

## **Nortec Minerals arranges the sale of Finore Shareholdings to generate Working Capital.**

**Vancouver, British Columbia – June 30, 2016. Nortec Minerals Corp.** (the “**Issuer**” or the “**Company**”) (TSX-V: NVT) announces that the Company arranged the sale of 7,000,000 common shares of Finore Mining Inc. (“**Finore**”) to three Arm’s Length Parties. The sale of the Finore shares will be carried out through private transactions and is scheduled for July 8, 2016. Nortec owns 8,614,492 common shares of Finore representing 24.4% of the issued and outstanding shares. With this sale Nortec will own 1,614,492 shares. The Company had to take this decision to generate immediate working capital and to pay the outstanding invoices.

This working capital will also provide an opportunity for the Company to pursue new advanced acquisitions.

Nortec recently signed a Joint Venture Agreement with Avalon Minerals of Australia. Avalon paid Nortec EUR 20,000 and issued 1,000,000 Avalon shares. upon the signing of the Heads of Agreement. Avalon, through its subsidiary Scandian Metals, will fund exploration on the Tammela Lithium - Gold Project, Southern Finland, in two stages to earn an 80% interest. Stage 1 comprises of an expenditure of EUR 500,000 over a 24 month time period to earn a 51% Interest. If Scandian elects to undertake Stage 2, then it will pay Nortec EUR 200,000 in either cash, shares or a combination of two, and will commit to an additional expenditure of EUR 1,000,000 over two years to earn another 29%.

Standard dilution clauses will apply once the joint venture agreement is completed. The interest will convert to a 1.5% net smelter royalty if a party’s interest falls below 10%.

### **Other News:**

Further to the Company’s Management Cease Trade Order dated May 2, 2016, the British Columbia Securities Commission granted a second extension to file its audited financial statements and management discussion and analysis and related certifications (collectively the “**Required Records**”). The Company expects to complete and file the Required Records by July 25, 2016.

Certain information set out in this news release constitutes forward-looking information. Forward looking statements are often, but not always, identified by the use of words such as “seek”, “anticipate”, “plan”, “continue”, “estimate”, “expect”, “may”, “will”, “intend”, “could”, “might”, “should”, “believe” and similar expressions. In particular, this news release contains forward-looking statements in respect of among other things, the filing of the Finore Statements and the Issuer Statements and the timing thereof. Forward-looking statements are based upon the opinions and expectations of management of the Company as at the effective date of such statements and, in certain cases, information provided or disseminated by third parties. Although the Company believes that the expectations reflected in such forward-looking statements are based upon reasonable assumptions, and that information obtained from third party sources is reliable, they can give no assurance that those expectations will prove to have been correct. Readers are cautioned not to place undue reliance on forward-looking statements included in this document, as there can be no assurance that the plans, intentions or expectations upon which the forward-looking statements are based will occur. By their nature, forward-looking statements involve numerous assumptions, known and unknown risks and uncertainties that contribute to the possibility that the predictions, forecasts, projections and other forward-looking statements will not occur, which may cause actual results in future periods to differ materially from any estimates or projections of future performance or results expressed or implied by such forward-looking statements. These risks and uncertainties include, among other things, risk factors set forth in the Company’s most recent management’s discussion and analysis under the heading “Risk and Uncertainties”, a copy of which is filed on SEDAR at www.SEDAR.com, and readers are cautioned that the risk factors disclosed therein should not be construed as exhaustive. These statements are made as at the date hereof and unless otherwise required by law, the Company does not intend, or assume any obligation, to update these forward-looking statements.
