or, if earlier, the date of death of the U.S. Taxpayer). Any amounts subject to a delay in payment pursuant to the preceding sentence shall be paid as soon practicable following such six-month anniversary of such separation from service.

11.7 Section 83(b) Election

If a Participant makes an election pursuant to Section 83(b) of the Code with respect to an Award of Shares subject to vesting or other forfeiture conditions, the Participant shall be required to promptly file a copy of such election with the Corporation.

11.8 Application of Article 11 to U.S. Taxpayers

For greater certainty, the provisions of this Article 11 shall only apply to U.S. Taxpayers.

ARTICLE 12 AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

12.1 Amendment, Suspension, or Termination of the Plan

The Plan Administrator may from time to time, without notice and without approval of the holders of voting shares of the Corporation, amend, modify, change, suspend or terminate the Plan or any Awards granted pursuant to the Plan as it, in its discretion determines appropriate, provided, however, that:

- (a) no such amendment, modification, change, suspension or termination of the Plan or any Awards granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable Securities Laws or Exchange requirements; and
- (b) any amendment that would cause an Award held by a U.S. Taxpayer to be subject to income inclusion under Section 409A of the Code shall be null and void ab initio with respect to the U.S. Taxpayer unless the consent of the U.S. Taxpayer is obtained.

12.2 Shareholder Approval

Notwithstanding Section 12.1 and subject to any rules of the Exchange, if applicable, approval of the holders of Shares shall be required for any amendment, modification or change that:

- (a) increases the percentage of Shares reserved for issuance under the Plan, except pursuant to the provisions under Article 10 which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (b) increases or removes the 10% limits on Shares issuable or issued to Insiders as set forth in Subsection 3.7(a);
- (c) reduces the exercise price of an Option Award (for this purpose, a cancellation or termination of an Option Award of a Participant prior to its Expiry Date for the purpose of reissuing an Option Award to the same Participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an Option Award) except pursuant to the provisions in the Plan which permit the Plan Administrator to make equitable adjustments in the event of transactions affecting the Corporation or its capital;
- (d) extends the term of an Option Award beyond the original Expiry Date (except where an Expiry Date would have fallen within a blackout period applicable to the Participant or within 10 Business Days following the expiry of such a blackout period);
- (e) permits an Option Award to be exercisable beyond 10 years from its Date of Grant (except where an Expiry Date would have fallen within a blackout period of the Corporation);
- (f) increases or removes the limits on the participation of Directors;
- (g) permits Awards to be transferred to a Person;
- (h) changes the eligible participants of the Plan; or
- (i) deletes or reduces the range of amendments which require approval of shareholders under this Section 12.2.

12.3 Permitted Amendments

Without limiting the generality of Section 12.1, but subject to Section 12.2, the Plan Administrator may, without shareholder approval, at any time or from time to time, amend the Plan for the purposes of:

- (a) making any amendments to the general vesting provisions of each Award;
- (b) making any amendments to the provisions set out in Article 9;
- (c) making any amendments to add covenants of the Corporation for the protection of Participants, as the case may be, provided that the Plan Administrator shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be;
- (d) making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Plan Administrator, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Plan Administrator shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants and Directors; or
- (e) making such changes or corrections which, on the advice of counsel to the Corporation, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Plan Administrator shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

ARTICLE 13 MISCELLANEOUS

13.1 Legal Requirement

The Corporation is not obligated to grant any Awards, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its sole discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed, if applicable.

13.2 No Other Benefit

No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a downward fluctuation in the price of a Share, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

13.3 Rights of Participant

No Participant has any claim or right to be granted an Award and the granting of any Award is not to be construed as giving a Participant a right to remain as an Employee, Consultant or Director. No

Participant has any rights as a shareholder of the Corporation in respect of Shares issuable pursuant to any Award until the allotment and issuance to such Participant, or as such Participant may direct, of certificates representing such Shares.

13.4 Corporate Action

Nothing contained in this Plan or in an Award shall be construed so as to prevent the Corporation from taking corporate action which is deemed by the Corporation to be appropriate or in its best interest, whether or not such action would have an adverse effect on this Plan or any Award.

13.5 Conflict

In the event of any conflict between the provisions of this Plan and an Award Agreement, the provisions of the Award Agreement shall govern. In the event of any conflict between or among the provisions of this Plan or any Award Agreement, on the one hand, and a Participant's employment agreement with the Corporation or a subsidiary of the Corporation, as the case may be, on the other hand, the provisions of the employment agreement or other written agreement shall prevail.

13.6 Anti-Hedging Policy

By accepting an Award each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Awards.

13.7 Participant Information

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such persons (including persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

13.8 Participation in the Plan

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant. The Plan does not provide any guarantee against any loss which may result from fluctuations in the market value of the Shares. The Corporation does not assume responsibility for the income or other tax consequences for the Participants and Directors and they are advised to consult with their own tax advisors.

13.9 International Participants

With respect to Participants who reside or work outside Canada and the United States, the Plan Administrator may, in its sole discretion, amend, or otherwise modify, without shareholder approval,

the terms of the Plan or Awards with respect to such Participants in order to conform such terms with the provisions of local law, and the Plan Administrator may, where appropriate, establish one or more sub-plans to reflect such amended or otherwise modified provisions.

13.10 Successors and Assigns

The Plan shall be binding on all successors and assigns of the Corporation and its subsidiaries.

13.11 General Restrictions or Assignment

Except as required by law, the rights of a Participant under the Plan are not capable of being assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant unless otherwise approved by the Plan Administrator.

13.12 Severability

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

13.13 Notices

- (a) All written notices to be given by a Participant to the Corporation shall be delivered personally, e-mail or mail, postage prepaid, addressed as noted on the Corporation's SEDAR profile: Attention: Chief Financial Officer
- (b) All notices to a Participant will be addressed to the principal address of the Participant on file with the Corporation.
