

Fineqia International Extends Private Placement to Oct. 31, 2024

VANCOUVER, BC, Oct 1, 2024 /Newsfile/ - Fineqia International Inc. (the "Company" or "Fineqia") (CSE: FNQ) (OTC: FNQQF) (Frankfurt: FNQA), the digital asset and fintech investment business, announces an extension of the deadline for its non-brokered private placement (the "**Offering**") of units ("**Units**") to Oct. 31, 2024. The private placement announced on July 22, 2024, as well as new timeline, were approved by the Canadian Securities Exchange (CSE).

The private placement is underway to raise C\$1.5 million through the sale of Units, each entitling subscribers to 150,000,000 shares at a price of C\$0.01 per share, along with an attached warrant. The Company has received significant interest from qualified investors and is confident of reaching or exceeding its fundraising target.

Each Unit will consist of one common share of Fineqia (a "Common Share") and one warrant to purchase one Common Share (a "Warrant"). Each Warrant will be exercisable for a period of three years from the closing of the Offering at an exercise price of \$0.05 per Common Share.

The Company may, at its option, accelerate the expiry date, provided that the closing price trades at or above \$0.10 per share for any 20 consecutive trading day period at any time after four months and one day after the issuance of the warrant. Warrant holders will be notified by the issue of a press release by the Company announcing such acceleration. In such a situation, the expiry date shall be deemed to be the 20th day following the date of issuance of the press release.

All references to dollars (\$) above are to Canadian dollars (C\$).

The issuance of certain of the Units to directors and officers of the Company pursuant to the Offering will each be considered a "related party transaction" as defined in Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* ("**MI 61-101**"). The Company will rely upon exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a), respectively, with respect to the issuance of the Units to the directors and officers.

These securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**1933 Act**"). Accordingly, these securities may not be offered or sold in the United States or to, or for the account or benefit of, a U.S. person or person in the United States (as such terms are defined in regulations under the 1933 Act), absent an exemption from the registration requirements of the 1933 Act and applicable state laws.
