

Beyond Medical Subsidiary Micron Technologies Achieves "Amazon's Choice" Designation and Begins to Accept Bitcoin Payments for its Made in Canada Face Masks

VANCOUVER, BC, April 27, 2021 /CNW/ - Beyond Medical Technologies Inc. ("**Beyond Medical**" or the "**Company**") (CSE: DOCT) (Frankfurt: 7FM4) is pleased to provide the following corporate update regarding its wholly-owned subsidiary Micron Technologies Inc. ("**Micron Technologies**").

"Amazon's Choice" Designation for Medical Grade Face Masks

Micron Technologies has been operating at the Company's facility in Delta, British Columbia since August 2020 where it manufactures three-ply medical grade face masks. In early April 2021, Micron Technologies' three-ply medical grade face masks achieved the "Amazon's Choice" designation from Amazon. The "Amazon's Choice" designation is achieved by having a high star rating, competitive price, low return rate, consistent inventory, and high sales. Micron Technologies anticipates a sales boost following achieving the "Amazon's Choice" designation.

In addition to Amazon, Micron Technologies' products are available online at Walmart and Shopify. Institutional customers and those who are interested in obtaining a quote for large size orders are encouraged to contact Milan@micronti.com.

Micron Technologies Accepting Bitcoin

Micron Technologies has entered the cryptocurrency space by now accepting Bitcoin as a form of payment for its products. The option to pay with Bitcoin is available to both retail and wholesale customers. Customers who wish to pay with Bitcoin can do so on Micron Technologies' website where the payment will be completed via BitPay, a Bitcoin service provider.
