"Marking another milestone on our journey, Fineqia is excited to announce the successful closure of our second tranche of private placement, said Bundeep Singh Rangar, CEO of Fineqia. We are grateful for the continued trust and support of our investors, which fuels our drive to reshape the future of finance."

The final closure of the private placement is extended until September 15, allowing Fineqia to accommodate investors amidst the challenges posed by the summer holiday season. This extension ensures that interested parties have ample time to participate in this investment opportunity.

Each Unit sold or to be sold in the Offering consists of one common share of the Company priced at C\$0.01 and one share purchase warrant (a "Warrant") exercisable for three years at a price of C\$0.05 per share.

Warrant holders will be notified by the issue of a press release by the Company announcing such acceleration. In such a situation, the expiry date shall be deemed to be the 20th day following the date of issuance of the press release.

The proceeds from the Offering will be used to enhance the Company's working capital.
