MANAGEMENT INFORMATION CIRCULAR

May 3, 2012

INTRODUCTION

This Information Circular accompanies the Notice of Annual General and Special Meeting (the “**Notice**”) and is furnished to shareholders holding common shares in the capital of Bonaparte Resources Inc. (the “**Company**”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general and special meeting (the “**Meeting**”) of the shareholders to be held at 10:00 a.m. on Thursday, May 31, 2012, at the offices of Clark Wilson LLP, 800 - 885 West Georgia Street, Vancouver, British Columbia or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is May 3, 2012. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each common share that such shareholder holds on the record date of April 30, 2012 (the “**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, Computershare Investor Services Inc. (the "**Transfer Agent**") at their offices located at 9th Floor, 100 University Avenue Toronto, Ontario, M5J 2Y1, by mail or fax, at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. Alternatively, the completed form of proxy may be delivered to the chairman (the "**Chairman**") of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder's attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders, or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at anytime before it is exercised by an instrument in writing (a) executed by that shareholder or by that shareholder's attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (a) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or (b) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Common Shares and Proxies and Exercise of Discretion by Designated Persons

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the common shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the common shares represented will be voted or withheld from the vote on that matter accordingly. **The common shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the common shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE

DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF THE COMPANY'S BOARD OF DIRECTORS FOR DIRECTORS AND AUDITOR.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the common shares on any matter, the common shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those shareholders who do not hold shares in their own name. Shareholders who do not hold their shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in the shareholder's name on the records of the Company. Such common shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such common shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to names of Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the Form of Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of common shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the common shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote common shares directly at the Meeting - the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its common shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them

and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her common shares.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

STATEMENT OF EXECUTIVE COMPENSATION

General

For the purpose of this Information Circular:

“CEO” of the Company means each individual who acted as chief executive officer of the Company or acted in a similar capacity for any part of the most recently completed financial year;

“CFO” of the Company means each individual who acted as chief financial officer of the Company or acted in a similar capacity for any part of the most recently completed financial year; and

“Named Executive Officers” or “NEO” means each of the following individuals:

- (a) the Company’s CEO;
- (b) the Company’s CFO;
- (c) each of the Company’s three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000, as determined in accordance with applicable securities laws, for that financial year; and
- (d) each individual who would be a NEO under paragraph (c) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity at the end of the most recently completed financial year.

Compensation Discussion and Analysis

The overall objective of the Company’s compensation strategy is to offer medium-term and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest caliber and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the Chief Executive Officer, if any, in this regard. The Company currently has medium-term and long-term compensation components in place, and intends to further develop these compensation components. The objectives of the Company’s compensation policies and procedures are to align the interests of the Company’s employees with the interests of the Company’s shareholders. Therefore a significant portion of the total compensation is based upon overall corporate performance. The Company currently uses primarily fees, incentive stock options and discretionary bonuses to compensate its NEOs.

The Company does not have in place a Compensation and Nominating Committee. All tasks related to developing and monitoring the Company’s approach to the compensation of officers of the Company and to developing and monitoring the Company’s approach to the nomination of directors to the Board are performed by the members of the Board. The compensation of the NEOs and the Company’s employees is reviewed, recommended and approved by the independent directors of the Company.

The Company chooses to grant stock options to NEOs to satisfy the long-term compensation component. The Board may consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is discretionary, depending on, among other factors, the financial performance of the Company and the position of a participant. The Board considers that the payment of such discretionary annual cash bonuses satisfies the medium term compensation component. In the future, the Board may also consider the grant of options to purchase common shares of the Company with longer future vesting dates to satisfy the long term compensation component.

Notes

- (1) “Non-equity Incentive Plan Compensation” includes all compensation under an incentive plan or portion of an incentive plan that is not an equity incentive plan.

- (3) “Option-based Awards” means an award under an equity incentive plan of options, including, for greater certainty, share options, share appreciation rights, and similar instruments that have option-like features.

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of Stock Option Plan

At the Meeting, shareholders will be asked to approve by ordinary resolution, the Company's current 10% rolling stock option plan (the "**Plan**"). Under the Plan, a maximum of 10% of the issued shares of the Company, from time to time, may be reserved for issuance pursuant to the exercise of options granted. The Exchange requires listed companies that have "rolling" stock option plans in place to receive shareholder approval to such plan on a yearly basis at the Company's annual shareholders meeting.

The purpose of the Plan is to provide the Company with a share related mechanism to enable the Company to attract, retain and motivate qualified directors, officers, employees and other service providers, to reward those parties for advancing the interests of the Company and to enable and encourage such individuals to acquire shares in the Company as long term investments.

The Plan complies with the current policies of Exchange for Tier 2 issuers. The Plan is considered a "rolling" stock option plan whereby the number of shares reserved for issuance under the Plan will increase with the issue of additional shares of the Company.

If the Company's shares are no longer listed for trading on the

Exchange, then the exercise price will not be less than the minimum price permitted by such other exchange or quotation system on which the shares are listed or quoted for trading.

2. Upon expiry of an option, or in the event an option is otherwise terminated for any reason, without having been exercised in full, the number of shares in respect of the expired or terminated option shall again be available for the purpose of the Plan.
3. All options granted under the Plan may not have an expiry date exceeding ten years from the date on which the option is granted.

6. Options granted to all persons, in aggregate, conducting investor relations activities in any 12 month period cannot exceed more than 2% of the issued shares of the Company.
7. If the option holder ceases to be a director, officer, employee or other service provider of the Company (other than by reason of death, disability and termination of services for cause), as the case may be, then the option granted must expire on the earlier of the expiry date and the date that is 90 days following the date that the option holder ceases to be a director, officer, employee or service provider of the Company.
8. If the option holder ceases to be a director, officer, employee or other service provider of the Company by reason of termination of services for cause, then the option granted shall cease to be exercisable upon such termination for cause.
9. Options held by an option holder who is engaged in investor relations activities must expire on the earlier of the expiry date of the option and the date that is 30 days after the option holder ceases to be employed by the Company to provide investor relations activities, while the Company is a Tier 2 issuer.
10. Notwithstanding items 7 and 8, an optionee's heirs or administrators shall have until the earlier of:
 - (a) one year from the death of the optionee; and
 - (b) the expiry date of the options, in which to exercise any options outstanding at the time of death of the optionee.
11. Stock options granted to directors, senior officers, employees or consultants will vest when granted unless determined by the Board on a case by case basis, other than options granted to consultants performing investor relations activities, which will vest in stages over 12 months with no more than one quarter of the options vesting in any three month period.
12. The Plan will be administered by the Board of the Company who will have the full authority and sole discretion to grant options under the Plan to any eligible party, including themselves.
13. The options shall not be assignable or transferable by an optionee.
14. The Board may from time to time, subject to regulatory approval, amend or revise the terms of the Plan.

The Plan provides that other terms and conditions may be attached to a particular stock option at the discretion of the Board.

The Plan is subject to receipt of annual Exchange acceptance to its filing. Shareholders will be asked at the Meeting to consider, and if thought fit, to approve an ordinary resolution approving the Company's current Plan.

5. Any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver under the corporate seal of the Company or otherwise all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to the foregoing resolutions, including, without limitation, making any changes to the Plan required by the Exchange or applicable securities regulatory authorities and to complete all transactions in connection with the implementation of the Plan."
