Dear Sirs/Mesdames:

**Re: Micron Waste Technologies Inc. (the “Company”)
Amended and Restated Interim Financial Statements and Management Discussion
and Analysis for the Three Months March 31, 2020**

As a result of a review by the British Columbia Securities Commission, the Company is filing an amended and restated interim financial statements and management discussion and analysis for the three months ended March 31, 2020 (collectively, the “Amended and Restated Financial Statements and MD&A”). The Amended and Restated Financial Statements and MD&A have been filed to:

- clarify the Company’s disclosure with regard to Covid Technologies Inc.;
- provide additional disclosure regarding the Company’s related party transactions; and
- include disclosure regarding assumptions relied upon to develop forward looking information

The Amended and Restated Financial Statements and MD&A has been filed under SEDAR Project Number 03062359 and 03062360 respectively. We have also filed new certificates of interim filings required under NI 52-109F2R under SEDAR Project Number 03062363.

If you have any questions with respect to the foregoing, please feel free to contact the writer at (604) 805-4602.

Yours truly,
