BlackIce Enters Partnership with EY Vietnam

Vancouver, BC – March 31, 2015 -- BlackIce Enterprise Risk Management Inc. (BlackIce) (CSE: BIS), has entered into a joint agreement with EY Vietnam (Ernst & Young Vietnam Ltd) an affiliate of EY, a worldwide auditing and consulting company.

The two companies will jointly market Basel consulting services alongside the BlackIce Governance and Compliance Database (GCD™). The agreement will provide BlackIce with access to Vietnam's leading financial institutions, so they can fully leverage the GCD and maintain compliance with the Basel Accord regulations.

Mac Kalyan, Chairman and CEO of BlackIce stated, "We are very fortunate to have EY as a partner in Vietnam. Their international reputation means our products receive instant credibility and removes any initial reluctance by our potential clients on reviewing and potentially purchasing our software. This makes it easier for us to 'get in the door' after which, the product demonstration sells itself. We hope to leverage our relationship with EY Vietnam to EY entities in other jurisdictions," Mr. Kalyan said.

About BlackIce Enterprise Risk Management Inc.

BlackIce is a global enterprise risk management technology firm delivering practical solutions for problems that global banks face every day.

BlackIce has developed an *Enterprise Risk Aggregation (ERA™)* solution, an open platform software application that delivers end-to-end data and analytical standards to meet all of the regulatory expectations of Basel (I, II & III) as well as the BCBS Risk Data Aggregation & Reporting (RDA) requirements, and the FSB (Financial Stability Board) Legal Entity Identifier program for monitoring concentration risk.

The company's *Governance & Compliance Database (GCD™)* is an application that allows financial institutions to assess, govern and manage adherence and compliance to regulatory guidelines across multiple regulatory requirements including: Basel II/III; Living Wills; Risk Data Aggregation and Financial Stability Oversight.
