**NEWS RELEASE**

**Bonaparte Exploration Update**

---

**VANCOUVER, BC, September 7, 2011 – Bonaparte Resources Inc. (TSX-V: BON)** ("Bonaparte" or the "Company") is pleased to announce that its 2011 exploration program is nearing completion. The company has completed its planned percussion drilling on the Hopper property and is scheduled to complete its diamond drilling program within the next two weeks. Drilling results will be announced once assays have been analyzed.

Bonaparte has also entered into a loan agreement with an insider of the company. The loan is for \$65,000 with a term of one year with interest added at prime plus 3%.

**ON BEHALF OF THE BOARD OF DIRECTORS**

*This press release contains projections and forward-looking information that involve various risks and uncertainties regarding future events. Such forward-looking information include that we are scheduled to complete our diamond drilling program within the next two weeks and that drilling results will be announced once assays have been analyzed. There are numerous risks and uncertainties that could cause actual results and the Company's plans and objectives to differ materially from those expressed in the forward-looking information, including: (i) adverse market conditions; and (ii) general uncertainties with respect to mineral exploration in general, our inability to complete drilling as planned, or our being prevented from receipt of full information or from disclosure of certain aspects of our results. . Except as required by law, the Company does not intend to update these forward-looking statements.*
