

Fineqia Announces Completion of Private Placement and Debt Settlements and Grants Incentive Stock Options

Vancouver, BC / March 22, 2017 – Fineqia International Inc. (the “Company” or “Fineqia”) (CSE: FNQ) (OTCPink: FNQQF) (Frankfurt: FNQA) is pleased to announce that it has closed a non-brokered private placement (the “Private Placement”) of 58,746,401 units (“Units”) issued at a price of CAD\$0.015 per Unit, raising gross proceeds of CAD\$881,194.18.

The close follows the oversubscribed Private Placement, with investment target increased three times from CAD\$2 million to CAD\$5 million due to continued investor interest, raising gross proceeds of CAD\$5,171,199.50 on November 11, 2016. Each Unit consists of one common share and one transferable common share purchase warrant (“Warrants”) exercisable at CAD\$0.05 per share, provided that in the event that the closing price of the Company’s common shares on the Canadian Securities Exchange (or such other exchange on which the Company’s common shares may become traded) is CAD\$0.20 or greater per common share during any twenty (20) consecutive trading day period at any time subsequent to four months and one day after the closing date, the Warrants will expire at 4:00 p.m. (Vancouver time) on the 30th day after the date on which the Company provides notice of such accelerated expiry to the holders of the Warrants.

Insiders of the Company subscribed for 16,400,000 Units, with Bundeep Singh Rangar, President, CEO and a director of the Company, subscribing for 10,000,000 Units through his company, Rangar Capital Limited; Stephen (Steve) John McCann, CFO and a director of the Company, subscribing for 5,200,000 Units in his own name and Martin Bernholtz, a director of the Company, subscribing for 1,000,000 Units through his company, Accretive Capital Corp. As a result, the Private Placement is a related party transaction (as defined under Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions* (“MI 61-101”). The Company relied upon the “Issuer Not Listed on Specified Markets” and “Fair Market Value Not More Than CAD\$2,500,000” exemptions from the formal valuation and minority shareholder approval requirements, respectively, under MI 61-101.

“We are pleased with this raise, which was a result of continued investor interest following the private placement concluded last year,” said Steve McCann, the Company’s CFO. “It strengthens our ability to execute on our new business.”

Fineqia intends to provide a U.K. regulated platform and associated services to place and administer debt and equity securities issuances.

The Company issued finder’s Units equal to 7% of the aggregate number of Units sold in the Private Placement through the efforts of each finder at a price of \$0.015 per finder’s Unit. The finder’s Warrants are exercisable under the same terms as the Warrants.

All securities issued pursuant to the Private Placement are subject to a four-month hold period. The proceeds of the Private Placement will be used for general working capital, debt settlements and making strategic investments.
